

Senators Hufstetler of the 52nd, Albers of the 56th, Hickman of the 4th, Setzler of the 37th, Hatchett of the 50th, and others offered the following amendment #1:

1 *Amend the Senate Committee on Regulated Industries and Utilities substitute to SB 34 (LC*
2 *56 0584S) by replacing line 2 with the following:* Public Service Commission, so as to
3 prohibit certain costs incurred by an electric utility from being included in certain rates; to
4 require certain contract terms and conditions between

5 *By replacing line 13 with the following:*

6 (b) Notwithstanding the provisions of Code Section 46-3-11, no costs incurred by an
7 electric utility, including, but not limited to, costs associated with increased fuel
8 requirements, generation costs, and transmission costs that are related to the provision of
9 electric services to large load customers and would not have been incurred but for the
10 electric demand of such large load customers, shall be included in any rates or charges
11 allowed to go into effect under Code Section 46-2-25 or 46-2-26 unless such rates or
12 charges are designed to substantially recover such costs from such large load customers.
13 (c) Each contract between an electric utility and a large load customer for the provision
