656 or process a withdrawal is inaccurate or incapable of verification or violates the policies

and procedures of the licensee, the licensee shall, within ten days, require the submission of additional information that can be used to verify the identity of the bettor.

50-27-155.

(a) Licensees shall allow bettors to restrict themselves from placing wagers with the licensee, including limits on amounts wagered, and take reasonable steps to prevent those bettors from placing such wagers. At the request of a bettor, a licensee may share the request with the corporation for the sole purpose of disseminating the request to other licensees.

(b) The corporation shall promulgate rules and regulations that require a licensee to implement responsible sports wagering programs that include comprehensive training on responding to circumstances in which individuals present signs of a gambling disorder.

For purposes of this subsection, the term 'real-time information' shall mean information provided on a commercially reasonable periodic interval.

(g) In addition to its specific rule-making authority under this article, the corporation may promulgate rules and regulations it deems necessary to maintain the integrity of sports wagering in this state and to protect the public interest.
