88 (a)(1) The speed limit within any school zone ~~as provided for in Code Section 40-14-8~~
 89 ~~and~~ marked pursuant to Code Section 40-14-6 may be enforced by using photographically
 90 recorded images for violations which occurred only 30 minutes prior to and 30 minutes
 91 after the school's official starting time and 30 minutes prior to and 30 minutes after the
 92 school's official dismissal time and when such violations are in excess of ten miles per
 93 hour over the speed limit; provided, however, that, when any portion of a school's
 94 property is bisected by a highway, such enforcement may occur on a school day during

95 the time in which instructional classes are taking place and one hour before such classes
96 are scheduled to begin and for one hour after such classes have concluded when such
97 violations are in excess of ten miles per hour over the speed limit.

98 (2) Prior to the placement of a device within a school zone, ~~each school within whose~~
99 ~~school zone such~~ the local governing body of the county or municipality whose law
100 enforcement agency shall be authorized to enforce the speed limit where an automated
101 traffic enforcement safety device is to be placed shall first apply for and secure a permit
102 from the Department of Transportation for the use of such automated traffic enforcement
103 safety device. Such permit shall be awarded based upon need. The Department of
104 Transportation shall promulgate rules and regulations for the implementation of this

109 subsection if such vehicle is found, as evidenced by photographically recorded images,
110 to have been operated in disregard or disobedience of the speed limit within any school
111 zone and such disregard or disobedience was not otherwise authorized by law. The
112 amount of such civil monetary penalty shall be \$75.00 for a first violation and \$125.00
113 for a second or any subsequent violation, in addition to fees associated with the electronic
114 processing of such civil monetary penalty which shall not exceed \$25.00; provided,
115 however, that for a period of 30 days after the first automated traffic enforcement safety
116 device is introduced by a law enforcement agency within a school zone, the driver of a
117 motor vehicle shall not be liable for a civil monetary penalty but shall be issued a civil
118 warning for disregard or disobedience of the speed limit within the school zone;

119 (2) A law enforcement agency authorized to enforce the speed limit of a school zone, or
120 an agent working on behalf of a law enforcement agency or governing body, shall send
121 by ~~first class~~ first-class mail addressed to the owner of the motor vehicle within 30 days

122 after obtaining the name and address of the owner of the motor vehicle from the
123 Department of Revenue but no later than 60 days after the date of the alleged violation:

124 (A) A citation for the alleged violation, which shall include the date and time of the
125 violation, the location of the infraction, the maximum speed at which such motor
126 vehicle was traveling in photographically recorded images, the maximum speed
127 applicable within such school zone, the civil warning or the amount of the civil
128 monetary penalty imposed, ~~and~~ the date by which a civil monetary penalty shall be
129 paid, and a statement, in a format provided by the Department of Revenue, that informs
130 the recipient of the consequences for failure to pay the civil monetary penalty and of
131 the process for and any fees associated with renewing a suspended registration;

132 (B) An image taken from the photographically recorded images showing the vehicle
133 involved in the infraction;

134 (C) A website address where photographically recorded images showing the vehicle
135 involved in the infraction and a duplicate of the information provided for in this
136 paragraph may be viewed;

137 (D) A copy of a certificate sworn to or affirmed by a certified peace officer employed
138 by a law enforcement agency authorized to enforce the speed limit of the school zone
139 and stating that, based upon inspection of photographically recorded images, the
140 owner's motor vehicle was operated in disregard or disobedience of the speed limit in
141 the marked school zone and that such disregard or disobedience was not otherwise
142 authorized by law;

143 (E) A statement of the inference provided by paragraph (4) of this subsection and of
144 the means specified therein by which such inference may be rebutted;

145 (F) Information advising the owner of the motor vehicle of the manner in which
146 liability as alleged in the citation may be contested ~~through an administrative hearing;~~
147 and

148 (G) A warning that failure to pay the civil monetary penalty or to contest liability in
149 a timely manner as provided for in subsection (d) of this Code section shall waive any
150 right to contest liability;

151 (3) Proof that a motor vehicle was operated in disregard or disobedience of the speed
152 limit of the marked school zone shall be evidenced by photographically recorded images.
153 A copy of a certificate sworn to or affirmed by a certified peace officer employed by a
154 law enforcement agency and stating that, based upon inspection of photographically
155 recorded images, a motor vehicle was operated in disregard or disobedience of the speed
156 limit in the marked school zone and that such disregard or disobedience was not
157 otherwise authorized by law shall be prima-facie evidence of the facts contained therein;
158 and

159 (4) Liability under this Code section shall be determined based upon a preponderance of
160 the evidence. Prima-facie evidence that the vehicle described in the citation issued
161 pursuant to this Code section was operated in violation of the speed limit of the school
162 zone, together with proof that the defendant was, at the time of such violation, the
163 registered owner of the vehicle, shall permit the trier of fact in its discretion to infer that
164 such owner of the vehicle was the driver of the vehicle at the time of the alleged
165 violation. Such an inference may be rebutted if the owner of the vehicle:

166 (A) Testifies under oath in open court or submits to the court a sworn notarized
167 statement that he or she was not the operator of the vehicle at the time of the alleged
168 violation; or

169 (B) Presents to the court a certified copy of a police report showing that the vehicle had
170 been reported to the police as stolen prior to the time of the alleged violation.

171 (c) A violation for which a civil warning or a civil monetary penalty is imposed pursuant
172 to this Code section shall not be considered a moving traffic violation for the purpose of
173 points assessment under Code Section 40-5-57. Such violation shall be deemed
174 noncriminal, and imposition of a civil warning or civil monetary penalty pursuant to this

175 Code section shall not be deemed a conviction and shall not be made a part of the operating
176 record of the person upon whom such liability is imposed, nor shall it be used for any
177 insurance purposes in the provision of motor vehicle insurance coverage.

178 (d) If a person issued and mailed a citation pursuant to subsection (b) of this Code section
179 fails to pay the civil monetary penalty for the violation or has not filed a police report or
180 notarized statement pursuant to paragraph (4) of subsection (b) of this Code section in no
181 less than 30 nor more than 60 days after such mailing as determined and noticed by the law
182 enforcement agency, the agent or law enforcement agency shall send to such person by ~~first~~
183 ~~class~~ first-class mail a second notice of any unpaid civil monetary penalty, except in cases
184 where there is an adjudication that no violation occurred or there is otherwise a lawful
185 determination that no civil monetary penalty shall be imposed. The second notice shall
186 include all information required in paragraph (2) of subsection (b) of this Code section and
187 shall include a new date of return which shall be no less than 30 days after such mailing as
188 determined and noticed by the law enforcement agency. If such person notified by second
189 notice again fails to pay the civil monetary penalty or file a police report or notarized
190 statement pursuant to paragraph (4) of subsection (b) of this Code section by the new date
191 of return, such person shall have waived the right to contest the violation and shall be liable
192 for the civil monetary penalty provided for under this Code section, except in cases where
193 there is an adjudication that no violation occurred or there is otherwise a lawful
194 determination that no civil monetary penalty shall be imposed.

195 (e) Notices mailed by ~~first-class~~ first-class mail pursuant to this Code section shall be
196 adequate notification of the fees and penalties imposed by this Code section. No other
197 notice shall be required for the purposes of this Code section.

198 (f) Any court having jurisdiction over violations of subsection (a) of this Code section
199 shall have jurisdiction over cases arising under this subsection and shall be authorized to
200 impose the civil monetary penalty provided by this subsection. Except as otherwise
201 provided in this subsection, the provisions of law governing jurisdiction, procedure,

202 defenses, adjudication, appeal, and payment and distribution of penalties otherwise
203 applicable to violations of subsection (a) of this Code section shall apply to enforcement
204 under this Code section except as provided in subsection (b) of this Code section; provided,
205 however, that any appeal from superior or state court shall be by application in the same
206 manner as that provided by Code Section 5-6-35.

207 (g) If a violation has not been contested and the assessed penalty has not been paid, the
208 agent or governing body shall ~~send to the person who is the registered owner of the motor~~
209 ~~vehicle a final notice of any unpaid civil monetary penalty authorized by this Code section,~~
210 ~~except in cases where there is an adjudication that no violation occurred or there is~~
211 ~~otherwise a lawful determination that no civil monetary penalty shall be imposed. The~~
212 ~~notice shall inform the registered owner that the agent or governing body shall send a~~
213 ~~referral to the Department of Revenue if the assessed penalty is not paid within 30 days~~
214 ~~after the final notice was mailed and such that such referral shall result in the nonrenewal~~
215 ~~of the registration of such motor vehicle and shall prohibit the title transfer of such motor~~
216 ~~vehicle within this state~~ inform the Department of Revenue of such and the registration of
217 such motor vehicle shall be suspended immediately by operation of law by the Department
218 of Revenue. Such suspension shall terminate upon submission by the agent or governing
219 body to the department of proof of payment of the civil monetary penalties and fees owed,
220 which proof shall be submitted within 24 hours of such payment in an electronic method
221 provided for by the department, and payment by the owner of a \$50.00 restoration fee. If
222 the restoration fee provided for in this Code section is paid to a county tag agent, the
223 county shall retain \$10.00 thereof as a collection fee.

224 (h) ~~The agent or governing body shall send a referral to the Department of Revenue not~~
225 ~~sooner than 30 days after the final notice required under subsection (g) was mailed if a~~
226 ~~violation of an ordinance or resolution adopted under this article has not been contested and~~
227 ~~the assessed penalty has not been paid. The referral to the Department of Revenue shall~~
228 ~~include the following:~~

- 229 ~~(1) Any information known or available to the agent or governing body concerning the~~
230 ~~license plate number, year of registration, and the name of the owner of the motor~~
231 ~~vehicle;~~
- 232 ~~(2) The date on which the violation occurred;~~
- 233 ~~(3) The date when the notice required under this Code section was mailed; and~~
- 234 ~~(4) The seal, logo, emblem, or electronic seal of the governing body.~~
- 235 ~~(i) If the Department of Revenue receives a referral under subsection (h) of this Code~~
236 ~~section, such referral shall be entered into the motor vehicle database within five days of~~
237 ~~receipt and the Department of Revenue shall refuse to renew the registration of the motor~~
238 ~~vehicle and shall prohibit the title transfer of such vehicle within this state unless and until~~
239 ~~the civil monetary penalty plus any late fee is paid to the governing body. The Department~~
240 ~~of Revenue shall mail a notice to the registered owner:~~
- 241 ~~(1) That the registration of the vehicle involved in the violation will not be permitted to~~
242 ~~be renewed;~~
- 243 ~~(2) That the title of the vehicle involved in the violation will not be permitted to be~~
244 ~~transferred in this state;~~
- 245 ~~(3) That the aforementioned penalties are being imposed due to the failure to pay the~~
246 ~~civil monetary penalty and any late fee for an ordinance violation adopted under the~~
247 ~~authority of this Code section; and~~
- 248 ~~(4) Of the procedure that the person may follow to remove the penalties.~~
- 249 ~~(j) The Department of Revenue shall remove the penalties on a vehicle if any person~~
250 ~~presents the Department of Revenue with adequate proof that the penalty and any late fee,~~
251 ~~if applicable, has been paid.~~
- 252 ~~(k)(h)~~ Recorded images made for purposes of this Code section shall not be a public record
253 for purposes of Article 4 of Chapter 18 of Title 50.

254 ~~(h)~~(i) A civil warning or civil monetary penalty under this Code section on the owner of
255 a motor vehicle shall not be imposed if the operator of the vehicle was arrested or issued
