

House Resolution 1215

By: Representatives Schofield of the 63rd, Davis of the 87th, Scott of the 76th, and Burnough of the 77th

A RESOLUTION

1 Recognizing the WSB-TV Meteorology Team for outstanding public service in honor of
2 Georgia Severe Weather Preparation Week; and for other purposes.

3 WHEREAS, Georgia Severe Weather Preparation Week is observed annually to encourage
4 residents, families, schools, and businesses to prepare for severe weather events including
5 tornadoes, floods, thunderstorms, and extreme heat; and

6 WHEREAS, timely, accurate, and accessible weather information is essential to protecting
7 lives and property during severe weather emergencies; and

8 WHEREAS, the Meteorology Team at WSB-TV has demonstrated an unwavering
9 commitment to public safety through trusted forecasting, continuous monitoring, and clear
10 communication before, during, and after severe weather events; and

11 WHEREAS, the WSB-TV Meteorology Team plays a critical role in educating the public on
12 preparedness strategies such as emergency planning, weather alerts, and community safety
13 practices, empowering Georgians to make informed decisions; and

14 WHEREAS, through innovative technology, community outreach, and on-air
15 professionalism, the WSB-TV Meteorology Team serves as a vital partner to state and local
16 emergency management agencies and first responders; and

17 WHEREAS, the dedication and service of the WSB-TV Meteorology Team exemplify the
18 highest standards of journalism and public service, contributing significantly to the resilience
19 and readiness of communities across the State of Georgia.

20 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that
21 the members of this body commend and recognize the WSB-TV Meteorology Team for their
22 outstanding contributions to public safety and preparedness in honor of Georgia Severe
23 Weather Preparation Week.

24 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized
25 and directed to make an appropriate copy of this resolution available for distribution to the
26 WSB-TV Meteorology Team.
