305 property, as follows:

306 **"ARTICLE 2**

307 49-9-40.

308 As used in this article, the term:

309 (1) 'State property' means any building, land, or other real property owned, leased, or

327 operator as provided in this article and where the agency or department or custodian of  
328 such property determines that such facility can be established without undue inconvenience  
329 to the operation being carried on in such state building or property, the preference accorded  
330 in this article shall require that such vending facility site not be deemed available for letting  
331 to competitive bidders for revenue-producing purposes unless the Commission for the

348 so far as feasible, to blind persons licensed by the Commission for the Blind and the  
349 Visually Impaired or other persons with disabilities licensed by the Georgia Vocational  
350 Rehabilitation Agency as provided in this article; and the head of each department or  
351 agency in control of the maintenance, operation, and protection of state property shall, after  
352 consultation with the Commission for the Blind and the Visually Impaired and the board  
353 and with the approval of the Governor, prescribe regulations designed to assure such  
354 preference (including assignment of vending machine income to achieve and protect such  
355 preference) for such licensed blind persons or other persons with disabilities without  
356 unduly inconveniencing such departments and agencies or adversely affecting the interests  
357 of the state."

358 **SECTION 8.**

359 This Act shall become effective on July 1, 2021.

360 **SECTION 9.**

361 All laws and parts of laws in conflict with this Act are repealed.
