11 "(c)(1) Each city councilmember shall be elected by a majority vote of the qualified
12 electors of his or her respective city council district voting at the elections of the city. For
13 the purpose of electing the six city councilmembers, there shall be six city council
14 districts. Districts 1, 2, 3, 4, 5, and 6 shall be and correspond to those six numbered
15 districts described in Appendix B attached to and made a part of this Act and further

H. B. 601 (SUB)

Each person desiring to offer as a candidate for city councilmember shall designate the city council district for which he or she is offering.

(2)(A) For the purposes of such plan:

(i) The term 'VTD' shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2020 for the State of Georgia. The separate numeric designations in a district description which are underneath a VTD heading shall mean and describe individual Blocks within a VTD as provided in the report of the Bureau of the Census for the United States decennial census of 2020 for the State of Georgia; and

(ii) Except as otherwise provided in the description of any district, whenever the description of any district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2020 for the State of Georgia.

(B) Any part of the City of Sandy Springs which is not included in any district described in paragraph (1) of this subsection shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2020 for the State of Georgia.

(3) Except for incorporated islands of the City of Sandy Springs, any part of the City of Sandy Springs which is described in paragraph (1) of this subsection as being included in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2020 for the State of Georgia.

(4)(A) Those members of the city council who are serving as such on the effective date of this Act and any person selected to fill a vacancy in any such office shall continue to serve as such members until the regular expiration of their respective terms of office and upon the election and qualification of their respective successors.

(B) Districts 1, 2, 3, 4, 5, and 6, as they exist immediately prior to the effective date of this Act, shall continue to be designated as Districts 1, 2, 3, 4, 5, and 6, respectively, but as newly described under this Act, and on and after the effective date of this Act, such members of the council serving from those former districts shall be deemed to be serving from and representing their respective districts as newly described under this Act."

The city council may provide by ordinance for the provision of insurance, retirement, workers' compensation, and other employee benefits to the mayor and city councilmembers and may provide by ordinance for the reimbursement of expenses actually and necessarily incurred by the mayor and city councilmembers in carrying out their official duties."

SECTION 3.
