BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

An Act entitled "An Act to reconstitute the Board of Education of Monroe County, Georgia," approved February 25, 1993 (Ga. L. 1993, p. 3857), is amended by striking subsections (b) and (c) of Section 2 and inserting in lieu thereof the following:

"(b) For purposes of electing a Board of Education of Monroe County, the Monroe County School District shall be divided into seven education districts as provided in this subsection. One member of the board shall be elected from each such district by the voters voting in only such district. The seven education districts shall be and correspond to those seven numbered districts described in and attached to and made a part of the 2002 amendatory Act to this Act and further identified as Plan Name: monroesb1r Plan Type: Local User: Blake Administrator: Monroe.

(c) When used in such attachment, the terms 'Tract' and 'BG' (Block Group) shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2000 for the State of Georgia. The separate numeric designations in a Tract description which are underneath a 'BG' heading shall mean and describe individual Blocks within a Block Group as provided in the report of the Bureau of the Census for the United States decennial census of 2000 for the State of Georgia. Any part of the Monroe County School District which is not included in any such district described in that attachment shall be included within that district contiguous to such

part which contains the least population according to the United States decennial census of 2000 for the State of Georgia. Any part of the Monroe County School District which is described in that attachment as being in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2000 for the State of Georgia. Except as otherwise provided in the description of any education district, whenever the description of such district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census map for the United States decennial census of 2000 for the State of Georgia."

SECTION 2.

It is the purpose of this Act to reapportion the districts from which members of the Board of Education of Monroe County are to be elected in the November, 2002, general election and in subsequent general elections, and this Act results from changes in population based on the United States decennial census of 2000. It is not the intention of the General Assembly to affect the membership of current members of the board, their terms of office, or the manner in which their successors shall be elected, and such matters shall remain as provided by law on the effective date of this Act until otherwise amended by law, except to the extent of reapportioning the districts represented by such members.

SECTION 3.

It shall be the duty of the attorney of the Board of Education of Monroe County to submit this Act for approval pursuant to Section 5 of the federal Voting Rights Act of 1965, as amended.

SECTION 4.

The provisions of this Act relating to and necessary for the regular election in 2002 of members of the Board of Education of Monroe County shall become effective upon its approval by the Governor or upon its becoming law without such approval; and this Act shall otherwise become effective January 1, 2003.

SECTION 5.

All laws and parts of laws in conflict with this Act are repealed.
