

Senator Anavitarte of the 31st offered the following amendment:

1 *Amend the House substitute to SB 97 (LC 39 4383S) by replacing line 14 with the following:*
2 enforced through the use of an automated traffic enforcement safety device; to authorize a
3 local governing body to apply for a permit to operate automated traffic enforcement safety
4 devices; to provide for

5 *By replacing lines 217 through 229 with the following:*

6 Said title is further amended in Code Section 40-14-18, relating to enforcement of speed limit
7 in school zones with recorded images, civil monetary penalty, and consequences for failure
8 to pay penalty, by revising subsection (a) and subsection (c) as follows:

9 "(a)(1) The speed limit within any school zone ~~as provided for in Code Section 40-14-8~~
10 ~~and~~ marked pursuant to Code Section 40-14-6 may be enforced by using ~~photographically~~
11 recorded images for violations which occurred only one hour prior to and one hour after
12 the school's official starting time and one hour prior to and two hours after the school's
13 official dismissal time and when such violations are in excess of ten miles per hour over
14 the speed limit; provided, however, that, when any portion of a school's property is
15 bisected by a highway, such enforcement may occur on a school day during the time in
16 which instructional classes are taking place and one hour before such classes are
17 scheduled to begin and for one hour after such classes have concluded when such
18 violations are in excess of ten miles per hour over the speed limit.

19 (2) Prior to the placement of a an automated traffic enforcement safety device within a
20 school zone, ~~each school within whose school zone such automated traffic enforcement~~
21 ~~safety~~ the governing body of the county or municipal law enforcement agency authorized
22 to enforce the speed limit where such device is to be placed and which holds a valid

23 permit for the operation of speed detection devices issued by the Department of Public
24 Safety pursuant to Code Section 40-14-2 shall first apply for and secure a permit from the
25 Department of Transportation for the use of such automated traffic enforcement safety
26 device. Such permit shall be awarded based upon need. The Department of
27 Transportation shall promulgate rules and regulations for the implementation of this
28 paragraph."
