"ARTICLE 2

48-11-40.

This article shall be known and may be cited as the 'Georgia Nicotine Vapor Products Directory Act.'

48-11-41.

As used in this article, the term:

(1) 'Directory' means the directory of nicotine vapor products the commissioner is required to develop and maintain as provided in this article.

(2) 'FDA' means the United States Food and Drug Administration.

(3) 'Foreign business entity' means an entity formed under a law other than the law of this state.

(4) 'Licensee' means any vapor product dealer, vapor product distributor, vapor product importer, or vapor product manufacturer licensed under Article 1 of this chapter.

(5) 'Nicotine vapor product' means any consumable vapor product that contains any amount of nicotine and any vapor device developed or intended to deliver any consumable vapor product that contains nicotine.

(6) 'Timely filed premarket tobacco product application' means an application pursuant to 21 U.S.C. Section 387j for a nicotine vapor product marketed in the United States as of August 8, 2016, that was submitted to the FDA on or before September 9, 2020, and accepted for filing.

48-11-42.

(a)(1) The commissioner shall develop a process by which vapor product manufacturers can submit the certification required under subsection (b) of this Code section and any other information required under this article to be used to create the directory listing

43 required under Code Section 48-11-43 and for such other purposes as provided in this  
44 article. Such process may include a portal or software application accessible through an  
45 internet website. The commissioner may allow a vapor product manufacturer to file a  
46 single certification for all of its nicotine vapor products or require a separate certification  
47 for each nicotine vapor product.

48 (2) Notwithstanding any law to the contrary, the commissioner shall be authorized to  
49 disclose the certifications and any other information received pursuant to this chapter,  
50 Chapters 13 and 13A of Title 10, and Title 16 with federal, state, or local courts or  
51 agencies for purposes of enforcing the provisions of this chapter, Chapters 13 and 13A  
52 of Title 10, and Title 16, or the corresponding laws of other states.

53 (b) Within 12 months of the effective date of this article, and annually thereafter, every  
54 vapor product manufacturer that sells nicotine vapor products in this state or sells nicotine  
55 vapor products to a licensee shall execute and deliver a certification to the commissioner  
56 in a format prescribed by the commissioner through rules and regulations. In such  
57 certification, the vapor product manufacturer shall attest, under penalty of perjury, as to  
58 each nicotine vapor product:

59 (1) That the vapor product manufacturer in offering such nicotine vapor product for sale  
60 in this state or in selling such nicotine vapor product to a licensee for the purpose of  
61 selling in it in this state is compliant with federal law and this chapter;

62 (2) That the nicotine vapor product does not contain any substance or exceed the quantity  
63 of any substance that is illegal to be sold in this state pursuant to federal law or the laws  
64 of this state;

65 (3)(A) That the vapor product manufacturer has submitted a timely filed premarket  
66 tobacco product application for the nicotine vapor product pursuant to 21 U.S.C.  
67 Section 387j to the FDA, and the application either remains under review by the FDA  
68 or has received a marketing denial order that has been and remains stayed by the FDA  
69 or court order, rescinded by the FDA, or vacated by a court; or

70 (B) That the vapor product manufacturer has received a marketing granted order under  
71 21 U.S.C. Section 387j for the nicotine vapor product from the FDA; and

72 (4) If the nicotine vapor product has undergone a change to its name, brand style, or  
73 packaging since the vapor product manufacturer submitted a timely filed premarket  
74 tobacco product application for such product or since the vapor product manufacturer has  
75 received a marketing granted order from the FDA under 21 U.S.C. Section 387j for such  
76 product, that the vapor product manufacturer is not required, under applicable federal law  
77 or regulation, to submit an additional or supplemental application to or obtain additional  
78 approval from the FDA or any other federal agency for such product to continue to be  
79 marketed in the United States with such change in its name, brand style, or packaging.

80 (c) The certification under subsection (b) of this Code section shall require each vapor  
81 product manufacturer to set forth:

82 (1) The name under which the vapor product manufacturer transacts or intends to  
83 transact business;

84 (2) The license identification information for any license issued to the vapor product  
85 manufacturer by the commissioner under Article 1 of this chapter;

86 (3) The address of the location of the vapor product manufacturer's principal place of  
87 business;

88 (4) The vapor product manufacturer's email address;

89 (5) The brand name, category or type, product name, flavor, and description of each of  
90 such vapor product manufacturer's nicotine vapor product that it seeks to have made part  
91 of the directory; and

92 (6) Such other information as may be required by the commissioner pursuant to rules and  
93 regulations.

94 (d) In addition to the certification required under subsection (b) of this Code section, each  
95 vapor product manufacturer shall submit to the commissioner for each nicotine vapor  
96 product a copy of:

- 97       (1)(A) The cover page of the marketing granted order issued pursuant to 21 U.S.C.  
98       Section 387j;
- 99       (B) A copy of the acceptance letter issued by the FDA pursuant to 21 U.S.C.  
100       Section 387j for a timely filed premarket tobacco product application; or
- 101       (C) A document issued by the FDA or by a court confirming that the premarket  
102       tobacco product application has received a denial order that is not yet in effect; and
- 103       (2) A payment of \$1,000.00 for each nicotine vapor product the first time the vapor  
104       product manufacturer submits a certification for that nicotine vapor product and a  
105       payment of \$250.00 annually thereafter for each such nicotine vapor product.
- 106       (e) The information submitted by the vapor product manufacturer pursuant to  
107       paragraph (1) of subsection (d) of this Code section shall be considered confidential  
108       commercial or financial information for purposes of Article 4 of Chapter 18 of Title 50.  
109       The vapor product manufacturer may redact certain confidential commercial or financial  
110       information provided under paragraph (1) of subsection (d) of this Code section, subject  
111       to approval by the commissioner. The commissioner shall not disclose such information  
112       except as required or authorized by law.
- 113       (f) Any vapor product manufacturer that submits a certification pursuant to subsection (b)  
114       of this Code section shall notify the commissioner within 30 days after any material change  
115       to such certification as to any nicotine vapor product, including, but not limited to:
- 116       (1) Issuance or denial of a marketing authorization or other order by the FDA pursuant  
117       to 21 U.S.C. Section 387j;
- 118       (2) Any other order by the FDA or a court or any action required by the FDA concerning  
119       the content or quality of the nicotine used in a nicotine vapor product requiring a vapor  
120       product manufacturer to remove such nicotine vapor product from the market either  
121       temporarily or permanently;

122 (3) Any notice of action taken by the FDA affecting the ability of the nicotine vapor  
123 product to be introduced or delivered into interstate commerce for commercial  
124 distribution in the United States; or

125 (4) Any other change deemed material by the commissioner pursuant to the rules and  
126 regulations.

127 (g) In the event that amendments to 21 U.S.C. Section 387j or subsequent regulations or  
128 other official federal guidance issued pursuant to 21 U.S.C. Section 387j change  
129 compliance requirements or standards for a nicotine vapor product to become federally  
130 compliant, each vapor product manufacturer of a nicotine vapor product that is sold for  
131 retail sale in this state shall submit documentation to the commissioner substantiating  
132 compliance with such new federal requirements or standards within 30 days of when  
133 compliance with such new federal requirement or standards is mandated. Failure of a  
134 vapor product manufacturer to substantiate compliance with such new federal requirements  
135 or standards shall be grounds for removal of the manufacturer and its nicotine vapor  
136 products from the directory established pursuant to Code Section 48-11-43.

137 (h) The commissioner may by rules and regulations establish a procedure to allow vapor  
138 product manufacturers to renew certifications without having to resubmit all the  
139 information required by this Code section, if there has not been any change as to such  
140 information.

141 48-11-43.

142 (a) The commissioner shall develop and maintain a directory listing all the nicotine vapor  
143 products for which a certification has been submitted that complies with this article. Such  
144 directory listing shall include information as to the vapor product manufacturer that  
145 submitted the certification and may include the status of any marketing authorization,  
146 order, or other action of the FDA or any court provided under subsection (b) of Code  
147 Section 48-11-42. The commissioner shall make the directory available on the

148 department's public website within 14 months of the effective date of this article. The  
149 commissioner on at least a monthly basis shall update the directory to correct mistakes,  
150 ensure accuracy, and add or remove nicotine vapor products as may be necessary. The  
151 commissioner shall establish by rules and regulations a process to provide any vapor  
152 product manufacturer that submits a certification pursuant to Code Section 48-11-42 and  
153 all licensees notice of the initial publication of the directory and changes made to the  
154 directory in the prior month.

155 (b)(1) The commissioner shall provide a vapor product manufacturer with notice of any  
156 deficiencies in the submitted certification and an opportunity to cure such deficiencies  
157 before removing a nicotine vapor product of such vapor product manufacturer from the  
158 directory.

159 (2) The commissioner shall not remove from the directory a nicotine vapor product of  
160 such vapor product manufacturer until at least 15 days after the vapor product  
161 manufacturer has been given notice of such intended action. Notice shall be sufficient  
162 and deemed immediately received by a vapor product manufacturer if the notice is sent  
163 either electronically or by facsimile to an email address or facsimile number provided by  
164 the vapor product manufacturer in its most recent certification form for such nicotine  
165 vapor product.

166 (3) The vapor product manufacturer shall have 15 days from the date of service of the  
167 notice of the commissioner's intended action provided pursuant to paragraph (2) of this  
168 subsection to cure any deficiencies or otherwise establish to the satisfaction of the  
169 commissioner that such nicotine vapor product of such vapor product manufacturer  
170 should be included in the directory.

171 (4) A determination by the commissioner not to include in or to remove from the  
172 directory a nicotine vapor product shall be subject to judicial review in the same manner  
173 as is provided by law for judicial review of contested cases under Chapter 13 of Title 50,  
174 the 'Georgia Administrative Procedure Act.'

175 48-11-44.

176 (a) Beginning on the date that the commissioner first makes the directory available on the  
177 department's public website, nicotine vapor products not included in the directory shall not  
178 be sold or purchased in this state except as provided in this Code section.

179 (b)(1) Each vapor product dealer shall have six months from the date that the  
180 commissioner first makes the directory available on the department's public website to  
181 sell nicotine vapor products that were in its inventory and not included in the directory  
182 or to remove those nicotine vapor products from its inventory and return those nicotine  
183 vapor products to the vapor product manufacturer or vapor product distributor from  
184 whom it was acquired for a full refund.

185 (2) Each vapor product distributor shall have six months from the date that the  
186 commissioner first makes the directory available on the department's public website to  
187 remove those nicotine vapor products intended for sale or purchase in this state from its  
188 inventory and return those nicotine vapor products to the vapor product manufacturer  
189 from whom it was acquired for a full refund.

190 (3) After six months following publication of the directory, nicotine vapor products not  
191 listed in the directory and intended for sale or purchase in this state shall be subject to  
192 seizure, forfeiture, storage, and destruction consistent with the provisions of Code  
193 Section 48-11-48 and shall not be sold or purchased in this state except as otherwise  
194 provided in this article.

195 (c)(1) If a nicotine vapor product is removed from the directory, each vapor product  
196 dealer and vapor product distributor shall have 30 days from the date notice is received  
197 that such nicotine vapor product has been removed from the directory to sell such  
198 nicotine vapor product or remove such nicotine vapor product from its inventory and  
199 return such nicotine vapor product to the vapor product manufacturer from whom it was  
200 acquired for a full refund. Each such nicotine vapor product manufacturer shall provide

201 to the commissioner information regarding the return of such nicotine vapor product  
202 within 21 days after receipt.

203 (2) After 30 days following removal of a nicotine vapor product from the directory, it  
204 shall be unlawful to purchase or sell such nicotine vapor product identified in the notice  
205 of removal in this state and such nicotine vapor product shall be subject to seizure  
206 consistent with the provisions of Code Section 48-11-48. Such prohibition on the  
207 purchase and sale of such nicotine vapor products shall not prohibit the vapor product  
208 manufacturer or vapor product distributor from providing a refund pursuant to this Code  
209 section.

210 48-11-45.

211 Each vapor product dealer and vapor product distributor that sells or distributes vapor  
212 products in this state shall be subject to compliance checks by the department for purposes  
213 of enforcing this article. Unannounced follow-up compliance checks conducted on behalf  
214 of the department of all noncompliant vapor product dealers and vapor product distributors  
215 shall be conducted within 30 days after any violation of this Code section. The  
216 commissioner on an annual basis shall make available on the department's public website  
217 the results of all compliance checks.

218 48-11-46.

219 (a) In addition to any other provision of law, a vapor product dealer or a vapor product  
220 distributor that has a nicotine vapor product that is not included in the directory and is  
221 available for sale or is offered for sale in this state in violation of this article shall be  
222 subject to a civil penalty as follows:

223 (1) A violation of a total quantity of 20 nicotine vapor product units or less shall be  
224 punishable:

- 225 (A) For a first violation, no penalty if the nicotine vapor products are removed as  
226 provided in this chapter;
- 227 (B) For a second violation within a 12 month period, by a fine of ten times the retail  
228 value of the units of nicotine vapor products involved;
- 229 (C) For a third violation within an 18 month period, by a fine of 25 times the retail  
230 value of the units of nicotine vapor products involved; and
- 231 (D) For a fourth violation within a 24 month period, by a fine of 25 times the retail  
232 value of the units of nicotine vapor products involved and revocation of the license of  
233 the vapor product dealer or the vapor product distributor, as applicable, by the  
234 department pursuant to Code Section 48-11-6;
- 235 (2) A violation of a total quantity of more than 20 nicotine vapor product units shall be  
236 punishable:
- 237 (A) For a first violation, no penalty if the nicotine vapor products are removed as  
238 provided in this chapter;
- 239 (B) For a second violation within a 12 month period, by a fine of \$10,000.00 or 50  
240 times the retail value for each unit of nicotine vapor product involved, whichever is  
241 greater;
- 242 (C) For a third violation within an 18 month period, by a fine of \$20,000.00 or 50 times  
243 the retail value for each unit of nicotine vapor product involved, whichever is greater,  
244 and a 60 day suspension of the license of the vapor product dealer or the vapor product  
245 distributor, as applicable, by the department pursuant to Code Section 48-11-6; and
- 246 (D) For a fourth violation within a 24 month period, by a fine of \$30,000.00 or 50  
247 times the retail value for each unit of nicotine vapor product involved, whichever is  
248 greater, and revocation of the license of the vapor product dealer or the vapor product  
249 distributor, as applicable, by the department pursuant to Code Section 48-11-6; and
- 250 (3) Notwithstanding paragraphs (1) and (2) of this subsection, a fourth violation of any  
251 quantity of units of nicotine vapor products shall result in a revocation of the license of

252 the vapor product dealer or the vapor product distributor, as applicable, by the department  
253 pursuant to Code Section 48-11-6.

254 For purposes of this subsection, each unit of a nicotine vapor product that may be sold  
255 individually shall be counted separately to determine the quantity of nicotine vapor  
256 products.

257 (b) A vapor product manufacturer whose nicotine vapor products are not listed in the  
258 directory and that causes the nicotine vapor products that are not listed to be sold in this  
259 state, whether directly or through a vapor product importer, vapor product distributor,  
260 vapor product dealer, or any other person, shall be subject to a civil penalty of \$10,000.00  
261 per day for each individual nicotine vapor product offered for sale in violation of this  
262 chapter until the offending nicotine vapor product is either removed from the market or  
263 properly listed on the directory. In addition, any vapor product manufacturer that falsely  
264 represents any information on the certification or that is required under this chapter to be  
265 provided to the commissioner or the department shall be guilty of a misdemeanor for each  
266 false representation.

267 (c) A repeated violation of this Code section shall constitute a deceptive trade practice  
268 under Part 1 of Article 15 of Chapter 1 of Title 10, the 'Uniform Deceptive Trade Practices  
269 Act.'

270 48-11-47.

271 In an action for any violation brought under this chapter, the commissioner may recover  
272 reasonable expenses incurred in investigating and preparing the case and attorneys' fees if  
273 successful in the initial action, unless such action is successfully appealed and reversed.

274 48-11-48.

275 (a) Any nicotine vapor products offered for sale or sold in violation of this article are  
276 declared to be contraband goods and shall be seized by the commissioner, the

277 commissioner's agents or employees, or any law enforcement officer of this state if directed  
278 by the commissioner to do so.

279 (b) Upon seizure, the person from whom the contraband property was seized, if known,  
280 shall be provided with a receipt identifying the contraband property seized and indicating  
281 from whom the contraband property was seized and the place of seizure. Such contraband  
282 shall be stored pending a hearing and appeal provided for in subsections (d) and (e) of this  
283 Code section and thereafter destroyed, if authorized.

284 (c) A copy of the receipt shall be:

285 (1) Filed with the department and shall be a public record open to public inspection; and

286 (2) Posted at the courthouse of the county in which the contraband was seized.

287 (d) Any person desiring to make claim to the contraband property shall file a claim with  
288 the commissioner within ten days from the day of seizure. The commissioner, within 30  
289 days of receipt of any such claim, shall afford the claimant a hearing in which to show  
290 entitlement to the seized items. The burden of proof at such hearing shall be upon the  
291 claimant to establish a claim as to the items seized and to show compliance with or  
292 justification for noncompliance with this article. The commissioner shall enter a written  
293 order granting or denying the claim within 30 days from the date of the hearing.

294 (e) An appeal from the commissioner's order may be taken to the Superior Court of Fulton  
295 County by filing with the commissioner, within 15 days from the date of the decision, a  
296 copy of the petition for review filed in the Superior Court of Fulton County. The  
297 proceedings on the petition for review shall be governed by Chapter 3 of Title 5 except as  
298 provided otherwise in this Code section. The appeal shall be based upon the record made  
299 before the commissioner. The commissioner shall transmit the record and appropriate  
300 documents to the superior court within 30 days after the date the petition for review is  
301 received. The superior court shall review the record for errors of law, violation of  
302 constitutional or statutory provisions, violation of the statutory authority of the agency,  
303 lawfulness of the procedure, lack of any evidence to support the commissioner's decision,

304 and arbitrariness and abuse of discretion. However, the court shall not substitute its  
305 judgment as to the weight of evidence on questions of fact.

306 (f) The cost of such seizure, forfeiture, storage, and destruction shall be borne by the  
307 person from whom the nicotine vapor products determined to be contraband are  
308 confiscated.

309 48-11-49.

310 (a) Any nonresident vapor product manufacturer that has not registered to do business in  
311 this state as a foreign business entity shall, as a condition precedent to being included in  
312 the directory, appoint and continually engage without interruption the services of an agent  
313 in this state to act as agent for the service of process on whom all process, and any action  
314 or proceeding against it concerning or arising out of the enforcement of this article, may  
315 be served in any manner authorized by law. Such service shall constitute legal and valid  
316 service of process on the vapor product manufacturer. The vapor product manufacturer  
317 shall provide the name, address, telephone number, and proof of the appointment and  
318 availability of such agent to the commissioner.

319 (b) The vapor product manufacturer shall provide notice to the commissioner 30 days prior  
320 to termination of the authority of an agent and shall further provide proof to the satisfaction  
321 of the commissioner of the appointment of a new agent no less than five days prior to the  
322 termination of an existing agent appointment. In the event an agent terminates an agency  
323 appointment, the vapor product manufacturer shall notify the commissioner of the  
324 termination within five days and shall include proof to the satisfaction of the commissioner  
325 of the appointment of a new agent.

326 (c) Any vapor product manufacturer whose nicotine vapor products are offered for sale or  
327 sold in this state that has not appointed and engaged the services of an agent as required by  
328 this Code section shall be deemed to have appointed the Secretary of State as its agent for  
329 service of process. The appointment of the Secretary of State as agent shall not satisfy the

330 condition precedent required in subsection (a) of this Code section to be included or  
331 retained in the directory.

332 48-11-50.

333 Nothing in this article shall be construed as limiting the commissioner in the exercise of  
334 his or her authority, as provided under Article 1 of this chapter, to suspend or refuse to  
335 renew a license for violations of Chapters 13 and 13A of Title 10, Title 16, Title 48, or any  
336 other provisions of law and any rules or regulations promulgated thereunder.

337 48-11-51.

338 Starting on January 31 of the first year after the year in which this article becomes  
339 effective, and annually thereafter, the commissioner shall provide a report to the General  
340 Assembly regarding the status of the directory, the nicotine vapor products included in the  
341 directory, revenue, and expenditures related to administration of this article, and  
342 enforcement activities undertaken pursuant to this article."

343 **SECTION 2.**

344 This Act shall become effective only if funds are specifically appropriated for the purposes  
345 of this Act in an appropriations Act making specific reference to this Act and shall become  
346 effective when funds so appropriated become available for expenditure.

347 **SECTION 3.**

348 All laws and parts of laws in conflict with this Act are repealed.
