18 "(15) 'Resident' means a person who has a permanent home or abode in Georgia to

50 (2) Such person is driving without a valid driver's license or receipt issued by the  
 51 department reflecting issuance, renewal, replacement, or reinstatement in his or her  
 52 possession but he or she has a valid driver's license, Code Section 40-5-29 shall apply to  
 53 such offense.

 55 is a current recipient of a grant of deferred action from the United States Department of

71 suspension or revocation, in the same manner as a citizen's driver's license.

72 (2) A driver's privilege card shall be valid only during the period of time of the  
73 applicant's grant of deferred action or five years, whichever occurs first.

74 (3)(A) A driver's privilege card shall be valid only for the privilege of operating a  
75 motor vehicle upon a highway in this state and shall not be valid for identification  
76 purposes, including but not limited to verifying the identity, residency, or citizenship  
77 status of its holder.

78 (B) It shall be a misdemeanor to attempt to use a driver's privilege card for  
79 identification purposes other than presentment to a law enforcement officer.

80 (4) Prior to the issuance of a driver's privilege card, the department shall obtain the  
81 fingerprints of the applicant.

82 (5)(A) The department shall distinguish a driver's privilege card from a driver's license  
83 issued by the department by the use of font and color.

84 (B) A driver's privilege card shall, in white letters displayed on a black banner  
85 positioned at the top or bottom, or both, of the driver's privilege card, include the terms  
86 'DRIVER'S PRIVILEGE CARD ONLY', 'NOT FOR ID PURPOSES', 'LEGAL  
87 PRESENCE, NO LAWFUL STATUS', and 'UNDER GRANT OF DEFERRED  
88 ACTION'. Other than as provided for in this paragraph, a driver's privilege card shall  
89 contain the same physical characteristics of, and be similar in form to, a driver's license  
90 issued by the department.

91 (6) The department shall not issue any temporary driving privileges as provided for in  
92 subsection (e) of Code Section 40-5-24 to any person who is a current recipient of a grant  
93 of deferred action from the United States Department of Homeland Security.

94 (a.2) Any person who is a current recipient of a grant of deferred action from the United  
95 States Department of Homeland Security and who has a valid driver's license shall, upon  
96 expiration of such driver's license, be subject to the provisions of this chapter relating to  
97 a driver's privilege card."

98           "(c)(1) Except as provided in paragraph (2) of this subsection and in Code Section  
 99           40-5-32, no person shall receive a driver's license or driver's privilege card unless and  
 100           until such person surrenders to the department all valid licenses in such person's  
 101           possession issued to him or her by this or any other jurisdiction. All surrendered licenses  
 102           issued by another jurisdiction shall be destroyed. The license information shall be  
 103           forwarded to the previous jurisdiction. No person shall be permitted to have more than  
 104           one valid driver's license or more than one valid driver's privilege card at any time or a  
 105           valid driver's license and a valid driver's privilege card at the same time.  
 106           (2) Any noncitizen who is eligible for issuance of a driver's license or driver's privilege  
 107           card pursuant to the requirements of this chapter may be issued a driver's license or  
 108           driver's privilege card without surrendering any driver's license or such other similar  
 109           licenses previously issued to him or her by any foreign jurisdiction. This exemption shall  
 110           not apply to a person who is applying for a commercial driver's license or who is required  
 111           to terminate any previously issued driver's license or similar license pursuant to federal  
 112           law. The department shall make a notation on the driving record of any person who  
 113           retains a foreign driver's license, and this information shall be made available to law  
 114           enforcement officers and agencies on such person's driving record through the Georgia  
 115           Crime Information Center."
