34 ~~the business in an amount in excess of \$25,000.00 under such contract to one or more~~
35 ~~subcontractors or joint-venture partners, such department shall report to the state auditor~~
36 ~~the amount of each subcontractor or joint-venture partner with that portion of the business~~
37 ~~awarded to such subcontractor or joint-venture partner, and such amounts shall not be~~
38 ~~listed or included as business of the Department of Transportation awarded to the~~
39 ~~architectural or engineering firm receiving the state contract. The architectural or~~
40 ~~engineering firm shall report to the Department of Transportation, as part of its preaward~~
41 ~~audit conducted by such department, the amount of business in excess of \$25,000.00~~

45 ~~state auditor shall revise the statistics with respect to architectural and engineering firms~~
46 ~~currently doing business with the Department of Transportation with respect to contracts~~
47 ~~outstanding on April 19, 1995, under which all services have not been performed by such~~

49 ~~shall be computed in accordance with the provisions of this subsection crediting~~
50 ~~subcontractors and joint-venture partners with business awarded to them and providing~~
51 ~~that such amounts credited shall not be listed or included as business of the state awarded~~
52 ~~to the architectural or engineering firm receiving the state contract. Such revised~~
53 ~~statistics shall be provided by the contractor within 60 days of April 19, 1995, and, after~~
54 ~~such time, the state auditor shall not be required to revise such statistics.~~

55 ~~(b) Any architectural or engineering firm which has received more than 10 percent of the~~
