10 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

11 **SECTION 1.**

12 Article 3 of Chapter 37 of Title 33 of the Official Code of Georgia Annotated, relating to
13 procedure for rehabilitation, is amended by adding a new Code section to read as follows:

14 "33-37-31.1.

15 (a)(1) For purposes of this Code section, 'guaranty association' means the Georgia Life
16 and Health Insurance Guaranty Association created by Chapter 38 of this title or any

foreign guaranty association as defined in paragraph (10) of Code Section 33-37-3, unless context clearly requires a different construction.

(2) Contracts reinsuring life, disability income, health, or long-term care insurance policies or annuities issued by a ceding insurer that has been placed into liquidation pursuant to this chapter shall be continued, subject to the provisions of this Code section; provided, however, that, contracts terminated pursuant to contractual terms prior to the date of the order of liquidation or terminated pursuant to the order of liquidation shall be subject to the provisions of subsection (i) of this Code section.

(b)(1) At any time within 180 days of the date of the order of liquidation, a guaranty association covering life, disability income, health, or long-term care insurance policies or annuities, in whole or in part, may elect to assume the rights and obligations of the ceding insurer related to such policies under any one or more reinsurance contracts between the ceding insurer and its reinsurers. Any such assumption shall be effective as of the date of the order of liquidation. The election shall be made by a guaranty association or the National Organization of Life and Health Insurance Guaranty Associations on its behalf by sending written notice, return receipt requested, to the affected reinsurers.

(2) To facilitate the decision, the receiver and each affected reinsurer shall make available upon request to any affected guaranty association or to the National Organization of Life and Health Insurance Guaranty Associations on their behalf copies of in-force reinsurance contracts and all related files and records relevant to the determination of whether such contracts should be assumed, and notices of any defaults under the reinsurance contracts or any known event or condition which with the passage of time may become a default under the reinsurance contracts.

(3) For reinsurance contracts assumed by a guaranty association, the following provisions shall apply:

43 (A) The guaranty association shall be responsible for all unpaid premiums due under
44 the reinsurance contracts, for periods both before and after the date of the order of
45 liquidation and shall be responsible for the performance of all other obligations to be
46 performed after the date of the order of liquidation;

47 (B) The guaranty association shall be entitled to any amounts payable by the reinsurer
48 under the reinsurance contracts with respect to losses or events that occur in periods on
49 or after the date of the order of liquidation;

50 (C) The guaranty association and the reinsurer shall, within 30 days following the date
51 of such guaranty association's election to assume a reinsurance contract, calculate the
52 balance due to or from such association under each reinsurance contract as of the date
53 of such election, and such association or reinsurer shall pay any remaining balance due
54 the other within 35 days of the date of such election. Any disputes over the amounts
55 due to such association or reinsurer shall be resolved by arbitration pursuant to the
56 terms of the affected reinsurance contract, or, if the contract contains no arbitration
57 clause, pursuant to the provisions of paragraph (3) of subsection (i) of this Code
58 section; and

59 (D) If the guaranty association or receiver on behalf of such association, within 60 days
60 of the date such association's election to assume a reinsurance contract, pays the unpaid
61 premiums due for periods both before and after the date of such election that are due
62 pursuant to the reinsurance contract, the reinsurer shall not be entitled to terminate the
63 reinsurance contract for failure to pay premiums and shall not be entitled to set off any
64 unpaid amounts due under other contracts, or unpaid amounts due from parties other
65 than such association, against amounts due the such association.

66 (c) When, pursuant to court approval provided for in Code Section 33-37-17, a receiver
67 continues insurance policies or annuities following an order of liquidation, and the policies
68 or annuities are not covered in whole or in part by one or more guaranty associations, the
69 receiver may, within 180 days of the date of the order of liquidation, elect to assume the

rights and obligations of the ceding insurer under any one or more of the reinsurance contracts that relate to the policies or annuities; provided, however, that the contracts have not been terminated as provided for in subsection (a) of this Code section. Such election shall be made by sending written notice, return receipt requested, to the affected reinsurers. After such notification to affected reinsurers has been made, payment of premiums on the reinsurance contracts for the policies and annuities, for periods both before and after the date of the order of liquidation, shall be chargeable against the estate as a Class 1 administrative expense. Amounts paid by the reinsurer on account of losses on the policies and annuities shall be to the estate of the ceding insurer.

(d) During the period from the date of the order of liquidation until the date a guaranty association or the receiver elects to assume the rights and obligations of the ceding insurer under any one or more of the reinsurance contracts that relate to the policies or annuities as provided for in subsection (b) or (c) of this Code section, the guaranty association, the receiver, and the reinsurer shall not have any rights or obligations under any reinsurance contract that is eligible for assumption by such association or the receiver.

(e) When a guaranty association or the receiver timely elected to assume a reinsurance contract as provided for in subsection (b) or (c) of this Code section, the parties' rights and obligations shall be governed by subsection (b) or (c) of this Code section as applicable.

(f) When a guaranty association or the receiver does not timely elect to assume a reinsurance contract pursuant to subsection (b) or (c) of this Code section, the reinsurance contract shall be terminated retroactively effective on the date of the order of liquidation and subsection (i) of this Code section shall apply.

(g) When policies of life, disability income, health, or long-term care insurance or annuities, or the guaranty association's obligations with respect thereto, are transferred to an assuming insurer, reinsurance on the policies or annuities may also be transferred by such association for contracts assumed as provided for in subsection (b) of this Code

96 section, or by the receiver for contracts assumed as provided for in subsection (c) of this
97 Code section; provided, however, that all of the following conditions are met:

98 (1) Unless the reinsurer and the assuming insurer agree otherwise, the reinsurance
99 contract transferred shall not cover any new policies or annuities in addition to those
100 transferred;

101 (2) The obligations described in subsections (b) and (c) of this Code section shall no
102 longer apply with respect to matters arising after the effective date of the transfer; and

103 (3) Notice shall be given in writing, return receipt requested, by the transferring party to
104 the affected reinsurer not less than 30 days prior to the effective date of the transfer.

105 (h) The provisions of this Code section shall, to the extent provided in this Code section,
106 supersede the provisions of law or of any affected reinsurance contract that provides for or
107 requires any payment of reinsurance proceeds, on account of losses or events that occur in
108 periods after the date of the order of liquidation, to the receiver of the ceding insurer or any
109 other person. The receiver shall remain entitled to any amounts payable by the reinsurer
110 under the reinsurance contracts with respect to losses or events that occur in periods prior
111 to the date of the order of liquidation, subject to provisions of this chapter including
112 applicable setoff provisions.

113 (i) When a reinsurance contract is terminated pursuant to this Code section, the reinsurer
114 and the receiver shall commence a mandatory negotiation procedure in accordance with the
115 following procedures:

116 (1) No later than 30 days after the date of termination, each party shall appoint an actuary
117 to determine an estimated sum due as a result of the termination of the reinsurance
118 contract calculated in a way expected to make the parties economically indifferent as to
119 whether the reinsurance contract continues or terminates, giving due regard to the
120 economic effects of the insolvency. The sum shall take into account the present value of
121 future cash flows expected under the reinsurance contract and be based on a gross
122 premium valuation of net liability using current assumptions that reflect post-insolvency

experience expectations, with no additional margins, net of any amounts payable and receivable, with a market value adjustment to reflect premature sale of assets to fund the settlement;

(2) Within 90 days of the date of termination, each party shall provide the other party with its estimate of the sum due as a result of the termination of the reinsurance contract, together with all relevant documents and other information supporting the estimate. The parties shall make a good faith effort to reach an agreement on the sum due;

(3) If the parties are unable to reach agreement within 90 days following the submission of materials as provided for in paragraph (2) of this subsection, either party may initiate arbitration proceedings as provided in the reinsurance contract. When the reinsurance contract does not contain an arbitration clause, either party may initiate arbitration pursuant to this paragraph by providing the other party with a written demand for arbitration. Such arbitration shall be conducted pursuant to the following procedures:

(A) Venue for the arbitration shall be within the county of the court's jurisdiction or another location agreed to by the parties;

(B) Within 30 days of the responding party's receipt of the arbitration demand, each party shall appoint an arbitrator who is a disinterested active or retired officer or executive of a life or health insurance or reinsurance company, or other professional with no less than ten years' experience in or relating to the field of life or health insurance or reinsurance. The two arbitrators shall appoint an independent, impartial, disinterested umpire who is an active or retired officer or executive of a life or health insurance or reinsurance company, or other professional with no less than ten years' experience in the field of life or health insurance or reinsurance. If the arbitrators are unable to agree on an umpire, each arbitrator shall provide the other with the names of three qualified individuals, each arbitrator shall strike two names for the other's list, and the umpire shall be chosen by drawing lots from the remaining individuals;

(C) Within 60 days following the appointment of the umpire, the parties shall submit to the arbitration panel, unless otherwise order by the panel, their estimates of the sum due as a result of the termination of the reinsurance contract, together with all relevant documents and other information supporting the estimate;

(D) The time periods set forth in these subsections may be extended upon mutual agreement of the parties; and

(E) The panel shall have all powers necessary to conduct the arbitration proceedings in a fair and appropriate manner, including the power to request additional information from the parties, authorize discovery, hold hearings and hear testimony. The panel also may appoint independent actuarial experts, the expense of which shall be shared equally between the parties;

(4) An arbitration panel considering the matters set forth in this subsection shall apply the standards set forth in this subsection and shall issue a written award specifying a net settlement amount due from one party or the other as a result of the termination of the reinsurance contract. The receivership court shall confirm that award absent proof of statutory grounds for vacating or modifying arbitration awards under the Federal Arbitration Act, P.L. 68-401; and

(5) If the net settlement amount agreed or awarded as provided for in this subsection is payable by the reinsurer, the reinsurer shall pay the amount due to the estate, subject to any applicable setoff as provided for in Code Section 33-37-29. If the net settlement amount agreed or awarded pursuant to this subsection is payable by the ceding insurer, the reinsurer shall be deemed to have a timely filed claim against the estate for that amount, which claim shall be paid pursuant to the priority provided for in Code Section 33-37-41. The guaranty associations shall not be entitled to receive the net settlement amount, except to the extent they are entitled to share in the estate assets as creditors of the estate, and shall have no responsibility for the net settlement amount.

175 (j) Except as otherwise provided in this Code section, nothing in this Code section shall
176 alter or modify the terms and conditions of any reinsurance contract. Nothing in this Code
177 section shall abrogate or limit any rights of any reinsurer to claim that it is entitled to
178 rescind a reinsurance contract. Nothing in this Code section shall give a policyholder or
179 beneficiary an independent cause of action against a reinsurer that is not otherwise set forth
180 in the reinsurance contract. Nothing in this Code section shall limit or affect any guaranty
181 association's rights as a creditor of the estate against the assets of the estate. Nothing in this
182 Code section shall apply to reinsurance contracts covering property or casualty risks.
183 (k) This Code section and paragraph (20) of Code Section 33-38-7 shall be construed
184 together in a manner that is consistent with each other and with the purpose provided for
185 in Code Section 33-38-1."

186 **SECTION 2.**

187 This Act shall become effective upon its approval by the Governor or upon its becoming law
188 without such approval.

189 **SECTION 3.**

190 All laws and parts of laws in conflict with this Act are repealed.
