## A RESOLUTION

1 Recognizing every third Thursday in April as Biomedical Research Day; and for other  
2 purposes.

3 WHEREAS, biomedical research plays a crucial role in advancing medical knowledge and  
4 improving healthcare outcomes for both humans and animals, and biomedical research is the  
5 broad area of science that looks for ways to prevent and treat diseases that cause illness and  
6 death in people and in animals; and

7 WHEREAS, animal studies are indispensable for the development of new treatments and  
8 cures that benefit human and animal health alike; and

9 WHEREAS, Biomedical Research Day serves as an opportunity to increase public awareness  
10 about the vital contributions of animals to biomedical research and the resulting medical  
11 advancements; and

12 WHEREAS, it is essential to recognize the dedication and hard work of professionals such  
13 as biomedical technicians, animal care technicians, biomedical veterinarians, veterinary  
14 technicians, and cage wash technicians, who contribute tirelessly to the field of biomedical  
15 research; and

16 WHEREAS, Biomedical Research Day also aims to highlight career opportunities in  
17 biomedical research and laboratory animal care, fostering a research advocacy community  
18 committed to compassionate animal care and the pursuit of scientific knowledge.

19 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that  
20 the members of this body:

- 21 (1) Recognize every third Thursday in April as Biomedical Research Day;
- 22 (2) Acknowledge the importance of animal studies in the development of new treatments  
23 and cures for both human and animal diseases, and we pledge our support for the  
24 compassionate care of animals needed for research purposes;
- 25 (3) Commend the dedication and hard work of biomedical technicians, animal care  
26 technicians, biomedical veterinarians, veterinary technicians, and cage wash technicians,  
27 whose efforts contribute significantly to the advancement of biomedical research;
- 28 (4) Encourage educational initiatives that promote understanding of the vital role animals  
29 play in biomedical research and highlight career opportunities in this field, thereby  
30 fostering a community of advocates for scientific progress and animal welfare; and
- 31 (5) Call upon individuals, organizations, and policymakers to join this body in recognizing  
32 and supporting Biomedical Research Day and its objectives of promoting awareness,  
33 honoring contributions, and advocating for compassionate animal care in biomedical  
34 research.

35 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized  
36 and directed to make appropriate copies of this resolution available for distribution to the  
37 public and the press.
