379 article. In either event, such general obligation debt shall be payable first from the
 380 separate account in which are placed the proceeds received by the county or qualified
 381 municipality from the tax. Such general obligation debt shall, however, constitute a
 382 pledge of the full faith, credit, and taxing power of the county or qualified municipality;
 383 and any liability on such debt which is not satisfied from the proceeds of the tax shall be
 384 satisfied from the general funds of the county or qualified municipality.

385 48-8-269.45.

386 (a)(1) If the imposition of the tax is approved at the election, the tax shall be imposed on
 387 the first day of the next succeeding calendar quarter which begins more than 80 days after
 388 the date of the election at which the tax was approved by the voters.

389 (2) With respect to services which are regularly billed on a monthly basis, however, the
 390 resolution shall become effective with respect to and the tax shall apply to services billed
 391 on or after the effective date specified in paragraph (1) of this subsection.

392 (b) The tax shall cease to be imposed on the final day of the maximum period of time
 393 specified for the imposition of the tax.

394 (c) Following the expiration of a tax under this article, proceedings for the reimposition
 395 of a tax under this article may be initiated in the same manner as provided in this article for
 396 initial imposition of such tax.

397 48-8-269.46.

398 A tax levied pursuant to this article shall be exclusively administered and collected by the
 399 commissioner for the use and benefit of the county and qualified municipalities within the
 400 special district imposing the tax. Such administration and collection shall be accomplished
 401 in the same manner and subject to the same applicable provisions, procedures, and
 402 penalties provided in Article 1 of this chapter; provided, however, that all moneys collected
 403 from each taxpayer by the commissioner shall be applied first to such taxpayer's liability
 404 for taxes owed the state; and provided, further, that the commissioner may rely upon a
 405 representation by or on behalf of the special district or the Secretary of State that such a tax
 406 has been validly imposed, and the commissioner and the commissioner's agents shall not
 407 be liable to any person for collecting any such tax which was not validly imposed. Dealers
 408 shall be allowed a percentage of the amount of the tax due and accounted for and shall be
 409 reimbursed in the form of a deduction in submitting, reporting, and paying the amount due
 410 if such amount is not delinquent at the time of payment. The deduction shall be at the rate
 411 and subject to the requirements specified under subsections (b) through (f) of Code
 412 Section 48-8-50.

413 48-8-269.47.

414 Each sales tax return remitting taxes collected under this article shall separately identify
 415 the location of each transaction at which any of the taxes remitted were collected and shall
 416 specify the amount of sales and the amount of taxes collected at each such location for the
 417 period covered by the return in order to facilitate the determination by the commissioner
 418 that all taxes imposed by this article are collected and distributed according to situs of sale.

419 48-8-269.48.

420 (a) The proceeds of the tax collected by the commissioner in each special district under
 421 this article shall be disbursed as soon as practicable after collection as follows:

422 (1) One percent of the amount collected shall be paid into the general fund of the state
 423 treasury in order to defray the costs of administration; and

424 (2) Except for the percentage provided in paragraph (1) of this Code section, the
 425 remaining proceeds of the tax shall be distributed:

426 (A) Pursuant to the terms of the intergovernmental agreement, if applicable; or

427 (B) If no intergovernmental agreement has been entered into, in accordance with
 428 subsection (b) of this Code section.

429 (b) In the event an intergovernmental agreement has not been entered into, then
 430 distribution of the proceeds shall be a proportional amount of proceeds of the tax based
 431 upon the amount of expenditures made for transit in the most recent three fiscal years. The
 432 proportional amount for the county and each qualified municipality shall be determined by
 433 the commissioner.

434 48-8-269.49.

435 (a) The proceeds of a tax under this article shall not be subject to any allocation or
 436 balancing of state and federal funds provided for by general law, and such proceeds shall
 437 not be considered or taken into account in any such allocation or balancing.

438 (b) The approval of the tax under this article shall not in any way diminish the percentage
 439 of state or federal funds allocated to any of the local governments under Code Section
 440 32-5-27 within the special district levying the tax.

441 48-8-269.50.

442 (a) Except as to rate, a tax imposed under this article shall correspond to the tax imposed
 443 by Article 1 of this chapter. No item or transaction which is not subject to taxation under
 444 Article 1 of this chapter shall be subject to a tax imposed under this article, except that a
 445 tax imposed under this article shall not apply to:

- 446 (1) The sale or use of any type of fuel used for off-road heavy-duty equipment, off-road
 447 farm or agricultural equipment, or locomotives;
- 448 (2) The sale or use of jet fuel to or by a qualifying airline at a qualifying airport, as such
 449 terms are defined in paragraph (33.1) of Code Section 48-8-3;
- 450 (3) The sale or use of fuel that is used for propulsion of motor vehicles on the public
 451 highways;
- 452 (4) The sale or use of energy used in the manufacturing or processing of tangible goods
 453 primarily for resale, as such sale or use is described in Code Section 48-8-3.2;
- 454 (5) The sale or use of motor fuel, as defined under paragraph (9) of Code Section 48-9-2,
 455 for public mass transit; or
- 456 (6) The purchase or lease of any motor vehicle pursuant to Code Section 48-5C-1.
- 457 (b) Except as otherwise specifically provided in this article, the tax imposed pursuant to
 458 this article shall be subject to any sales and use tax exemption which is otherwise imposed
 459 by law; provided, however, that the tax levied by this article shall be applicable to the sale
 460 of food and food ingredients as provided for in paragraph (57) of Code Section 48-8-3.

461 48-8-269.51.

462 Where a local sales or use tax has been paid with respect to tangible personal property by
 463 the purchaser either in another local tax jurisdiction within this state or in a tax jurisdiction
 464 outside this state, the tax may be credited against the tax authorized to be imposed by this
 465 article upon the same property. If the amount of sales or use tax so paid is less than the
 466 amount of the tax due under this article, the purchaser shall pay an amount equal to the
 467 difference between the amount paid in the other tax jurisdiction and the amount due under
 468 this article. The commissioner may require such proof of payment in another local tax
 469 jurisdiction as he or she deems necessary and proper. No credit shall be granted, however,
 470 against the tax under this article for tax paid in another jurisdiction if the tax paid in such
 471 other jurisdiction is used to obtain a credit against any other local sales and use tax levied
 472 in the county or in a special district which includes the county.

473 48-8-269.52.

474 No tax shall be imposed upon the sale of tangible personal property which is ordered by
 475 and delivered to the purchaser at a point outside the geographical area of the special district
 476 in which the tax is imposed regardless of the point at which title passes, if the delivery is
 477 made by the seller's vehicle, United States mail, or common carrier or by private or contract
 478 carrier.

479 48-8-269.53.

480 The commissioner shall have the power and authority to promulgate such rules and
 481 regulations as shall be necessary for the effective and efficient administration and
 482 enforcement of the collection of the tax.

483 48-8-269.54.

484 Except as provided in Code Section 48-8-6, the tax authorized under this part shall be in
 485 addition to any other local sales and use tax. Except as otherwise provided in this article
 486 and except as provided in Code Section 48-8-6, the imposition of any other local sales and
 487 use tax within a county or qualified municipality within a special district shall not affect
 488 the authority of a county to impose the tax authorized under this article, and the imposition
 489 of the tax authorized under this article shall not affect the imposition of any otherwise
 490 authorized local sales and use tax within the special district.

491 48-8-269.55.

492 (a)(1) The proceeds received from the tax shall be used by the county and qualified
 493 municipalities within the special district exclusively for the transit projects specified in
 494 the resolution calling for imposition of the tax. Such proceeds shall be kept in a separate
 495 account from other funds of any county or qualified municipality receiving proceeds of
 496 the tax and shall not in any manner be commingled with other funds of any county or
 497 qualified municipality prior to the expenditure.

498 (2) The governing authority of each county and the governing authority of each qualified
 499 municipality receiving any proceeds from the tax under this article shall maintain a record
 500 of each and every purpose for which the proceeds of the tax are used. A schedule shall
 501 be included in each annual audit which shows for each purpose in the resolution calling
 502 for imposition of the tax the original estimated cost, the current estimated cost if it is not
 503 the original estimated cost, amounts expended in prior years, and amounts expended in
 504 the current year. The state auditor shall verify and test expenditures sufficient to provide
 505 assurances that the schedule is fairly presented in relation to the financial statements. The
 506 state auditor's report on the financial statements shall include an opinion, or disclaimer
 507 of opinion, as to whether the schedule is presented fairly in all material respects in
 508 relation to the financial statements taken as a whole.

509 (b) No general obligation debt shall be issued in conjunction with the imposition of the tax
 510 unless the county or qualified municipality governing authority determines that, and if the
 511 debt is to be validated it is demonstrated in the validation proceedings that, during each
 512 year in which any payment of principal or interest on the debt comes due, the county or
 513 qualified municipality will receive from the tax net proceeds sufficient to fully satisfy such

514 liability. General obligation debt issued under this article shall be payable first from the
 515 separate account in which are placed the proceeds received by the county or qualified
 516 municipality from the tax. Such debt, however, shall constitute a pledge of the full faith,
 517 credit, and taxing power of the county or qualified municipality; and any liability on such
 518 debt which is not satisfied from the proceeds of the tax shall be satisfied from the general
 519 funds of the county or qualified municipality.

520 (c) The intergovernmental agreement, if applicable, and resolution calling for the
 521 imposition of the tax may specify that all of the proceeds of the tax will be used for
 522 payment of general obligation debt issued in conjunction with the imposition of the tax,
 523 and, in that event, such proceeds shall be solely for such purpose except as otherwise
 524 provided in subsection (f) of this Code section.

525 (d) The intergovernmental agreement, if applicable, and resolution calling for the
 526 imposition of the tax may specify that a part of the proceeds of the tax will be used for
 527 payment of general obligation debt issued in conjunction with the imposition of the tax.
 528 The intergovernmental agreement, if applicable, and resolution shall specifically state the
 529 other purposes for which such proceeds will be used. In such a case, no part of the net
 530 proceeds from the tax received in any year shall be used for such other purposes until all
 531 debt service requirements of the general obligation debt for that year have first been
 532 satisfied from the account in which the proceeds of the tax are placed.

533 (e) The resolution calling for the imposition of the tax may specify that no general
 534 obligation debt is to be issued in conjunction with the imposition of the tax. The
 535 intergovernmental agreement, if applicable, and resolution shall specifically state the
 536 purpose or purposes for which the proceeds will be used.

537 (f)(1)(A) If the proceeds of the tax are specified to be used solely for the purpose of
 538 payment of general obligation debt issued in conjunction with the imposition of the tax,
 539 then any net proceeds of the tax in excess of the amount required for final payment of
 540 such debt may be used for additional transit projects selected from the regional transit
 541 plan and through agreement with the authority, provided that an intergovernmental
 542 agreement meeting the requirements set forth in paragraph (2) of subsection (b) of Code
 543 Section 48-8-269.43 has been entered into if such an intergovernmental agreement was
 544 previously entered into prior to the imposition of the tax. If a subsequent
 545 intergovernmental agreement required by this subparagraph or an agreement with the
 546 authority regarding additional transit projects to be funded with any excess net proceeds
 547 is not entered into, then such excess proceeds shall be subject to and applied as
 548 provided in paragraph (2) of this subsection.

549 (B) If the special district receives from the tax net proceeds in excess of the maximum
 550 cost of the transit projects stated in the resolution calling for the imposition of the tax

551 or in excess of the actual cost of such projects, then such excess proceeds may be used
 552 for additional transit projects selected from the regional transit plan and through
 553 agreement with the authority, provided that an intergovernmental agreement meeting
 554 the requirements set forth in paragraph (2) of subsection (b) of Code Section
 555 48-8-269.43 has been entered into if such an intergovernmental agreement was
 556 previously entered into prior to the imposition of the tax. If a subsequent
 557 intergovernmental agreement required by this subparagraph or an agreement with the
 558 authority regarding additional transit projects to be funded with the excess proceeds is
 559 not entered into, then such excess proceeds shall be subject to and applied as provided
 560 in paragraph (2) of this subsection unless otherwise specified in the intergovernmental
 561 agreement, if applicable.

562 (2) Except as provided in paragraph (1) of this subsection, excess proceeds shall be used
 563 solely for the purpose of reducing any indebtedness of any county or qualified
 564 municipality within the special district other than indebtedness incurred pursuant to this
 565 article. If there is no such other indebtedness or if the excess proceeds exceed the amount
 566 of any such other indebtedness, then the excess proceeds shall next be paid into the
 567 general fund of such county or qualified municipality, it being the intent that any funds
 568 so paid into the general fund of such county or qualified municipality be used for the
 569 purpose of reducing ad valorem taxes.

570 48-8-269.56.

571 Not later than December 31 of each year, the governing authority of the county and each
 572 qualified municipality receiving any proceeds from the tax under this part shall publish
 573 annually, in a newspaper of general circulation in the boundaries of such county or
 574 qualified municipality, if applicable, a simple, nontechnical report which shows for each
 575 purpose in the resolution calling for the imposition of the tax the original estimated cost,
 576 the current estimated cost if it is not the original estimated cost, amounts expended in prior
 577 years, and amounts expended in the current year. The report shall also include a statement
 578 of what corrective action the county or qualified municipality, if applicable, intends to
 579 implement with respect to each purpose which is underfunded or behind schedule and a
 580 statement of any surplus funds which have not been expended for a purpose."

581 **SECTION 1-7.**

582 Said title is further amended by adding a new article to Chapter 13, relating to specific,
 583 business, and occupation taxes, to read as follows:

1265 (2) As one method of providing the financial participation determined by the board of

1267 financing a rapid transit project or projects, Cobb County may, in the manner prescribed
1268 by law and subject to the conditions and limitations prescribed by law, issue its general
1269 obligation bonds, pay over the proceeds thereof to the authority, and thereby complete
1270 and make final the execution of the proposed rapid transit contract anticipated by such
1271 bond authorization and issuance and the authority shall agree in such contract to perform
1272 for such local government the aforesaid governmental function and to provide specified
1273 public transportation services and facilities.

1276 of financing a rapid transit project or projects, Cobb County may enter into a rapid transit
1277 contract or contracts calling for the authority to perform for it the aforesaid governmental

1283 reserves to insure the payment of said debt service and to provide for renewals,
1284 extensions, repairs and improvements and additions to the rapid transit system, and
1285 amounts required to defray any operational deficit which the system or any part thereof
1286 may incur from time to time.

1287 (c) The board of commissioners of Cobb County, subject to the conditions provided in this
 1288 Code section, shall be authorized to enter into a rapid transit contract for and on behalf of
 1289 said district with the authority for the provision of the aforesaid services and extension of
 1290 the existing system to and from and within said district subject to approval by a majority
 1291 of the qualified voters within said district voting in a referendum as provided for in
 1292 subsection (d) of this Code section. As conditions precedent to the board of commissioners
 1293 of Cobb County holding such referendum:

1294 (1) The rapid transit service to be provided through the execution of a rapid transit
 1295 contract shall be from the regional transit plan and approved by the Atlanta-regional
 1296 Transit Link 'ATL' Authority; and

1297 (2) The Rapid Transit Contract and Assistance Agreement by and between the authority,
 1298 the Counties of Fulton and DeKalb and the City, dated September 1, 1971, as amended,
 1299 must first be amended to provide that any rapid transit contract between Cobb County on
 1300 behalf of the South Cobb County Transportation District and the authority which requires
 1301 Cobb County to levy the sales and use tax authorized by Code Section 32-9-20 and
 1302 Section 25 of the MARTA Act may be done so throughout the established boundaries of
 1303 the South Cobb County Transportation District and not the entire county.

1304 (d) The procedure for holding the referendum called for in subsection (c) of this Code
 1305 section shall be as follows: There shall be published in a newspaper having general
 1306 circulation throughout the territory of the South Cobb County Transportation District, once

 1310 the proposed rapid transit contract and said notices shall contain the full text of said
 1311 proposed contract, which contract shall set forth the obligations of the parties thereto. It
 1312 is expressly provided, however, that none of the documents or exhibits which are
 1313 incorporated in such contract by reference or are attached to such contract and made a part
 1314 thereof shall be published. Such special election shall be held at all the election districts
 1315 within the territorial limits of the South Cobb County Transportation District. The question
 1316 to be presented to the electorate in any such referendum shall be and shall be stated on the
 1317 ballots or ballot label as follows:

 1327 of Cobb County, in addition to any other person designated by law to receive the same, and
 1328 such board of commissioners shall officially declare the result thereof.

1329 (e) If a majority of those voting in such an election vote in favor of the proposition
 1330 submitted, then the rapid transit contract as approved shall become valid and binding in
 1331 accordance with its terms.

1332 (f) The board of commissioners may elect any method provided in subsection (b) of this
 1333 Code section to finance the participation required of it in whole or in part, and the election
 1334 of one method shall not preclude the election of another method with respect thereto or
 1335 with respect to any additional or supplementary participation determined to be necessary.

1336 (g) When the authority and the board of commissioners of Cobb County have completed
 1337 and fully executed a rapid transit contract in compliance with the requirements of this Code
 1338 section, and the voters shall have approved such contract as herein provided, such contract
 1339 shall constitute participation of the county in the authority and obligation on the part of the
 1340 local government for the payment of which its good faith and credit are pledged, but in no
 1341 other way can the good faith and credit of any local government be pledged with respect
 1342 to a rapid transit contract.

1343 (h) The board of commissioners of Cobb County may use public funds to provide for a
 1344 rapid transit system within the metropolitan area and may levy and collect any taxes
 1345 authorized to it by law to the extent necessary to fulfill the obligations incurred in a rapid
 1346 transit contract or contracts with the authority.

1347 (i) Cobb County may transfer to the authority any property or facilities, or render any
 1348 services, with or without consideration, which may be useful to the establishment,
 1349 operation, or administration of the rapid transit system contemplated hereunder, and may
 1350 contract with the authority for any other purpose incidental to the establishment, operation,
 1351 or administration of such system, or any part or project thereof or the usual facilities related
 1352 thereto.

1353 32-9-20.

1354 In the event Cobb County, acting for and on behalf of the South Cobb County
 1355 Transportation District or any other district that may be created in accordance with
 1356 subsection (a) of Code Section 32-9-19, and the authority enter into a rapid transit contract
 1357 which is approved by a majority of voters within the district created pursuant to standards
 1358 set forth in Code Section 32-9-19, a retail sales and use tax shall be authorized to be levied
 1359 pursuant to the conditions and limitations set forth in Section 25 of the MARTA Act. Such

1360 tax shall be levied only within the geographical area contained within said district. Such
1361 additional tax shall not count toward any local sales tax limitation provided for by Code
1362 Section 48-8-6.

1372 0.25 percent shall be in an increment of 0.05 percent. Any tax imposed under this Code
1373 section shall run concurrently as to duration of the levy with the 1 percent tax currently
1374 levied pursuant to the MARTA Act.

1375 (b) Prior to the call for a referendum authorized by this Code section, the governing
1376 authority of Fulton County shall deliver or mail a written notice to the authority and to the
1377 mayor or chief elected official in each qualified municipality located within such county
1378 and outside the jurisdictional limits of the city. Such notice shall contain the date, time,
1379 place, and purpose of a meeting at which the authority and the governing authority of such
1380 county and of each qualified municipality are to meet to discuss possible projects within
1381 or serving the geographical area of the county which may be funded in whole or in part by
1382 the proceeds of the additional tax authorized by this Code section and the rate of such tax.
1383 The notice shall be delivered or mailed at least ten days prior to the date of the meeting.
1384 The meeting shall be held at least 60 days prior to the issuance of the call for the

1387 tax being imposed under this Code section, the county and qualified municipalities
1388 representing at least 70 percent of the population of Fulton County outside the boundaries
1389 of the city may execute an intergovernmental agreement memorializing their agreement to
1390 the levy of a tax and the rate of such tax; provided, however, that no tax shall be authorized
1391 to be imposed under this Code section if no such intergovernmental agreement is entered
1392 into. An intergovernmental agreement authorized by this subsection shall, at a minimum,
1393 include:

1394 (1) A list of the projects proposed to be funded from the tax which shall be from the
 1395 regional transit plan and approved by the Atlanta-regional Transit Link 'ATL' Authority;
 1396 and

1398 (d) Upon execution of an intergovernmental agreement as provided for in subsection (c)
 1399 of this Code section, the governing authority of Fulton County shall be authorized to enter
 1400 into a rapid transit service contract based upon the conditions agreed to in such
 1401 intergovernmental agreement. Such rapid transit service contract shall incorporate the list
 1402 of projects included in the intergovernmental agreement pursuant to paragraph (1) of
 1403 subsection (c) of this Code section. Such rapid transit contract shall become effective and
 1404 binding only upon passage of a referendum approving the imposition of an additional tax
 1405 held in accordance with the provisions of subsection (e) of this Code section.

1406 (e) Before the additional tax authorized under this Code section shall become valid or the
 1407 rapid transit contract shall become binding, the tax shall be approved by a majority of
 1408 qualified voters in Fulton County residing outside the jurisdictional boundaries of the city
 1409 in a referendum thereon. The procedure for holding the referendum called for in this Code
 1410 section shall be as follows: There shall be published in a newspaper having general
 1411 circulation throughout Fulton County, once each week for four weeks immediately
 1412 preceding the week during which the referendum is to be held, a notice to the electors
 1413 thereof that on the day named therein an election will be held to determine the question of
 1414 whether or not the tax authorized by this Code section should be collected in Fulton County
 1415 for the purpose of expanding and enhancing the rapid transit system. Such election shall

1422 The question shall be published as a part of the aforesaid notice of election. Each such
 1423 election shall be governed, held, and conducted in accordance with the provisions of law

 1431 such election shall be paid by the county.

1432 (f) If a majority of those voting in such an election vote in favor of the proposition
 1433 submitted, then the rapid transit contract between the authority and Fulton County shall be
 1434 binding and the levy and collection of the tax provided for by this Code section shall be
 1435 authorized. All of the proceeds derived from the additional tax provided for by this Code
 1436 section shall be first allocated for payment of the cost of the rapid transit projects
 1437 incorporated in such contract, except as otherwise provided by the terms of such rapid
 1438 transit contract, and thereafter, upon completion and payment of such rapid transit projects,

 1440 authority to provide that the tax collected under this Code section in an amount exceeding
 1441 the cost of the rapid transit projects incorporated in the contract shall be expended solely
 1442 within and for the benefit of Fulton County.

1443 (g) If a majority of those voting in an election provided for by this Code section vote
 1444 against the proposition submitted, Fulton County may elect to resubmit such proposition
 1445 provided that the requirements of this Code section are satisfied.

1446 (h)(1) Except as provided for to the contrary in this Code section, the additional tax
