SECTION 15.

399 Said chapter is further amended by revising Code Section 21-2-381, relating to making of
 400 application for absentee ballot, determination of eligibility by ballot clerk, furnishing of
 401 applications to colleges and universities, and persons entitled to make application, as follows:

402 "21-2-381.

403 (a)(1)(A) Except as otherwise provided in Code Section 21-2-219 or for advance
 404 voting described in subsection (d) of Code Section 21-2-385, not more earlier than 180
 405 78 days or less than 11 days prior to the date of the primary or election, or runoff of
 406 either, in which the elector desires to vote, any absentee elector may make, either by
 407 mail, by facsimile transmission, by electronic transmission, or in person in the
 408 registrar's or absentee ballot clerk's office, an application for an official ballot of the
 409 elector's precinct to be voted at such primary, election, or runoff. To be timely
 410 received, an application for an absentee-by-mail ballot shall be received by the board
 411 of registrars or absentee ballot clerk no later than 11 days prior to the primary, election,
 412 or runoff. For advance voting in person, the application shall be made within the time
 413 period set forth in subsection (d) of Code Section 21-2-385.

414 (B) In the case of an elector residing temporarily out of the county or municipality or
 415 a physically disabled elector residing within the county or municipality, the application
 416 for the elector's absentee ballot may, upon satisfactory proof of relationship, be made
 417 by such elector's mother, father, grandparent, aunt, uncle, sister, brother, spouse, son,
 418 daughter, niece, nephew, grandchild, son-in-law, daughter-in-law, mother-in-law,
 419 father-in-law, brother-in-law, or sister-in-law of the age of 18 or over.

420 (C)(i) Any person applying for an absentee-by-mail ballot shall make application in
 421 writing on the form made available by the Secretary of State. In order to confirm the
 422 identity of the voter, such form shall require the elector to provide his or her name,
 423 date of birth, address as registered, address where the elector wishes the ballot to be
 424 mailed, and the number of his or her Georgia driver's license or identification card

425 issued pursuant to Article 5 of Chapter 5 of Title 40. If such elector does not have a
426 Georgia driver's license or identification card issued pursuant to Article 5 of Chapter 5
427 of Title 40, the elector shall affirm this fact in the manner prescribed in the application
428 and the elector shall provide a copy of a form of identification listed in subsection (c)
429 of Code Section 21-2-417. The form made available by the Secretary of State shall
430 include a space to affix a photocopy or electronic image of such identification. The
431 Secretary of State shall develop a manner to allow secure electronic transmission of
432 such form. The application shall be in writing and shall contain sufficient information
433 for proper identification of the elector; the permanent or temporary address of the
434 elector to which the absentee ballot shall be mailed; also include the identity of the
435 primary, election, or runoff in which the elector wishes to vote; and the name and
436 relationship of the person requesting the ballot if other than the elector; and an oath
437 for the elector or relative to sign affirming that the elector is a qualified Georgia
438 elector and the facts presented on the application are true. Submitting false
439 information on an application for an absentee ballot shall be a violation of Code
440 Sections 21-2-560 and 21-2-571.

441 (ii) A blank application for an absentee ballot shall be made available online by the
442 Secretary of State and each election superintendent and registrar, but neither the
443 Secretary of State, election superintendent, board of registrars, other governmental
444 entity, nor employee or agent thereof shall send absentee ballot applications directly
445 to any elector except upon request of such elector or a relative authorized to request
446 an absentee ballot for such elector. No person or entity other than a relative
447 authorized to request an absentee ballot for such elector or a person signing as
448 assisting an illiterate or physically disabled elector shall send any elector an absentee
449 ballot application that is pre-filled with the elector's required information set forth in
450 this subparagraph. No person or entity other than the elector, a relative authorized to
451 request an absentee ballot for such elector, a person signing as assisting an illiterate

452 or physically disabled elector with his or her application, a common carrier charged
453 with returning the ballot application, an absentee ballot clerk, a registrar, or a law
454 enforcement officer in the course of an investigation shall handle or return an elector's
455 completed absentee ballot application. Handling a completed absentee ballot
456 application by any person or entity other than as allowed in this subsection shall be
457 a misdemeanor. Any application for an absentee ballot sent to any elector by any
458 person or entity shall utilize the form of the application made available by the
459 Secretary of State and shall clearly and prominently disclose on the face of the form
460 the name of the person or entity sending the form and a disclaimer that the person or
461 entity is not a governmental entity, that the application is not a ballot, and that
462 completion of the application is not required in order to vote. The disclaimer required
463 by this Code section shall be:

464 (I) Of sufficient font size to be clearly readable by the recipient of the
465 communication;

466 (II) Be contained in a printed box set apart from the other contents of the
467 communication; and

468 (III) Be printed with a reasonable degree of color contrast between the background
469 and the printed disclaimer.

470 (D) Except in the case of physically disabled electors residing in the county or
471 municipality or electors in custody in a jail or other detention facility in the county or
472 municipality, no absentee ballot shall be mailed to an address other than the permanent
473 mailing address of the elector as recorded on the elector's voter registration record or
474 a temporary out-of-county or out-of-municipality address.

475 (E) Relatives applying for absentee ballots for electors must also sign an oath stating
476 that facts in the application are true.

477 (F) If the elector is unable to fill out or sign such elector's own application because of
478 illiteracy or physical disability, the elector shall make such elector's mark, and the

479 person filling in the rest of the application shall sign such person's name below it as a
480 witness.

481 (G) Any elector meeting criteria of advance age or disability specified by rule or
482 regulation of the State Election Board or any elector who is entitled to vote by absentee
483 ballot under the federal Uniformed and Overseas Citizens Absentee Voting Act, 42
484 U.S.C. Section 1973ff, et seq., as amended, may request in writing on one application
485 a ballot for a presidential preference primary held pursuant to Article 5 of this chapter
486 and for a primary as well as for any runoffs resulting therefrom and for the election for
487 which such primary shall nominate candidates as well as any runoffs resulting
488 therefrom. If not so requested by such person, a separate and distinct application shall
489 be required for each primary, run-off primary, election, and run-off election. Except
490 as otherwise provided in this subparagraph, a separate and distinct application for an
491 absentee ballot shall always be required for any special election or special primary.

492 (2) A properly executed registration card submitted under the provisions of
493 subsection (b) of Code Section 21-2-219, if submitted within 180 days of a primary or
494 election in which the registrant is entitled to vote, shall be considered to be an application
495 for an absentee ballot under this Code section, or for a special absentee ballot under Code
496 Section 21-2-381.1, as appropriate.

497 (3) Reserved.

498 (4) In extraordinary circumstances as described in Code Section 21-2-543.1, the registrar
499 or absentee ballot clerk shall determine if the applicants are eligible to vote under this
500 Code section and shall either mail or issue the absentee ballots for the election for
501 representative in the United States Congress to an individual entitled to make application
502 for absentee ballot under subsection (d) of this Code section the same day any such
503 application is received, so long as the application is received by 3:00 P.M., otherwise no
504 later than the next business day following receipt of the application. Any valid absentee
505 ballot shall be accepted and processed so long as the ballot is received by the registrar or

506 absentee ballot clerk not later than 45 days after the ballot is transmitted to the absent
507 uniformed services voter or overseas voter, but in no event later than 11 days following
508 the date of the election.

509 (b)(1) Upon receipt of a timely application for an absentee ballot, a registrar or absentee
510 ballot clerk shall enter thereon the date received. The registrar or absentee ballot clerk
511 shall verify the identity of the applicant and determine, in accordance with the provisions
512 of this chapter, if the applicant is eligible to vote in the primary or election involved. In
513 order to ~~be found eligible to vote an absentee ballot by mail~~ verify the identity of the
514 applicant, the registrar or absentee ballot clerk shall compare the identifying information
515 applicant's name, date of birth, and number of his or her Georgia driver's license or
516 identification card issued pursuant to Article 5 of Chapter 5 of Title 40 on the application
517 with the information on file in the registrar's office ~~and, if the application is signed by the~~
518 ~~elector, compare the signature or mark of the elector on the application with the signature~~
519 ~~or mark of the elector on the elector's voter registration card.~~ If the application does not
520 contain the number of the applicant's Georgia driver's license or identification card issued
521 pursuant to Article 5 of Chapter 5 of Title 40, the registrar or absentee ballot clerk shall
522 verify that the identification provided with the application identifies the applicant. In
523 order to be found eligible to vote an absentee ballot in person at the registrar's office or
524 absentee ballot clerk's office, such person shall show one of the forms of identification
525 listed in Code Section 21-2-417 and the registrar or absentee ballot clerk shall compare
526 the identifying information on the application with the information on file in the
527 registrar's office.

528 (2) If found eligible, the registrar or absentee ballot clerk shall certify by signing in the
529 proper place on the application and then:

530 (A) Shall mail the ballot as provided in this Code section;

531 (B) If the application is made in person, shall issue the ballot to the elector within the
532 confines of the registrar's or absentee ballot clerk's office as required by Code

533 Section 21-2-383 if the ballot is issued during the advance voting period established
534 pursuant to subsection (d) of Code Section 21-2-385; or

535 (C) May deliver the ballot in person to the elector if such elector is confined to a
536 hospital.

537 (3) If found ineligible or if the application is not timely received, the clerk or the board
538 of registrars shall deny the application by writing the reason for rejection in the proper
539 space on the application and shall promptly notify the applicant in writing of the ground
540 of ineligibility, a copy of which notification should be retained on file in the office of the
541 board of registrars or absentee ballot clerk for at least one year. However, an absentee
542 ballot application shall not be rejected solely due to ~~an apparent~~ a mismatch between the
543 ~~signature~~ identifying information of the elector on the application and the ~~signature~~
544 identifying information of the elector on file with the board of registrars. In such cases,
545 the board of registrars or absentee ballot clerk shall send the elector a provisional
546 absentee ballot with the designation 'Provisional Ballot' on the outer oath envelope and
547 information prepared by the Secretary of State as to the process to be followed to cure the
548 ~~signature~~ discrepancy. If such ballot is returned to the board of registrars or absentee
549 ballot clerk prior to the closing of the polls on the day of the primary or election, the
550 elector may cure the ~~signature~~ discrepancy by submitting an affidavit to the board of
551 registrars or absentee ballot clerk along with a copy of one of the forms of identification
552 enumerated in subsection (c) of Code Section 21-2-417 before the close of the period for
553 verifying provisional ballots contained in subsection (c) of Code Section 21-2-419. If the
554 board of registrars or absentee ballot clerk finds the affidavit and identification to be
555 sufficient, the absentee ballot shall be counted as other absentee ballots. If the board of
556 registrars or absentee ballot clerk finds the affidavit and identification to be insufficient,
557 then the procedure contained in Code Section 21-2-386 shall be followed for rejected
558 absentee ballots.

559 (4) If the registrar or clerk is unable to determine the identity of the elector from
560 information given on the application or if the application is not complete or if the oath on
561 the application is not signed, the registrar or clerk should promptly ~~write~~ contact the
562 elector in writing to request the necessary additional information and a signed copy of the
563 oath.

564 (5) In the case of an unregistered applicant who is eligible to register to vote, the clerk
565 or the board shall immediately mail a blank registration card as provided by Code
566 Section 21-2-223, and such applicant, if otherwise qualified, shall be deemed eligible to
567 vote by absentee ballot in such primary or election, if the registration card, properly
568 completed, is returned to the clerk or the board on or before the last day for registering
569 to vote in such primary or election. If the closing date for registration in the primary or
570 election concerned has not passed, the clerk or registrar shall also mail a ballot to the
571 applicant, as soon as it is prepared and available; and the ballot shall be cast in such
572 primary or election if returned to the clerk or board not later than the close of the polls
573 on the day of the primary or election concerned.

574 (c) In those counties or municipalities in which the absentee ballot clerk or board of
575 registrars provides application forms for absentee ballots, the clerk or board shall provide
576 such quantity of the application form to the dean of each college or university located in
577 that county as said dean determines necessary for the students of such college or university.

578 (d)(1) A citizen of the United States permanently residing outside the United States is
579 entitled to make application for an absentee ballot from Georgia and to vote by absentee
580 ballot in any election for presidential electors and United States senator or representative
581 in Congress:

582 (A) If such citizen was last domiciled in Georgia immediately before his or her
583 departure from the United States; and

584 (B) If such citizen could have met all qualifications, except any qualification relating
585 to minimum voting age, to vote in federal elections even though, while residing outside
586 the United States, he or she does not have a place of abode or other address in Georgia.

587 (2) An individual is entitled to make application for an absentee ballot under paragraph
588 (1) of this subsection even if such individual's intent to return to Georgia may be
589 uncertain, as long as:

590 (A) He or she has complied with all applicable Georgia qualifications and requirements
591 which are consistent with 42 U.S.C. Section 1973ff concerning absentee registration for
592 and voting by absentee ballots;

593 (B) He or she does not maintain a domicile, is not registered to vote, and is not voting
594 in any other state or election district of a state or territory or in any territory or
595 possession of the United States; and

596 (C) He or she has a valid passport or card of identity and registration issued under the
597 authority of the Secretary of State of the United States or, in lieu thereof, an alternative
598 form of identification consistent with 42 U.S.C. Section 1973ff and applicable state
599 requirements, if a citizen does not possess a valid passport or card of identity and
600 registration.

601 (e) The State Election Board is authorized to promulgate reasonable rules and regulations
602 for the implementation of paragraph (1) of subsection (a) of this Code section. Said rules
603 and regulations may include provisions for the limitation of opportunities for fraudulent
604 application, including, but not limited to, comparison of voter registration records with
605 death certificates."

606

SECTION 16.

607 Said chapter is further amended by revising Code Section 21-2-382, relating to additional
608 sites as additional registrar's office or place of registration for absentee ballots, as follows:
609 "21-2-382.

610 (a) Any other provisions of this chapter to the contrary notwithstanding, the board of
611 registrars may establish additional sites as additional registrar's offices or places of
612 registration for the purpose of receiving absentee ballots under Code Section 21-2-381 and
613 for the purpose of voting absentee ballots under Code Section 21-2-385, provided that any
614 such site is a branch of the county courthouse, a courthouse annex, a government service
615 center providing general government services, another government building generally
616 accessible to the public, or a location that is used as an election day polling place,
617 notwithstanding that such location is not a government building.

618 (b)(1) A board of registrars or absentee ballot clerk shall establish at least one secure
619 drop box as a means for absentee by mail electors to deliver their ballots to the board of
620 registrars or absentee ballot clerk. A board of registrars or absentee ballot clerk may
621 establish additional secure drop boxes, subject to the limitations of this Code section, but
622 may only establish additional drop boxes totaling the lesser of either one drop box for
623 every 100,000 active registered voters in the county or the number of advance voting
624 locations in the county. Any additional drop boxes shall be evenly geographically
625 distributed in the county. Drop boxes established pursuant to this Code section shall be
626 established at the office of the board of registrars or absentee ballot clerk or inside
627 locations at which advance voting, as set forth in subsection (d) of Code
628 Section 21-2-385, is conducted in the applicable primary, election, or runoff and may be
629 open during the hours of advance voting at that location. Such drop boxes shall be closed
630 when advance voting is not being conducted at that location. All drop boxes shall be
631 closed when the advance voting period ends, as set forth in subsection (d) of Code
632 Section 21-2-385. The drop box location shall have adequate lighting and be under

633 constant surveillance by an election official or his or her designee, law enforcement
634 official, or licensed security guard.

635 (2) The opening slot of a drop box shall not allow ballots to be tampered with or
636 removed and shall be designed to minimize the ability for liquid or other substances that
637 may damage ballots to be poured into the drop box. A drop box shall be labeled
638 "OFFICIAL ABSENTEE BALLOT DROP BOX" and shall clearly display the signage
639 developed by the Secretary of State pertaining to Georgia law with regard to who is
640 allowed to return absentee ballots and destroying, defacing, or delaying delivery of
641 ballots.

642 (3) The board of registrars or absentee ballot clerk shall arrange for the collecting and
643 return of ballots deposited at each drop box at the conclusion of each day where advance
644 voting takes place. Collection of ballots from a drop box shall be made by a team of at
645 least two people. Any person collecting ballots from a drop box shall have sworn an oath
646 in the same form as the oath for poll officers set forth in Code Section 21-2-95. The
647 collection team shall complete and sign a ballot transfer form upon removing the ballots
648 from the drop box which shall include the date, time, location, number of ballots,
649 confirmation that the drop box was locked after the removal of the ballots, and the
650 identity of each person collecting the ballots. The collection team shall then immediately
651 transfer the ballots to the board of registrars or absentee ballot clerk, who shall process
652 and store the ballots in the same manner as absentee ballots returned by mail are
653 processed and stored. The board of registrars, absentee ballot clerk, or a designee of the
654 board of registrars or absentee ballot clerk shall sign the ballot transfer form upon receipt
655 of the ballots from the collection team. Such form shall be considered a public record
656 pursuant to Code Section 50-18-70.

657 (4) At the beginning of voting at each advance location where a drop box is present, the
658 manager of the advance voting location shall open the drop box and confirm on the
659 reconciliation form for that advance voting location that the drop box is empty. If the

660 drop box is not empty, the manager shall secure the contents of the drop box and
 661 immediately inform the election superintendent, board of registrars, or absentee ballot
 662 clerk, who shall inform the Secretary of State.

663 (b)(c) Any other provisions of this chapter to the contrary notwithstanding, in all counties
 664 of this state having a population of 550,000 or more according to the United States
 665 decennial census of 1990 or any future such census, any branch of the county courthouse
 666 or courthouse annex established within any such county shall be an additional registrar's
 667 or absentee ballot clerk's office or place of registration for the purpose of receiving
 668 absentee ballots under Code Section 21-2-381 and for the purpose of voting absentee
 669 ballots under Code Section 21-2-385."

670 **SECTION 17.**

 674 ballots, as follows:

676 (a)(1) The superintendent shall, in consultation with the board of registrars or absentee
 677 ballot clerk, prepare, obtain, and deliver before the date specified in paragraph (2) of this

725 applicant is determined to be eligible, the board of registrars or absentee ballot clerk may
726 deliver the absentee ballot to such elector.

727 (5) In the event an absentee ballot which has been mailed by the board of registrars or
728 absentee ballot clerk is not received by the applicant, the applicant may notify the board
729 of registrars or absentee ballot clerk and sign an affidavit stating that the absentee ballot
730 has not been received. The board of registrars or absentee ballot clerk shall then issue a
731 second absentee ballot to the applicant and cancel the original ballot issued. The affidavit
732 shall be attached to the original application. A second application for an absentee ballot

772 instructions stating that the elector shall mark his or her ballot in private and sign the oath
773 under penalty of false swearing that the elector has not allowed any person to observe the
774 marking of his or her ballot other than those persons authorized by law to assist electors in
775 voting and that the elector will not permit any unauthorized person to deliver or return the
776 voted ballot to the board of registrars. The uniform instructions shall include a list of

 795 how this ballot was voted except those authorized to assist electors under state and
 796 federal law; and that I will not give or transfer this ballot to any person not authorized
 797 by law to deliver or return absentee ballots. I understand that the offer or acceptance

845 that of the ballots used in the general primary and general election. The Secretary of

885 feasible, for use in municipal primaries, elections, and runoffs. If no preference is stated,
886 the ballot shall be transmitted by mail. The State Election Board shall by rule or
887 regulation establish procedures to ensure to the extent practicable that the procedures for

SECTION 18.

895 Said chapter is further amended by revising subsections (a) and (d) of Code Section
896 21-2-385, relating to procedure for voting by absentee ballot and advance voting, as follows:

H. B. 531 (SUB)

897 "(a) At any time after receiving an official absentee ballot, but before the day of the
898 primary or election, except electors who are confined to a hospital on the day of the
899 primary or election, the elector shall vote his or her absentee ballot, then fold the ballot and
900 enclose and securely seal the same in the envelope on which is printed 'Official Absentee
901 Ballot.' This envelope shall then be placed in the second one, on which is printed the form
902 of the oath of the elector; the name and oath of the person assisting, if any; and other
903 required identifying information. The elector shall then fill out, subscribe, and swear to the
904 oath printed on such envelope. In order to verify that the absentee ballot was voted by the
905 elector who requested the ballot, the elector shall print the number of his or her Georgia
906 driver's license number or identification card issued pursuant to Article 5 of Chapter 5 of
907 Title 40 in the space provided on the outer oath envelope. The elector shall also print his
908 or her date of birth in the space provided in the outer oath envelope. If the elector does not
909 have a Georgia driver's license or state identification card issued pursuant to Article 5 of
910 Chapter 5 of Title 40, the elector shall so affirm in the space provided on the outer oath
911 envelope and print the last four digits of his or her social security number in the space
912 provided on the outer oath envelope. If the elector does not have a Georgia driver's license,
913 identification card issued pursuant to Article 5 of Chapter 5 of Title 40, or a social security
914 number, the elector shall so affirm in the space provided on the outer oath envelope and
915 place a copy of one of the forms of identification set forth in subsection (c) of Code
916 Section 21-2-417. Such envelope shall then be securely sealed and the elector shall then
917 personally mail or personally deliver same to the board of registrars or absentee ballot
918 clerk, provided that mailing or delivery may be made by the elector's mother, father,
919 grandparent, aunt, uncle, brother, sister, spouse, son, daughter, niece, nephew, grandchild,
920 son-in-law, daughter-in-law, mother-in-law, father-in-law, brother-in-law, sister-in-law, or
921 an individual residing in the household of such elector. The absentee ballot of a disabled
922 elector may be mailed or delivered by the caregiver of such disabled elector, regardless of
923 whether such caregiver resides in such disabled elector's household. The absentee ballot

924 of an elector who is in custody in a jail or other detention facility may be mailed or
 925 delivered by any employee of such jail or facility having custody of such elector. An
 926 elector who is confined to a hospital on a primary or election day to whom an absentee
 927 ballot is delivered by the registrar or absentee ballot clerk shall then and there vote the
 928 ballot, seal it properly, and return it to the registrar or absentee ballot clerk. If the elector
 929 registered to vote for the first time in this state by mail and has not previously provided the
 930 identification required by Code Section 21-2-220 and votes for the first time by absentee
 931 ballot and fails to provide the identification required by Code Section 21-2-220 with such
 932 absentee ballot, such absentee ballot shall be treated as a provisional ballot and shall be
 933 counted only if the registrars are able to verify the identification and registration of the
 934 elector during the time provided pursuant to Code Section 21-2-419."

935 "(d)(1) There shall be a period of advance voting that shall commence:

936 (A) On the fourth Monday immediately prior to each primary or election; and

937 ~~(B) On the fourth Monday immediately prior to a runoff from a general primary;~~

938 ~~(C) On the fourth Monday immediately prior to a runoff from a general election in
 939 which there are candidates for a federal office on the ballot in the runoff; and~~

940 ~~(D)(B) As soon as possible prior to a runoff from any other general primary or election
 941 in which there are only state or county candidates on the ballot in the runoff but no later
 942 than the second Monday immediately prior to such runoff~~

943 and shall end on the Friday immediately prior to each primary, election, or runoff.

944 Voting shall be conducted ~~during normal business hours~~ beginning at 9:00 A.M. and
 945 ending at 5:00 P.M. on weekdays , other than observed state holidays, during such period

946 and shall be conducted on the second Saturday and the registrar shall choose either the
 947 third Saturday or third Sunday prior to a primary or election ~~during the hours of 9:00~~

948 ~~A.M. through 4:00 P.M.~~ beginning at 9:00 A.M. and ending at 5:00 P.M.; provided,

949 however, ~~that in primaries and elections in which there are no federal or state candidates~~
 950 ~~on the ballot, no Saturday voting hours shall be required; and provided, further, that, if~~

951 such second Saturday is a public and legal holiday pursuant to Code Section 1-4-1, if
952 such second Saturday follows a public and legal holiday occurring on the Thursday or
953 Friday immediately preceding such second Saturday, or if such second Saturday
954 immediately precedes a public and legal holiday occurring on the following Sunday or
955 Monday, such advance voting shall not be held on such second Saturday but shall be held
956 on the third Saturday prior to such primary or election beginning at 9:00 A.M. and ending
957 at 5:00 P.M. Except as otherwise provided in this paragraph, ~~counties and municipalities~~
958 the registrars may extend the hours for voting ~~beyond regular business hours~~ to permit
959 advance voting from 7:00 A.M. until 7:00 P.M. and may provide for additional voting
960 locations pursuant to Code Section 21-2-382 to suit the needs of the electors of the
961 jurisdiction at their option; provided, however, that voting shall occur only on the days
962 specified in this paragraph and counties and municipalities shall not be authorized to
963 conduct advance voting on any other days.

964 (2) The registrars or absentee ballot clerk, as appropriate, shall provide reasonable notice
965 to the electors of their jurisdiction of the availability of advance voting as well as the
966 times, dates, and locations at which advance voting will be conducted. In addition, the
967 registrars or absentee ballot clerk shall notify the Secretary of State in the manner
968 prescribed by the Secretary of State of the times, dates, and locations at which advance
969 voting will be conducted.

970 (3) The board of registrars shall publish the dates, times, and locations of the availability
971 of advance voting in its jurisdiction on the homepage of the county's publicly accessible
972 website associated with elections or registrations, or if the county does not have such a
973 website, in a newspaper of general circulation, and by posting in a prominent location in
974 the county, no later than 14 days prior to the beginning of the advance voting period for
975 a general primary, special primary, general election, or special election and no later than
976 seven days prior to the beginning of the advance voting period for any run-off election.
977 Any new advance voting locations added after that deadline shall be published in the

978 same manner as soon as possible. The board of registrars shall not remove any advance
 979 voting location after the notice of such location is published, except in the case of an
 980 emergency or unavoidable event that renders a location unavailable for use. Any changes
 981 that are made due to an emergency or unavoidable event after a notice of a location has
 982 been published shall be published as soon as possible in the same manner set forth in this
 983 paragraph."

984 **SECTION 19.**

985 Said chapter is further amended by revising Code Section 21-2-386, relating to safekeeping,
 986 certification, and validation of absentee ballots, rejection of ballot, delivery of ballots to
 987 manager, duties of managers, precinct returns, and notification of challenged elector, as
 988 follows:

989 "21-2-386.

990 (a)(1)(A) The board of registrars or absentee ballot clerk shall keep safely, unopened,
 991 and stored in a manner that will prevent tampering and unauthorized access all official
 992 absentee ballots received from absentee electors prior to the closing of the polls on the
 993 day of the primary or election except as otherwise provided in this subsection.

994 (B) Upon receipt of each ballot, a registrar or clerk shall write the day and hour of the
 995 receipt of the ballot on its envelope. The registrar or clerk shall then compare the
 996 number of the elector's Georgia driver's license number or state identification card
 997 issued pursuant to Article 5 of Chapter 5 of Title 40 and date of birth entered on the
 998 absentee ballot envelope identifying information on the oath with the same information
 999 ~~on file in his or her office, shall compare the signature or mark on the oath with the~~
 1000 ~~signature or mark on the absentee elector's voter registration card or the most recent~~
 1001 ~~update to such absentee elector's voter registration card and application for absentee~~
 1002 ~~ballot or a facsimile of said signature or mark taken from said card or application, and~~
 1003 ~~shall, if the information and signature appear to be valid and other identifying~~

1004 ~~information appears to be correct, contained in the elector's voter registration records.~~
1005 If the elector has affirmed on the envelope that he or she does not have a Georgia
1006 driver's license or state identification card issued pursuant to Article 5 of Chapter 5 of
1007 Title 40, the registrar or clerk shall compare the last four digits of the elector's social
1008 security number and date of birth entered on the envelope with the same information
1009 contained in the elector's voter registration records. The registrar or clerk shall also
1010 confirm that the elector signed the oath and the person assisting the elector, if any,
1011 signed the required oath. If the elector has signed the elector's oath, the person assisting
1012 has signed the required oath, if applicable, and the identifying information entered on
1013 the absentee ballot envelope matches the same information contained in the elector's
1014 voter registration record, the registrar or clerk shall so certify by signing or initialing
1015 his or her name below the voter's oath. Each elector's name so certified shall be listed
1016 by the registrar or clerk on the numbered list of absentee voters prepared for his or her
1017 precinct.

1018 (C) If the elector has failed to sign the oath, or if the ~~signature~~ identifying information
1019 entered on the absentee ballot envelope does not ~~appear to be valid~~ match the same
1020 information appearing in the elector's voter registration record, or if the elector has
1021 failed to furnish required information or information so furnished does not conform
1022 with that on file in the registrar's or clerk's office, or if the elector is otherwise found
1023 disqualified to vote, the registrar or clerk shall write across the face of the envelope
1024 'Rejected,' giving the reason therefor. The board of registrars or absentee ballot clerk
1025 shall promptly notify the elector of such rejection, a copy of which notification shall be
1026 retained in the files of the board of registrars or absentee ballot clerk for at least two
1027 years. Such elector shall have until the end of the period for verifying provisional
1028 ballots contained in subsection (c) of Code Section 21-2-419 to cure the problem
1029 resulting in the rejection of the ballot. The elector may cure a failure to sign the oath,
1030 ~~an invalid signature~~ nonmatching identifying information, or missing information by

1031 submitting an affidavit to the board of registrars or absentee ballot clerk along with a
1032 copy of one of the forms of identification enumerated in subsection (c) of Code
1033 Section 21-2-417 before the close of such period. The affidavit shall affirm that the
1034 ballot was submitted by the elector, is the elector's ballot, and that the elector is
1035 registered and qualified to vote in the primary, election, or runoff in question. If the
1036 board of registrars or absentee ballot clerk finds the affidavit and identification to be
1037 sufficient, the absentee ballot shall be counted.

1038 (D) An elector who registered to vote by mail, but did not comply with subsection (c)
1039 of Code Section 21-2-220, and who votes for the first time in this state by absentee
1040 ballot shall include with his or her application for an absentee ballot or in the outer oath
1041 envelope of his or her absentee ballot either one of the forms of identification listed in
1042 subsection (a) of Code Section 21-2-417 or a copy of a current utility bill, bank
1043 statement, government check, paycheck, or other government document that shows the
1044 name and address of such elector. If such elector does not provide any of the forms of
1045 identification listed in this subparagraph with his or her application for an absentee
1046 ballot or with the absentee ballot, such absentee ballot shall be deemed to be a
1047 provisional ballot and such ballot shall only be counted if the registrars are able to
1048 verify current and valid identification of the elector as provided in this subparagraph
1049 within the time period for verifying provisional ballots pursuant to Code
1050 Section 21-2-419. The board of registrars or absentee ballot clerk shall promptly notify
1051 the elector that such ballot is deemed a provisional ballot and shall provide information
1052 on the types of identification needed and how and when such identification is to be
1053 submitted to the board of registrars or absentee ballot clerk to verify the ballot.

1054 (E) Three copies of the numbered list of voters shall also be prepared for such rejected
1055 absentee electors, giving the name of the elector and the reason for the rejection in each
1056 case. Three copies of the numbered list of certified absentee voters and three copies of
1057 the numbered list of rejected absentee voters for each precinct shall be turned over to

1058 the poll manager in charge of counting the absentee ballots and shall be distributed as
1059 required by law for numbered lists of voters.

1060 (F) All absentee ballots returned to the board or absentee ballot clerk after the closing
1061 of the polls on the day of the primary or election shall be safely kept unopened by the
1062 board or absentee ballot clerk and then transferred to the appropriate clerk for storage
1063 for the period of time required for the preservation of ballots used at the primary or
1064 election and shall then, without being opened, be destroyed in like manner as the used
1065 ballots of the primary or election. The board of registrars or absentee ballot clerk shall
1066 promptly notify the elector by first-class mail that the elector's ballot was returned too
1067 late to be counted and that the elector will not receive credit for voting in the primary
1068 or election. All such late absentee ballots shall be delivered to the appropriate clerk and
1069 stored as provided in Code Section 21-2-390.

1070 (G) Notwithstanding any provision of this chapter to the contrary, until the United
1071 States Department of Defense notifies the Secretary of State that the Department of
1072 Defense has implemented a system of expedited absentee voting for those electors
1073 covered by this subparagraph, absentee ballots cast in a primary, election, or runoff by
1074 eligible absentee electors who reside outside the county or municipality in which the
1075 primary, election, or runoff is held and are members of the armed forces of the United
1076 States, members of the merchant marine of the United States, spouses or dependents of
1077 members of the armed forces or merchant marine residing with or accompanying such
1078 members, or overseas citizens that are postmarked by the date of such primary, election,
1079 or runoff and are received within the three-day period following such primary, election,
1080 or runoff, if proper in all other respects, shall be valid ballots and shall be counted and
1081 included in the certified election results.

1082 ~~(2)(A) Beginning at 8:00 A.M. on the third Monday prior to and no later than the~~
1083 ~~second Monday prior to~~ ~~After the opening of the polls on the day of the primary,~~
1084 election, or runoff, the ~~registrars or absentee ballot clerks~~ election superintendent shall

1085 be authorized to open the outer oath envelope ~~on which is printed the oath of the elector~~
1086 of absentee ballots that have been verified and accepted pursuant to subparagraph
1087 (a)(1)(B) of this Code section, in such a manner as not to destroy the oath printed
1088 thereon; provided, however, that the registrars or absentee ballot clerk shall not be
1089 authorized to remove the contents of such outer envelope, or to open the inner envelope
1090 marked 'Official Absentee Ballot,' except as otherwise provided in this Code section
1091 and scan the absentee ballot using one or more ballot scanners. At least three persons
1092 who are registrars, deputy registrars, poll workers, or absentee ballot clerks must be
1093 present before commencing; and three persons who are registrars, deputy registrars, or
1094 absentee ballot clerks shall be present at all times while the ~~outer~~ absentee ballot
1095 envelopes are being opened and the absentee ballots are being scanned. ~~After opening~~

1097 ~~tabulating such ballots.~~ However, no person shall tally, tabulate, estimate, or attempt
1098 to tally, tabulate, or estimate or cause the ballot scanner or any other equipment to
1099 produce any tally or tabulate, partial or otherwise, of the absentee ballots cast until the
1100 time for the closing of the polls on the day of the primary, election, or runoff except as
1101 provided in this Code section. Prior to beginning the process set forth in this paragraph,
1102 the superintendent shall provide written notice to the Secretary of State in writing at
1103 least seven days prior to processing and scanning absentee ballots. Such notice shall
1104 contain the dates, start and end times, and location or locations where absentee ballots

1116 executive committee, the state executive committee of each political party and political
1117 body having candidates whose names appear on the ballot for such election shall have
1118 the right to designate two persons and each independent and nonpartisan candidate
1119 whose name appears on the ballot for such election shall have the right to designate one
1120 person to act as monitors for such process. In the event that the only issue to be voted
1121 upon in an election is a referendum question, the superintendent shall also notify in
1122 writing the chief judge of the superior court of the county who shall appoint two
1123 electors of the county to monitor such process. While viewing or monitoring the
1124 process set forth in this paragraph, monitors and observers shall be prohibited from:
1125 (i) In any way interfering with the processing or scanning of absentee ballots or the

1135 and scanning of the absentee ballots, whether intentionally or inadvertently, about any
1136 ballot, vote, or selection to anyone other than an election official who needs such
1137 information to lawfully carry out his or her official duties.

1138 (C) The State Election Board shall promulgate rules requiring reconciliation
1139 procedures; prompt and undelayed scanning of ballots after absentee ballot envelopes
1140 are opened; secrecy of election results prior to the closing of the polls on the day of a
1141 primary, election, or runoff; and other protections to protect the integrity of the process
1142 set forth in this paragraph.

1143 (3) A county election superintendent may, in his or her discretion, after 7:00 A.M. on the
1144 day of the primary, election, or runoff ~~open the inner envelopes in accordance with the~~
1145 ~~procedures prescribed in this subsection~~ and begin tabulating the absentee ballots. If the
1146 county election superintendent chooses to open the inner envelopes and begin tabulating
1147 such ballots prior to the close of the polls on the day of the primary, election, or runoff,
1148 the superintendent shall notify in writing, at least seven days prior to the primary,
1149 election, or runoff, the Secretary of State of the superintendent's intent to begin the
1150 absentee ballot tabulation prior to the close of the polls. The county executive committee
1151 or, if there is no organized county executive committee, the state executive committee of
1152 each political party and political body having candidates whose names appear on the

1154 each independent and nonpartisan candidate whose name appears on the ballot for such
1155 election in such county shall have the right to designate one person to act as monitors for
1156 such process. In the event that the only issue to be voted upon in an election is a
1157 referendum question, the superintendent shall also notify in writing the chief judge of the
1158 superior court of the county who shall appoint two electors of the county to monitor such
1159 process.

1160 (4) The county election superintendent shall publish a written notice in the
1161 superintendent's office of the superintendent's intent to begin the absentee ballot
1162 tabulation prior to the close of the polls and publish such notice at least one week prior
1163 to the primary, election, or runoff in the legal organ of the county.

1164 (5) The process for opening ~~the inner~~ absentee ballot envelopes, scanning absentee
1165 ballots, of and tabulating absentee ballots on the day of a primary, election, or runoff as
1166 provided in this subsection shall be ~~a confidential process~~ conducted in a manner to
1167 maintain the secrecy of all ballots and to protect the disclosure of any balloting
1168 information before 7:00 P.M. on election day. No absentee ballots shall be tabulated
1169 before 7:00 A.M. on the day of a primary, election, or runoff.

1170 (6) All persons conducting the tabulation of absentee ballots during the day of a primary,
1171 election, or runoff, including the vote review panel required by Code Section 21-2-483,
1172 and all monitors and observers shall be sequestered until the time for the closing of the
1173 polls. All such persons shall have no contact with the news media; shall have no contact
1174 with other persons not involved in monitoring, observing, or conducting the tabulation;
1175 shall not use any type of communication device including radios, telephones, and cellular
1176 telephones; shall not utilize computers for the purpose of e-mail, instant messaging, or
1177 other forms of communication; and shall not communicate any information concerning
1178 the tabulation until the time for the closing of the polls; provided, however, that
1179 supervisory and technical assistance personnel shall be permitted to enter and leave the
1180 area in which the tabulation is being conducted but shall not communicate any
1181 information concerning the tabulation to anyone other than the county election
1182 superintendent; the staff of the superintendent; those persons conducting, observing, or
1183 monitoring the tabulation; and those persons whose technical assistance is needed for the
1184 tabulation process to operate.

1185 (7) The absentee ballots shall be tabulated in accordance with the procedures of this
1186 chapter for the tabulation of absentee ballots. As such ballots are tabulated, they shall be
1187 placed into locked ballot boxes and may be transferred to locked ballot bags, if needed,
1188 for security. The persons conducting the tabulation of the absentee ballots shall not cause
1189 the tabulating equipment to produce any count, partial or otherwise, of the absentee votes

1190 cast until the time for the closing of the polls except as otherwise provided in this Code
1191 section.

1192 (b) ~~As soon as practicable after 7:00 A.M. on the day of the primary, election, or runoff,~~
1193 ~~in precincts other than those in which optical scanning tabulators are used~~ When requested
1194 by the superintendent, but not earlier than the third Monday prior to a primary, election, or
1195 runoff, a registrar or absentee ballot clerk shall deliver the official absentee ballot of each
1196 certified absentee elector, each rejected absentee ballot, applications for such ballots, and
1197 copies of the numbered lists of certified and rejected absentee electors to the ~~manager in~~
1198 ~~charge of the absentee ballot precinct of the county or municipality, which shall be located~~
1199 ~~in the precincts containing the county courthouse or polling place designated by the~~
1200 ~~municipal superintendent. In those precincts in which optical scanning tabulators are used,~~
1201 ~~such absentee ballots shall be taken to the tabulation center or other place~~ location
1202 designated by the superintendent, and the superintendent or official receiving such absentee
1203 ballots shall issue his or her receipt therefor. Except as otherwise provided in this Code
1204 section, in no event shall the counting of the ballots begin before the polls close.

1205 (c) ~~Except as otherwise provided in this Code section, after the close of the polls on the~~
1206 ~~day of the primary, election, or runoff, a~~ The superintendent shall cause the verified and
1207 accepted absentee ballots to be opened and tabulated as provided in this Code section. A
1208 manager shall then open the outer envelope in such manner as not to destroy the oath
1209 printed thereon and shall deposit the inner envelope marked 'Official Absentee Ballot' in
1210 a ballot box reserved for absentee ballots. In the event that an outer envelope is found to
1211 contain an absentee ballot that is not in an inner envelope, the ballot shall be sealed in an
1212 inner envelope, initialed and dated by the person sealing the inner envelope, and deposited
1213 in the ballot box and counted in the same manner as other absentee ballots, provided that
1214 such ballot is otherwise proper. Such manager with two assistant managers, appointed by
1215 the superintendent, with such clerks as the manager deems necessary shall count the
1216 absentee ballots following the procedures prescribed by this chapter for other ballots,

1217 insofar as practicable, ~~and prepare an election return for the county or municipality~~
1218 ~~showing the results of the absentee ballots cast in such county or municipality.~~

1219 (d) All absentee ballots shall be counted and tabulated in such a manner that returns may
1220 be reported by precinct; and separate returns shall be made for each precinct in which
1221 absentee ballots were cast showing the results by each precinct in which the electors reside.
1222 The superintendent shall utilize the procedures set forth in this Code section to ensure that
1223 the returns of verified and accepted absentee ballots cast are reported to the public as soon
1224 as possible following the closing of the polls on the day of the primary, election, or runoff.

1225 (e) If an absentee elector's right to vote has been challenged for cause, a poll officer shall
1226 write 'Challenged,' the elector's name, and the alleged cause of challenge on the outer
1227 envelope and shall deposit the ballot in a secure, sealed ballot box; and it shall be counted
1228 as other challenged ballots are counted. Where direct recording electronic voting systems
1229 are used for absentee balloting and a challenge to an elector's right to vote is made prior to
1230 the time that the elector votes, the elector shall vote on a paper or optical scanning ballot
1231 and such ballot shall be handled as provided in this subsection. The board of registrars or
1232 absentee ballot clerk shall promptly notify the elector of such challenge.

1233 (f) It shall be unlawful at any time prior to the close of the polls for any person to disclose
1234 or for any person to receive any information regarding the results of the tabulation of
1235 absentee ballots except as expressly provided by law."

1236

SECTION 20.

1237 Said chapter is further amended by revising subsections (c) and (e) of Code
1238 Section 21-2-408, relating to poll watchers, designation, duties, removal for interference with
1239 election, reports by poll watchers of infractions or irregularities, and ineligibility of
1240 candidates to serve as poll watchers, as follows:

1241 "(c) In counties or municipalities using direct recording electronic (DRE) voting systems
1242 or optical scanning voting systems, each political party may appoint two poll watchers in

1243 each primary or election, each political body may appoint two poll watchers in each
1244 election, each nonpartisan candidate may appoint one poll watcher in each nonpartisan
1245 election, and each independent candidate may appoint one poll watcher in each election to
1246 serve in the locations designated by the superintendent within the tabulating center. Such
1247 designated locations shall include the check-in area, the computer room, the duplication
1248 area, and such other areas as the superintendent may deem necessary to the assurance of
1249 fair and honest procedures in the tabulating center. The locations designated by the
1250 superintendent shall ensure that each poll watcher can fairly observe the procedures set
1251 forth in this Code section. The poll watchers provided for in this subsection shall be
1252 appointed and serve in the same manner as other poll watchers."

1253 "(e) No person shall be appointed or be eligible to serve as a poll watcher in any primary
1254 or election in which such person is a candidate. No person shall be eligible to serve as a
1255 poll watcher unless he or she has completed training provided by the political party,
1256 political body, or candidate designating the poll watcher. Upon request, the Secretary of
1257 State shall make available material to each political party, political body, or candidate that
1258 can be utilized in such training but it shall be the responsibility of the political party,
1259 political body, or candidate designating the poll watcher to instruct poll watchers in their
1260 duties and in applicable laws and rules and regulations. Each political party, political body,
1261 or candidate shall, in their written designation of poll watchers, certify under oath that the
1262 named poll watchers have completed the training required by this Code section."

1263 **SECTION 21.**

1264 Said chapter is further amended by revising subsection (a) of Code Section 21-2-414, relating
1265 to restrictions on campaign activities and public opinion polling within the vicinity of a
1266 polling place, cellular phone use prohibited, prohibition of candidates from entering certain
1267 polling places, and penalty, as follows:

H. B. 531 (SUB)

1268 "(a) No person shall solicit votes in any manner or by any means or method, nor shall any
1269 person distribute or display any campaign material, nor shall any person give, offer to give,
1270 or participate in the giving of any money or gifts, including, but not limited to, food and
1271 drink, to an elector, nor shall any person solicit signatures for any petition, nor shall any
1272 person, other than election officials discharging their duties, establish or set up any tables
1273 or booths on any day in which ballots are being cast:

1274 (1) Within 150 feet of the outer edge of any building within which a polling place is
1275 established;

1276 (2) Within any polling place; or

1277 (3) Within 25 feet of any voter standing in line to vote at any polling place.

1278 These restrictions shall not apply to conduct occurring in private offices or areas which
1279 cannot be seen or heard by such electors."

1280

SECTION 22.

1281 Said chapter is further amended by revising Code Section 21-2-419, relating to validation of
1282 provisional ballots and reporting to Secretary of State, as follows:

1283 "21-2-419.

1284 (a) A person shall cast a provisional ballot on the same type of ballot that is utilized by the
1285 county or municipality. Such provisional ballot shall be sealed in double envelopes as
1286 provided in Code Section 21-2-384 and shall be deposited by the person casting such ballot
1287 in a secure, sealed ballot box.

1288 (b) At the earliest time possible after the casting of a provisional ballot, but no later than
1289 the day after the primary or election in which such provisional ballot was cast, the board
1290 of registrars of the county or municipality, as the case may be, shall be notified by the
1291 election superintendent that provisional ballots were cast in the primary or election and the
1292 registrars shall be provided with the documents completed by the person casting the
1293 provisional ballot as provided in Code Section 21-2-418. Provisional ballots shall be

1294 securely maintained by the election superintendent until a determination has been made
1295 concerning their status. The board of registrars shall immediately examine the information
1296 contained on such documents and make a good faith effort to determine whether the person
1297 casting the provisional ballot was entitled to vote in the precinct in which he or she voted
1298 in the primary or election. Such good faith effort shall include a review of all available
1299 voter registration documentation, including registration information made available by the
1300 electors themselves and documentation of modifications or alterations of registration data
1301 showing changes to an elector's registration status. Additional sources of information may
1302 include, but are not limited to, information from the Department of Driver Services,
1303 Department of Family and Children Services, Department of Natural Resources, public
1304 libraries, or any other agency of government including, but not limited to, other county
1305 election and registration offices.

1306 (c)(1) If the registrars determine after the polls close, but not later than three days
1307 following the primary or election, that the person casting the provisional ballot timely
1308 registered to vote and was eligible and entitled to vote in the precinct in which he or she
1309 voted in such primary or election, the registrars shall notify the election superintendent
1310 and the provisional ballot shall be counted and included in the county's or municipality's
1311 certified election results.

1312 ~~(2) If the registrars determine after the polls close, but not later than three days following~~
1313 ~~the primary or election, that the person voting the provisional ballot timely registered and~~
1314 ~~was eligible and entitled to vote in the primary or election but voted in the wrong~~
1315 ~~precinct, then the board of registrars shall notify the election superintendent. The~~
1316 ~~superintendent shall count such person's votes which were cast for candidates in those~~
1317 ~~racess for which the person was entitled to vote but shall not count the votes cast for~~
1318 ~~candidates in those races in which such person was not entitled to vote. The~~
1319 ~~superintendent shall order the proper election official at the tabulating center or precinct~~
1320 ~~to prepare an accurate duplicate ballot containing only those votes cast by such person~~

1321 ~~in those races in which such person was entitled to vote for processing at the tabulating~~
1322 ~~center or precinct, which shall be verified in the presence of a witness. Such duplicate~~
1323 ~~ballot shall be clearly labeled with the word 'Duplicate,' shall bear the designation of the~~
1324 ~~polling place, and shall be given the same serial number as the original ballot. The~~
1325 ~~original ballot shall be retained.~~

1326 (3)(2) If the registrars determine that the person casting the provisional ballot did not
1327 timely register to vote or was not eligible or entitled to vote in the precinct in which he
1328 or she voted in such primary or election or shall be unable to determine within three days
1329 following such primary or election whether such person timely registered to vote and was
1330 eligible and entitled to vote in such primary or election, the registrars shall so notify the
1331 election superintendent and such ballot shall not be counted. The election superintendent
1332 shall mark or otherwise document that such ballot was not counted and shall deliver and
1333 store such ballots with all other ballots and election materials as provided in Code
1334 Section 21-2-500.

1335 (d)(1) At the earliest time possible after a determination is made regarding a provisional
1336 ballot, the board of registrars shall notify in writing those persons whose provisional
1337 ballots were not counted that their ballots were not counted because of the inability of the
1338 registrars to verify that the persons timely registered to vote or other proper reason. The
1339 registrars shall process the official voter registration form completed by such persons
1340 pursuant to Code Section 21-2-418 and shall add such persons to the electors list if found
1341 qualified.

1342 (2) At the earliest time possible after a determination is made regarding a provisional
1343 ballot, the board of registrars shall notify in writing those electors who voted in the wrong
1344 precinct and whose votes were partially counted of their correct precinct.

1345 (e) The board of registrars shall complete a report in a form designated by the Secretary
1346 of State indicating the number of provisional ballots cast and counted in the primary or
1347 election."

1348

SECTION 23.

1349 Said chapter is further amended by revising subsection (d) of Code Section 21-2-437, relating
1350 to procedure as to count and return of votes generally and void ballots, as follows:

1351 "(d) Any ballot marked so as to identify the voter shall be void and not counted, except a
1352 ballot cast by a challenged elector whose name appears on the electors list; such challenged
1353 vote shall be counted as prima facie valid but may be voided in the event of an election
1354 contest. Any ballot marked by anything but pen or pencil shall be void and not counted.
1355 Any erasure, mutilation, or defect in the vote for any candidate shall render void the vote
1356 for such candidate but shall not invalidate the votes cast on the remainder of the ballot, if
1357 otherwise properly marked. If an elector shall mark his or her ballot for more persons for
1358 any nomination or office than there are candidates to be voted for such nomination or
1359 office, or if, for any reason, it may be impossible to determine his or her choice for any
1360 nomination or office, his or her ballot shall not be counted for such nomination or office;
1361 but the ballot shall be counted for all nominations or offices for which it is properly
1362 marked. Unmarked ballots or ballots improperly or defectively marked so that the whole
1363 ballot is void shall be set aside and shall be preserved with other ballots. In primaries,
1364 votes cast for candidates who have died, withdrawn, or been disqualified shall be void and
1365 shall not be counted. Except as provided in subsection (g) of Code Section 21-2-134
1366 regarding nonpartisan elections, in ~~In~~ elections, votes for candidates who have died or been
1367 disqualified shall be void and shall not be counted."

1368

SECTION 24.

1369 Said chapter is further amended by revising subsection (a) of Code Section 21-2-438, relating
1370 to ballots identifying voter, not marked, or improperly marked declared void, as follows:

1371 "(a) Any ballot marked so as to identify the voter shall be void and not counted, except a
1372 ballot cast by a challenged elector whose name appears on the electors list; such challenged
1373 vote shall be counted as prima facie valid but may be voided in the event of an election

1374 contest. Any ballot marked by anything but pen or pencil shall be void and not counted.
 1375 Any erasure, mutilation, or defect in the vote for any candidate shall render void the vote
 1376 for such candidate but shall not invalidate the votes cast on the remainder of the ballot, if
 1377 otherwise properly marked. If an elector shall mark his or her ballot for more persons for
 1378 any nomination or office than there are candidates to be voted for such nomination or
 1379 office, or if, for any reason, it may be impossible to determine his or her choice for any
 1380 nomination or office, his or her ballot shall not be counted for such nomination or office;
 1381 but the ballot shall be counted for all nominations or offices for which it is properly
 1382 marked. Ballots not marked or improperly or defectively marked so that the whole ballot
 1383 is void; shall be set aside and shall be preserved with the other ballots. In primaries, votes
 1384 cast for candidates who have died, withdrawn, or been disqualified shall be void and shall
 1385 not be counted. Except as provided in subsection (g) of Code Section 21-2-134 regarding
 1386 nonpartisan elections, in In elections, votes for candidates who have died or been
 1387 disqualified shall be void and shall not be counted."

1388

SECTION 25.

1389 Said chapter is further amended by revising subsection (f) of Code Section 21-2-483, relating
 1390 to counting of ballots, public accessibility to tabulating center and precincts, execution of
 1391 ballot recap forms, and preparation of duplicate ballots, as follows:

1392 "(f) If it appears that a ballot is so torn, bent, or otherwise defective that it cannot be
 1393 processed by the tabulating machine, the superintendent, in his or her discretion, may order
 1394 ~~the proper election official at the tabulating center or precinct~~ a duplication panel to prepare
 1395 a true duplicate copy for processing ~~with the ballots of the same polling place, which shall~~
 1396 ~~be verified in the presence of a witness.~~ In a partisan election, the duplication panel shall
 1397 be composed of the election superintendent or a designee thereof and one person appointed
 1398 by the county executive committee of each political party having candidates whose names
 1399 appear on the ballot for such election, provided that, if there is no organized county

1400 executive committee for a political party, the person shall be appointed by the state
1401 executive committee of the political party. In a nonpartisan election or an election
1402 involving only the presentation of a question to the electors, the duplication panel shall be
1403 composed of the election superintendent or a designee thereof and two electors of the
1404 county or municipality. In the case of a nonpartisan county or municipal election or an
1405 election involving only the presentation of a question to the electors, the two elector
1406 members of the panel shall be appointed by the chief judge of the superior court of the
1407 county or municipality in which the election is held. In the case of a municipality which
1408 is located in more than one county, the two elector members of the panel shall be appointed
1409 by the chief judge of the superior court of the county in which the city hall of the
1410 municipality is located. The election superintendent may create multiple duplication panels
1411 to handle the processing of such ballots more efficiently. All duplicate ballots shall be
1412 clearly labeled by the word 'duplicate,' shall bear the designation of the polling place, and
1413 shall be given the same serial number as the defective ballot contain a unique number that
1414 will allow such duplicate ballot to be linked back to the original ballot. The defective
1415 ballot shall be retained."

1416

SECTION 26.

1417 Said chapter is further amended by revising subsection (k) of Code Section 21-2-493, relating
1418 to computation, canvassing, and tabulation of returns, investigation of discrepancies in vote
1419 counts, recount procedure, certification of returns, and change in returns, as follows:

1420 "(k) As the returns from each precinct are read, computed, and found to be correct or
1421 corrected as aforesaid, they shall be recorded on the blanks prepared for the purpose until
1422 all the returns from the various precincts which are entitled to be counted shall have been
1423 duly recorded; then they shall be added together, announced, and attested by the assistants
1424 who made and computed the entries respectively and shall be signed by the superintendent.
1425 The consolidated returns shall then be certified by the superintendent in the manner

1426 required by this chapter. Such returns shall be certified by the superintendent not later than
 1427 5:00 P.M. on the ~~second Friday~~ Monday following the date on which such election was
 1428 held and such returns shall be immediately transmitted to the Secretary of State; ~~provided;~~
 1429 ~~however, that such certification date may be extended by the Secretary of State in his or~~
 1430 ~~her discretion if necessary to complete a precertification audit as provided in Code Section~~
 1431 ~~21-2-498."~~

1432 SECTION 27.

1433 Said chapter is further amended by revising Code Section 21-2-501, relating to number of
 1434 votes required for election, as follows:

1435 "21-2-501.

1436 (a)(1) Except as otherwise provided in this Code section, no candidate shall be
 1437 nominated for public office in any primary or special primary or elected to public office
 1438 in any election or special election or shall take or be sworn into such elected public office
 1439 unless such candidate shall have received a majority of the votes cast to fill such
 1440 nomination or public office. In instances where no candidate receives a majority of the
 1441 votes cast, a run-off primary, special primary runoff, run-off election, or special election
 1442 runoff between the candidates receiving the two highest numbers of votes shall be held.
 1443 Unless such date is postponed by a court order, such ~~run-off primary, special primary~~
 1444 ~~runoff, run-off election, or special election runoff~~ shall be held as provided in this
 1445 subsection:

1446 (2) ~~In the case of a runoff from a general primary or a special primary or special election~~
 1447 ~~held in conjunction with a general primary, the runoff shall be held on the Tuesday of the~~
 1448 ~~ninth week following such general primary.~~

1449 (3) ~~In the case of a runoff from a general election for a federal office or a runoff from a~~
 1450 ~~special primary or special election for a federal office held in conjunction with a general~~

1451 ~~election, the runoff shall be held on the Tuesday of the ninth week following such general~~
1452 ~~election.~~

1453 ~~(4) In the case of a runoff from a general election for an office other than a federal office~~
1454 ~~or a runoff from a special primary or special election for an office other than a federal~~
1455 ~~office held in conjunction with a general election, the runoff shall be held on the~~
1456 ~~twenty-eighth day after the day of holding the preceding general or special primary or~~
1457 ~~general or special election.~~

1458 ~~(5) In the case of a runoff from a special primary or special election for a federal office~~
1459 ~~not held in conjunction with a general primary or general election, the runoff shall be held~~
1460 ~~on the Tuesday of the ninth week following such special primary or special election.~~

1461 ~~(6) In the case of a runoff from a special primary or special election for an office other~~
1462 ~~than a federal office not held in conjunction with a general primary or general election,~~
1463 ~~the runoff shall be held on the twenty-eighth day after the day of holding the preceding~~
1464 ~~special primary or special election; provided, however, that, if such runoff is from a~~
1465 ~~special primary or special election held in conjunction with a special primary or special~~
1466 ~~election for a federal office and there is a runoff being conducted for such federal office,~~
1467 ~~the runoff from the special primary or special election conducted for such other office~~
1468 ~~may be held in conjunction with the runoff for the federal office.~~

1469 ~~(7)~~(2) If any candidate eligible to be in a runoff withdraws, dies, or is found to be
1470 ineligible, the remaining candidates receiving the two highest numbers of votes shall be
1471 the candidates in the runoff.

1472 ~~(8)~~(3) The candidate receiving the highest number of the votes cast in such run-off
1473 primary, special primary runoff, run-off election, or special election runoff to fill the
1474 nomination or public office sought shall be declared the winner.

1475 ~~(9)~~(4) The name of a write-in candidate eligible for election in a runoff shall be printed
1476 on the election or special election run-off ballot in the independent column.

1477 ~~(10)(5)~~ The run-off primary, special primary runoff, run-off election, or special election
1478 runoff shall be a continuation of the primary, special primary, election, or special election
1479 for the particular office concerned. Only the electors who ~~were~~ are duly registered to
1480 vote and not subsequently deemed disqualified to vote in the ~~primary, special primary,~~
1481 ~~election, or special election~~ runoff for candidates for that particular office shall be entitled
1482 to vote therein, and only those votes cast for the persons designated as candidates in such
1483 run-off primary, special primary runoff, run-off election, or special election runoff shall
1484 be counted in the tabulation and canvass of the votes cast. No elector shall vote in a
1485 run-off primary or special primary runoff in violation of Code Section 21-2-224.

1486 (b) For the purposes of this subsection, the word 'plurality' shall mean the receiving by one
1487 candidate alone of the highest number of votes cast. If the municipal charter or ordinances
1488 of a municipality as now existing or as amended subsequent to September 1, 1968, provide
1489 that a candidate may be nominated or elected by a plurality of the votes cast to fill such
1490 nomination or public office, such provision shall prevail. Otherwise, no municipal
1491 candidate shall be nominated for public office in any primary or elected to public office in
1492 any election unless such candidate shall have received a majority of the votes cast to fill
1493 such nomination or public office.

1494 (c) In instances in which no municipal candidate receives a majority of the votes cast and
1495 the municipal charter or ordinances do not provide for nomination or election by a plurality
1496 vote, a run-off primary or election shall be held between the candidates receiving the two
1497 highest numbers of votes. Such runoff shall be held on the twenty-eighth day after the day
1498 of holding the first primary or election, unless such run-off date is postponed by court
1499 order; ~~provided, however, that, in the case of a runoff from a municipal special election~~
1500 ~~that is held in conjunction with a special election for a federal office and not in conjunction~~
1501 ~~with a general primary or general election, the municipality may conduct such runoff from~~
1502 ~~such municipal special election on the date of the special election runoff for the federal~~
1503 ~~office. Only the electors entitled to vote in the first primary or election shall be entitled to~~

1504 ~~vote in any run-off primary or election resulting therefrom; provided, however, that no~~ No
1505 elector shall vote in a run-off primary in violation of Code Section 21-2-216. The run-off
1506 primary or election shall be a continuation of the first primary or election, and only those
1507 votes cast for the candidates receiving the two highest numbers of votes in the first primary
1508 or election shall be counted. No write-in votes may be cast in such a primary, run-off
1509 primary, or run-off election. If any candidate eligible to be in a runoff withdraws, dies, or
1510 is found to be ineligible, the remaining candidates receiving the two highest numbers of
1511 votes shall be the candidates in such runoff. The municipal candidate receiving the highest
1512 number of the votes cast in such run-off primary or run-off election to fill the nomination
1513 or public office sought shall be declared the winner. The municipality shall give written
1514 notice to the Secretary of State of such runoff as soon as such municipality certifies the
1515 preceding primary, special primary, election, or special election.

1516 (d) The name of a municipal write-in candidate eligible for election in a municipal runoff
1517 shall be printed on the municipal run-off election ballot in the independent column.

1518 (e) In all cities having a population in excess of 100,000 according to the United States
1519 decennial census of 1980 or any future such census, in order for a municipal candidate to

1521 election, he or she must receive a majority of the votes cast.

1522 (f) Except for presidential electors, to be elected to public office in a general election, a
1523 candidate must receive a majority of the votes cast in an election to fill such public office.
1524 To be elected to the office of presidential electors, no slate of candidates shall be required
1525 to receive a majority of the votes cast, but that slate of candidates shall be elected to such
1526 office which receives the highest number of votes cast."
