The procurement of insurance of any type by the commission shall not in any way compromise or limit the immunity granted hereunder.

(2) The commission shall defend any member, officer, executive director, employee, and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred

within the scope of commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

(4) Nothing herein shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(5) Nothing in this compact shall be interpreted to waive or otherwise abrogate a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or regulation.

(6) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the member states or by the commission.

(6) The presence of investigative information; and

(7) Other information that may facilitate the administration of this compact or the protection of the public, as determined by the rules of the commission.

(c) Nothing in this compact shall be deemed or construed to alter, limit, or inhibit the power of a member state to control and maintain ownership of its licensee information or alter, limit, or inhibit the laws or regulations governing licensee information in the member state.

SECTION 9. RULE MAKING

(a) The commission shall exercise its rule making powers pursuant to the criteria set forth in this interstate compact and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(b) The commission shall promulgate reasonable rules to achieve the intent and purpose of this interstate compact. In the event the commission exercises its rule making authority in a manner that is beyond purpose and intent of this interstate compact, or the powers granted hereunder, then such an action by the commission shall be invalid and have no force and effect of law in the member states.

(c) If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

(d) Rules or amendments to the rules shall be adopted or ratified at a regular or special meeting of the commission in accordance with commission rules and bylaws.

(e) Prior to promulgation and adoption of a final rule or rules by the commission, and at least 30 days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rule making:

(1) On the website of the commission or other publicly accessible platform; and

(2) On the website of each member state licensing authority or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

(f) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule with 48 hours' notice, with opportunity to comment, provided that the usual rule making procedures shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of commission or member state funds;

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(4) Protect public health and safety.

SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

(a) Oversight:

(1) The executive and judicial branches of the state government in each member state shall enforce this compact and take all actions necessary and appropriate to implement the compact.

(2) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct or any such similar matter.

(3) The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(b) Default, technical assistance, and termination:

(1) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the commission may take, and shall offer training and specific technical assistance regarding the default.

(2) The commission shall provide a copy of the notice of default to the other member states.

(c) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a supermajority of the delegates of the member states, and all rights, privileges and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(d) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's licensing authority and each of the member states' licensing authorities.

(e) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(f) Upon the termination of a state's membership from this compact, that state shall immediately provide notice to all licensees within that state of such termination. The terminated state shall continue to recognize all licenses granted pursuant to this compact for a minimum of six months after the date of said notice of termination.

(g) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(h) The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

(i) Dispute resolution:

(1) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(2) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(j) Enforcement:

(1) By majority vote as provided by rule, the commission may initiate legal action against a member state in default in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting member state's law.

(2) A member state may initiate legal action against the commission in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) No person other than a member state shall enforce this compact against the commission.

SECTION 11. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

(a) The compact shall come into effect on the date on which the compact statute is enacted into law in the seventh member state.

(1) On or after the effective date of the compact indicated above, the commission shall convene and review the enactment of each of the charter member states to determine if the statute enacted by each such charter member state is materially different than the model compact statute.

(A) A charter member state whose enactment is found to be materially different from the model compact statute shall be entitled to the default process set forth in Section 10.

(B) If any member state is later found to be in default, or is terminated or withdraws from the compact, the commission shall remain in existence and the compact shall remain in effect even if the number of member states should be less than seven.

(2) Member states enacting the compact subsequent to the charter member states shall be subject to the process set forth in paragraph (22) of subsection (c) of Section 7 to determine if their enactments are materially different from the model compact statute and whether they qualify for participation in the compact.

(3) All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the

commission coming into existence shall be considered to be actions of the commission unless specifically repudiated by the commission.

(A) Any state that joins the compact subsequent to the commission's initial adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(B) Any member state may withdraw from this compact by enacting a statute repealing the same.

(b) A member state's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

(c) Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(d) Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all licenses granted pursuant to this compact for a minimum of six months after the date of such notice of withdrawal.

(1) Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

(2) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

584 SECTION 12. CONSTRUCTION AND SEVERABILITY

585 (a) This compact and the commission's rule making authority shall be liberally construed
586 so as to effectuate the purposes, and the implementation and administration of the compact.
587 Provisions of the compact expressly authorizing or requiring the promulgation of rules
588 shall not be construed to limit the commission's rule making authority solely for those
589 purposes.

590 (b) The provisions of this compact shall be severable and if any phrase, clause, sentence
591 or provision of this compact is held by a court of competent jurisdiction to be contrary to

593 United States, or the applicability thereof to any government, agency, person or
594 circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity
595 of the remainder of this compact and the applicability thereof to any other government,
596 agency, person or circumstance shall not be affected thereby.

597 (c) Notwithstanding subsection (b) of this section, the commission may deny a state's
598 participation in the compact or, in accordance with the requirements of subsection (b) of
599 Section 10, terminate a member state's participation in the compact, if it determines that
600 a constitutional requirement of a member state is a material departure from the compact.
601 Otherwise, if this compact shall be held to be contrary to the constitution of any member
602 state, the compact shall remain in full force and effect as to the remaining member states
603 and in full force and effect as to the member state affected as to all severable matters.

604 SECTION 13. CONSISTENT EFFECT AND CONFLICT WITH

605 OTHER STATE LAWS

606 (a) Nothing herein shall prevent or inhibit the enforcement of any other law of a member
607 state that is not inconsistent with the compact.

608 (b) Any laws, statutes, regulations, or other legal requirements in a member state in
609 conflict with the compact are superseded to the extent of the conflict.
