36-66-5.1.

(a) To ensure that the general public is afforded due process in an orderly way to petition the courts for review of a local government's exercise of zoning, administrative, or quasi-judicial powers as guaranteed by Article I, Section I, Paragraphs IX and XII of the Constitution, the General Assembly, pursuant to its authority under Article VI, Section IV, Paragraph I of the Constitution, provides the following mechanism by which each of the

powers described in this chapter may be reviewed by the superior court of the county wherein such property is located:

(1) Zoning decisions as described in this chapter, being legislative in nature, shall be subject to direct constitutional challenge regarding the validity of maintaining the existing zoning on the subject property or the validity of conditions or an interim zoning category other than what was requested in the superior court pursuant to its original jurisdiction over declaratory judgments pursuant to Chapter 4 of Title 9 and equity jurisdiction under Title 23. Such challenges shall be by way of a de novo review by the superior court wherein new evidence may be adduced; or

(2) Quasi-judicial decisions as described in this chapter and zoning decisions under subparagraph (E) of paragraph (4) of Code Section 36-66-3 shall be subject to appellate review by the superior court pursuant to its appellate jurisdiction and shall be brought by way of a petition for certiorari pursuant to Chapter 4 of Title 5. Such matters shall be reviewed on the record which shall be brought to the superior court as provided in Code Section 5-4-7.

(b) All such challenges or appeals shall be brought within 30 days of the written decision of the challenged or appealed action.

(c) To ensure that the citizens of this state are not unnecessarily burdened by the certiorari process as a mechanism of appeal, local governments shall designate by ordinance or resolution:

(1) The officer of the quasi-judicial board or agency who shall have authority, without additional board or agency action, to approve and issue the bond and certificate of costs described in subsection (a) of Code Section 5-4-5 and upon whom service of such petition may be effected or accepted on behalf of the members of the board or agency, in their official capacities, as respondents, during normal business hours, at the regular offices of the local government; and

(2) The elected official or his or designee who shall have authority to accept service and upon whom service of an appeal of a quasi-judicial decision may be effected or accepted on behalf of the mayor and council and the chairperson or chief executive officer and board of commissioners, in their official capacities, as defendants, during normal business hours, at the regular offices of the local government.

(d) An appeal or challenge by an opponent filed pursuant to this chapter shall stay all legal proceedings in furtherance of the action appealed from or challenged, unless the local government, officer, board, or agency from which or from whom the appeal or challenge is taken certifies that, by reason of the facts stated in the certificate, a stay would cause imminent peril to life or property. In such actions, the applicant for the zoning decision or the quasi-judicial decision shall be a necessary party and shall be named as a defendant in the action and served in accordance with subsection (b) of Code Section 5-4-6 or Code Section 9-11-4, as appropriate.

36-66-6.

(a) In any local government which has established a planning department or other similar agency charged with the duty of reviewing zoning proposals, such planning department or other agency shall, with respect to each proposed zoning decision involving land that is adjacent to or within 3,000 feet of any military base or military installation or within the 3,000 foot Clear Zone and Accident Prevention Zones Numbers I and II as prescribed in the definition of an Air Installation Compatible Use Zone of a military airport, investigate and make a recommendation with respect to each of the matters enumerated in subsection (b) of this Code section, in addition to any other duties with which the planning department or agency is charged by the local government. The planning department or other agency shall request from the commander of such military base, military installation, or military airport a written recommendation and supporting facts relating to the use of the land being considered in the proposed zoning decision at least 30 days prior to the hearing

required by subsection (a) of Code Section 36-66-4. If the base commander does not submit a response to such request by the date of the public hearing, there shall be a presumption that the proposed zoning decision will not have any adverse effect relative to the matters specified in subsection (b) of this Code section. Any such information provided shall become a part of the public record.

(b) The matters with which the planning department or agency shall be required to make such investigation and recommendation shall be:

(1) Whether the zoning proposal will permit a use that is suitable in view of the use of adjacent or nearby property within 3,000 feet of a military base, military installation, or military airport;

(2) Whether the zoning proposal will adversely affect the existing use or usability of nearby property within 3,000 feet of a military base, military installation, or military airport;

(3) Whether the property to be affected by the zoning proposal has a reasonable economic use as currently zoned;

(4) Whether the zoning proposal will result in a use which will or could cause a safety concern with respect to excessive or burdensome use of existing streets, transportation facilities, utilities, or schools due to the use of nearby property as a military base, military installation, or military airport;

(5) If the local government has an adopted land use plan, whether the zoning proposal is in conformity with the policy and intent of the land use plan; and

(6) Whether there are other existing or changing conditions affecting the use of the nearby property as a military base, military installation, or military airport which give supporting grounds for either approval or disapproval of the zoning proposal."

273 **SECTION 2.**

274 This Act shall become effective on July 1, 2022, and shall apply to all zoning and
275 quasi-judicial decisions occurring on and after that date; however, no zoning or quasi-judicial
276 decision prior to July 1, 2023, shall be rendered invalid or void because of a local
277 government's failure to implement language in their ordinances accomplishing the provisions
278 of Code Section 36-66-5.1.

279 **SECTION 3.**

280 All laws and parts of laws in conflict with this Act are repealed.
