By: Representative Leverett of the 123rd

A BILL TO BE ENTITLED
AN ACT

1 To provide for the composition and number of state house districts; to provide for a short
2 title; to provide for the contingent nature of this Act and the circumstances under which it
3 shall or shall not apply, according to the enforceability of prior provisions under federal law;
4 to provide for the continuation of present members; to provide a short title; to provide for an
5 effective date; to repeal conflicting laws; and for other purposes.

6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

7 **SECTION 1.**

8 This Act shall be known and may be cited as the "Georgia House of Representatives
9 Redistricting Act of 2023."

10 **SECTION 2.**

11 (a) As used in this Act, the term "2021 House redistricting plan" means the districts for the
12 Georgia State House as described in the Georgia House of Representatives Redistricting
13 Act of 2021, approved December 30, 2021 (Ga. L. 2021, Ex. Sess., p. 5).

14 (b) If, as of 60 days prior to the first day of qualifying for nomination or election to the
15 entire Georgia State House in 2024 or any future year, the 2021 House redistricting plan

H. B. 1EX

16 may lawfully be implemented pursuant to court order or otherwise, then qualifying for the
17 Georgia State House in 2024 or such future year and the ensuing elections shall be
18 conducted according to the 2021 House redistricting plan; and this Act shall not apply to
19 such qualifying or elections or otherwise be of any further force or effect.

20 (c) If, as of 60 days prior to the first day of qualifying for nomination or election to the
21 entire Georgia State House in 2024 or any future year, the 2021 House redistricting plan
22 may not lawfully be implemented, then qualifying for the Georgia State House in 2024 or
23 such future year and the ensuing elections shall be conducted according to the House
24 redistricting plan provided for in this Act.

25 (d) Notwithstanding any provisions of subsections (b) or (c) of this section to the contrary,
26 any special election to fill a vacancy in the Georgia State House occurring after enactment
27 of this Act shall use the same Georgia State House redistricting plan in place during the
28 immediately preceding regular election. Except for the initial adoption of the House
29 redistricting plan provided for in Section 3 of this Act, it is the intention of the General
30 Assembly that any alteration or amendment to the composition of House districts provided
31 for in this Act shall only apply to subsequent bienniums of the General Assembly and that
32 the House redistricting plan used for the regular election of the entire House shall apply for
33 the entire biennium of the General Assembly elected at such regular election.

34 (e) This Act does not repeal or amend the provisions of the Georgia House Redistricting
35 Act of 2021 or the 2021 House redistricting plan; and those provisions are merely
36 suspended pending a final determination of their enforceability by the federal judiciary.

37 **SECTION 3.**

38 (a) Subject to the provisions of Section 2 of this Act, for the purpose of electing members
39 of the House, the State of Georgia is divided into 180 house districts. Such house districts
40 shall be and correspond to those 180 numbered districts described in Appendix A,

41 incorporated into and made a part of this Act and further identified as "User: H123 Plan
42 Name: House-2023 Plan Type: House".

43 (b) For the purposes of such plan:

44 (1) The term "VTD" shall mean and describe the same geographical boundaries as
45 provided in the report of the Bureau of the Census for the United States decennial census
46 of 2020 for the State of Georgia. The separate numeric designations in a district
47 description which are underneath a "VTD" heading shall mean and describe individual
48 Blocks within a VTD as provided in the report of the Bureau of the Census for the United
49 States decennial census of 2020 for the State of Georgia; and

50 (2) Whenever the description of any house district refers to a named county without any
51 additional VTD, it shall mean the geographical boundaries of that county as shown on the
52 census maps for the United States decennial census of 2020 for the State of Georgia.

53 (c) Any part of the State of Georgia which is not included in any house district described
54 in subsection (a) of this section shall be included within that district contiguous to such part
55 which contains the least population according to the United States decennial census of 2020
56 for the State of Georgia.

57 (d) Any part of the State of Georgia which is described in subsection (a) of this section as
58 being included in a particular house district shall nevertheless not be included within such
59 house district if such part is not contiguous to such house district. Such noncontiguous part
60 shall instead be included within that house district contiguous to such part which contains
61 the least population according to the United States decennial census of 2020 for the State
62 of Georgia.

63 (e) The members of the House elected in 2022 shall continue to serve for the terms of
64 office to which they were elected.

65 (f) Subject to Section 2 of this Act, any special election to fill a vacancy in the 157th
66 General Assembly shall use the composition of districts provided for in this Act.

67

SECTION 4.

68 Subject to the provisions of Section 2 of this Act, this Act shall become effective upon its
69 approval by the Governor or upon its becoming law without such approval and shall apply
70 to future elections for the Georgia State House to the extent provided for in Section 2 of this
71 Act.

72

SECTION 5.

73 All laws and parts of laws in conflict with this Act are repealed.
