116 In order to strengthen access to Medical Services, and in recognition of the advances in the
117 delivery of Medical Services, the Participating States of the PA Licensure Compact have

119 authority of State Licensing Boards to license and discipline PAs and seeks to enhance the
120 portability of a License to practice as a PA while safeguarding the safety of patients. This
121 Compact allows Medical Services to be provided by PAs, via the mutual recognition of the
122 Licensee's Qualifying License by other Compact Participating States. This Compact also
123 adopts the prevailing standard for PA licensure and affirms that the practice and delivery of
124 Medical Services by the PA occurs where the patient is located at the time of the patient

126 Board where the patient is located. State Licensing Boards that participate in this Compact
127 retain the jurisdiction to impose Adverse Action against a Compact Privilege in that State
128 issued to a PA through the procedures of this Compact. The PA Licensure Compact will

408 estate;
- 409 e. Accusing any person of a crime or formally censuring any person;
- 410 f. Disclosure of trade secrets or commercial or financial information that is privileged
411 or confidential;
- 412 g. Disclosure of information of a personal nature where disclosure would constitute a
413 clearly unwarranted invasion of personal privacy;
- 414 h. Disclosure of investigative records compiled for law enforcement purposes;
- 415 I. Disclosure of information related to any investigative reports prepared by or on
416 behalf of or for use of the Commission or other committee charged with responsibility
417 of investigation or determination of compliance issues pursuant to this Compact;
- 418 j. Legal advice; or
- 419 k. Matters specifically exempted from disclosure by federal or Participating States'
420 statutes.
- 421 4. If a meeting, or portion of a meeting, is closed pursuant to this provision, the chair of
422 the meeting or the chair's designee shall certify that the meeting or portion of the meeting
423 may be closed and shall reference each relevant exempting provision.
- 424 5. The Commission shall keep minutes that fully and clearly describe all matters
425 discussed in a meeting and shall provide a full and accurate summary of actions taken,
426 including a description of the views expressed. All documents considered in connection
427 with an action shall be identified in such minutes. All minutes and documents of a closed
428 meeting shall remain under seal, subject to release by a majority vote of the Commission
429 or order of a court of competent jurisdiction.

430 E. Financing of the Commission

431 1. The Commission shall pay, or provide for the payment of, the reasonable expenses of
432 its establishment, organization, and ongoing activities.

433 2. The Commission may accept any and all appropriate revenue sources, donations, and
434 grants of money, equipment, supplies, materials, and services.

435 3. The Commission may levy on and collect an annual assessment from each
436 Participating State and may impose Compact Privilege fees on Licensees of Participating
437 States to whom a Compact Privilege is granted to cover the cost of the operations and
438 activities of the Commission and its staff, which must be in a total amount sufficient to
439 cover its annual budget as approved by the Commission each year for which revenue is
440 not provided by other sources. The aggregate annual assessment amount levied on
441 Participating States shall be allocated based upon a formula to be determined by
442 Commission Rule.

443 a. A Compact Privilege expires when the Licensee's Qualifying License in the
444 Participating State from which the Licensee applied for the Compact Privilege expires.

445 b. If the Licensee terminates the Qualifying License through which the Licensee
446 applied for the Compact Privilege before its scheduled expiration, and the Licensee has
447 a Qualifying License in another Participating State, the Licensee shall inform the
448 Commission that it is changing to that Participating State the Participating State through
449 which it applies for a Compact Privilege and pay to the Commission any Compact
450 Privilege fee required by Commission Rule.

451 4. The Commission shall not incur obligations of any kind prior to securing the funds
452 adequate to meet the same; nor shall the Commission pledge the credit of any of the
453 Participating States, except by and with the authority of the Participating State.

454 5. The Commission shall keep accurate accounts of all receipts and disbursements. The
455 receipts and disbursements of the Commission shall be subject to the financial review and
456 accounting procedures established under its bylaws. All receipts and disbursements of

457 funds handled by the Commission shall be subject to an annual financial review by a
458 certified or licensed public accountant, and the report of the financial review shall be
459 included in and become part of the annual report of the Commission.

460 F. The Executive Committee

461 1. The Executive Committee shall have the power to act on behalf of the Commission
462 according to the terms of this Compact and Commission Rules.

463 2. The Executive Committee shall be composed of nine (9) members:

464 a. Seven voting members who are elected by the Commission from the current
465 membership of the Commission;

466 b. One ex-officio, nonvoting member from a recognized national PA professional
467 association; and

468 c. One ex-officio, nonvoting member from a recognized national PA certification
469 organization.

470 3. The ex-officio members will be selected by their respective organizations.

471 4. The Commission may remove any member of the Executive Committee as provided
472 in its bylaws.

473 5. The Executive Committee shall meet at least annually.

474 6. The Executive Committee shall have the following duties and responsibilities:

475 a. Recommend to the Commission changes to the Commission's Rules or bylaws,
476 changes to this Compact legislation, fees to be paid by Compact Participating States
477 such as annual dues, and any Commission Compact fee charged to Licensees for the
478 Compact Privilege;

479 b. Ensure Compact administration services are appropriately provided, contractual or
480 otherwise;

481 c. Prepare and recommend the budget;

482 d. Maintain financial records on behalf of the Commission;

483 e. Monitor Compact compliance of Participating States and provide compliance reports
484 to the Commission;

485 f. Establish additional committees as necessary;

486 g. Exercise the powers and duties of the Commission during the interim between
487 Commission meetings, except for issuing proposed rulemaking or adopting
488 Commission Rules or bylaws, or exercising any other powers and duties exclusively
489 reserved to the Commission by the Commission's Rules; and

490 h. Perform other duties as provided in the Commission's Rules or bylaws.

491 7. All meeting of the Executive Committee at which it votes or plans to vote on matters
492 in exercising the powers and duties of the Commission shall be open to the public and
493 public notice of such meetings shall be given as public meetings of the Commission are
494 given.

495 8. The Executive Committee may convene in a closed, non-public meeting for the same
496 reasons that the Commission may convene in a non-public meeting as set forth in
497 Section 7.D.3 and shall announce the closed meeting as the Commission is required to
498 under Section 7.D.4 and keep minutes of the closed meeting as the Commission is
499 required to under Section 7.D.5.

500 G. Qualified Immunity, Defense, and Indemnification

501 1. The members, officers, executive director, employees and representatives of the
502 Commission shall be immune from suit and liability, both personally and in their official
503 capacity, for any claim for damage to or loss of property or personal injury or other civil
504 liability caused by or arising out of any actual or alleged act, error, or omission that
505 occurred, or that the person against whom the claim is made had a reasonable basis for
506 believing occurred within the scope of Commission employment, duties or
507 responsibilities; provided that nothing in this paragraph shall be construed to protect any
508 such person from suit or liability for any damage, loss, injury, or liability caused by the
509 intentional or willful or wanton misconduct of that person. The procurement of insurance

510 of any type by the Commission shall not in any way compromise or limit the immunity
511 granted hereunder.

512 2. The Commission shall defend any member, officer, executive director, employee, and
513 representative of the Commission in any civil action seeking to impose liability arising
514 out of any actual or alleged act, error, or omission that occurred within the scope of
515 Commission employment, duties, or responsibilities, or as determined by the commission
516 that the person against whom the claim is made had a reasonable basis for believing
517 occurred within the scope of Commission employment, duties, or responsibilities;
518 provided that nothing herein shall be construed to prohibit that person from retaining their
519 own counsel at their own expense; and provided further, that the actual or alleged act,
520 error, or omission did not result from that person's intentional or willful or wanton
521 misconduct.

522 3. The Commission shall indemnify and hold harmless any member, officer, executive
523 director, employee, and representative of the Commission for the amount of any
524 settlement or judgment obtained against that person arising out of any actual or alleged
525 act, error, or omission that occurred within the scope of Commission employment, duties,
526 or responsibilities, or that such person had a reasonable basis for believing occurred
527 within the scope of Commission employment, duties, or responsibilities, provided that
528 the actual or alleged act, error, or omission did not result from the intentional or willful
529 or wanton misconduct of that person.

530 4. Venue is proper and judicial proceedings by or against the Commission shall be
531 brought solely and exclusively in a court of competent jurisdiction where the principal
532 office of the Commission is located. The Commission may waive venue and
533 jurisdictional defenses in any proceedings as authorized by Commission Rules.

534 5. Nothing herein shall be construed as a limitation on the liability of any Licensee for
535 professional malpractice or misconduct, which shall be governed solely by any other
536 applicable State laws.

537 6. Nothing herein shall be construed to designate the venue or jurisdiction to bring
538 actions for alleged acts of malpractice, professional misconduct, negligence, or other such
539 civil action pertaining to the practice of a PA. All such matters shall be determined
540 exclusively by State law other than this Compact.

541 7. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a
542 Participating State's state action immunity or state action affirmative defense with respect
543 to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal
544 antitrust or anticompetitive law or regulation.

545 8. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by
546 the Participating States or by the Commission.

547 **Section 8. Data System**

548 A. The Commission shall provide for the development, maintenance, operation, and
549 utilization of a coordinated data and reporting system containing licensure, Adverse Action,
550 and the reporting of the existence of Significant Investigative Information on all licensed
551 PAs and applicants denied a License in Participating States.

552 B. Notwithstanding any other State law to the contrary, a Participating State shall submit
553 a uniform data set to the Data System on all PAs to whom this Compact is applicable
554 (utilizing a unique identifier) as required by the Rules of the Commission, including:

555 1. Identifying information;

556 2. Licensure data;

557 3. Adverse Actions against a License or Compact Privilege;

558 4. Any denial of application for licensure, and the reason(s) for such denial (excluding
559 the reporting of any Criminal history record information where prohibited by law);

560 5. The existence of Significant Investigative Information; and

561 6. Other information that may facilitate the administration of this Compact, as
562 determined by the Rules of the Commission.

563 C. Significant Investigative Information pertaining to a Licensee in any Participating State
564 shall only be available to other Participating States.

565 D. The Commission shall promptly notify all Participating States of any Adverse Action
566 taken against a Licensee or an individual applying for a License that has been reported to
567 it. This Adverse Action information shall be available to any other Participating State.

568 E. Participating States contributing information to the Data System may, in accordance
569 with State or federal law, designate information that may not be shared with the public
570 without the express permission of the contributing State. Notwithstanding any such
571 designation, such information shall be reported to the Commission through the Data
572 System.

573 F. Any information submitted to the Data System that is subsequently expunged pursuant
574 to federal law or the laws of the Participating State contributing the information shall be
575 removed from the Data System upon reporting of such by the Participating State to the
576 Commission.

577 G. The records and information provided to a Participating State pursuant to this Compact
578 or through the Data System, when certified by the Commission or an agent thereof, shall
579 constitute the authenticated business records of the Commission, and shall be entitled to
580 any associated hearsay exception in any relevant judicial, quasi-judicial or administrative
581 proceedings in a Participating State.

582 **Section 9. Rulemaking**

583 A. The Commission shall exercise its Rulemaking powers pursuant to the criteria set forth
584 in this Section and the Rules adopted thereunder. Commission Rules shall become binding
585 as of the date specified by the Commission for each Rule.

586 B. The Commission shall promulgate reasonable Rules in order to effectively and
587 efficiently implement and administer this Compact and achieve its purposes. A
588 Commission Rule shall be invalid and have not force or effect only if a court of competent

589 jurisdiction holds that the Rule is invalid because the Commission exercised its rulemaking
590 authority in a manner that is beyond the scope of the purposes of this Compact, or the
591 powers granted hereunder, or based upon another applicable standard of review.

592 C. The Rules of the Commission shall have the force of law in each Participating State,
593 provided however that where the Rules of the Commission conflict with the laws of the
594 Participating State that establish the medical services a PA may perform in the Participating
595 State, as held by a court of competent jurisdiction, the Rules of the Commission shall be
596 ineffective in that State to the extent of the conflict.

597 D. If a majority of the legislatures of the Participating States rejects a Commission Rule,
598 by enactment of a statute or resolution in the same manner used to adopt this Compact
599 within four (4) years of the date of adoption of the Rule, then such Rule shall have no
600 further force and effect in any Participating State or to any State applying to participate in
601 the Compact.

602 E. Commission Rules shall be adopted at a regular or special meeting of the Commission.

603 F. Prior to promulgation and adoption of a final Rule or Rules by the Commission, and at
604 least thirty (30) days in advance of the meeting at which the Rule will be considered and
605 voted upon, the Commission shall file a Notice of Proposed Rulemaking:

- 606 1. On the website of the Commission or other publicly accessible platform; and
- 607 2. To persons who have requested notice of the Commission's notices of proposed
608 rulemaking, and
- 609 3. In such other way(s) as the Commission may by Rule specify.

610 G. The Notice of Proposed Rulemaking shall include:

- 611 1. The time, date, and location of the public hearing on the proposed Rule and the
612 proposed time, date and location of the meeting in which the proposed Rule will be
613 considered and voted upon;
- 614 2. The text of the proposed Rule and the reason for the proposed Rule;

615 3. A request for comments on the proposed Rule from any interested person and the date
616 by which written comments must be received; and

617 4. The manner in which interested persons may submit notice to the Commission of their
618 intention to attend the public hearing or provide any written comments.

619 H. Prior to adoption of a proposed Rule, the Commission shall allow persons to submit
620 written data, facts, opinions, and arguments, which shall be made available to the public.

621 I. If the hearing is to be held via electronic means, the Commission shall publish the
622 mechanism for access to the electronic hearing.

623 1. All persons wishing to be heard at the hearing shall as directed in the Notice of
624 Proposed Rulemaking, not less than five (5) business days before the scheduled date of
625 the hearing, notify the Commission of their desire to appear and testify at the hearing.

626 2. Hearings shall be conducted in a manner providing each person who wishes to
627 comment a fair and reasonable opportunity to comment orally or in writing.

628 3. All hearings shall be recorded. A copy of the recording and the written comments,
629 data, facts, opinions, and arguments received in response to the proposed rulemaking
630 shall be made available to a person upon request.

631 4. Nothing in this section shall be construed as requiring a separate hearing on each
632 proposed Rule. Proposed Rules may be grouped for the convenience of the Commission
633 at hearings required by this section.

634 J. Following the public hearing the Commission shall consider all written and oral
635 comments timely received.

636 K. The Commission shall, by majority vote of all delegates, take final action on the
637 proposed Rule and shall determine the effective date of the Rule, if adopted, based on the
638 Rulemaking record and the full text of the Rule.

639 1. If adopted, the Rule shall be posted on the Commission's website.

640 2. The Commission may adopt changes to the proposed Rule provided the changes do
641 not enlarge the original purpose of the proposed Rule.

642 3. The Commission shall provide on its website an explanation of the reasons for
643 substantive changes made to the proposed Rule as well as reasons for substantive changes
644 not made that were recommended by commenters.

645 4. The Commission shall determine a reasonable effective date for the Rule. Except for
646 an emergency as provided in subsection L, the effective date of the Rule shall be no
647 sooner than thirty (30) days after the Commission issued the notice that it adopted the
648 Rule.

649 L. Upon determination that an emergency exists, the Commission may consider and adopt
650 an emergency Rule with twenty-four (24) hours prior notice, without the opportunity for
651 comment, or hearing, provided that the usual rulemaking procedures provided in this
652 Compact and in this section shall be retroactively applied to the Rule as soon as reasonably
653 possible, in no event later than ninety (90) days after the effective date of the Rule. For the
654 purposes of this provision, an emergency Rule is one that must be adopted immediately by
655 the Commission in order to:

- 656 1. Meet an imminent threat to public health, safety, or welfare;
657 2. Prevent a loss of Commission or Participating State funds;
658 3. Meet a deadline for the promulgation of a Commission Rule that is established by
659 federal law or Rule; or
660 4. Protect public health and safety.

661 M. The Commission or an authorized committee of the Commission may direct revisions
662 to a previously adopted Commission Rule for purposes of correcting typographical errors,
663 errors in format, errors in consistency, or grammatical errors. Public notice of any
664 revisions shall be posted on the website of the Commission. The revision shall be subject
665 to challenge by any person for a period of thirty (30) days after posting. The revision may
666 be challenged only on grounds that the revision results in a material change to a Rule. A
667 challenge shall be made as set forth in the notice of revisions and delivered to the
668 Commission prior to the end of the notice period. If no challenge is made, the revision will

669 take effect without further action. If the revision is challenged, the revision may not take
670 effect without the approval of the Commission.

671 N. No Participating State's rulemaking requirements shall apply under this Compact.

672 **Section 10. Oversight, Dispute Resolution, and Enforcement**

673 **A. Oversight**

674 1. The executive and judicial branches of State government in each Participating State
675 shall enforce this Compact and take all actions necessary and appropriate to implement
676 the Compact.

677 2. Venue is proper and judicial proceedings by or against the Commission shall be
678 brought solely and exclusively in a court of competent jurisdiction where the principal
679 office of the Commission is located. The Commission may waive venue and
680 jurisdictional defenses to the extent it adopts or consents to participate in alternative
681 dispute resolution proceedings. Nothing herein shall affect or limit the selection or
682 propriety of venue in any action against a licensee for professional malpractice,
683 misconduct or any such similar matter.

684 3. The Commission shall be entitled to receive service of process in any proceeding
685 regarding the enforcement or interpretation of the Compact or the Commission's Rules
686 and shall have standing to intervene in such a proceeding for all purposes. Failure to
687 provide the Commission with service of process shall render a judgment or order in such
688 proceeding void as to the Commission, this Compact, or Commission Rules.

689 **B. Default, Technical Assistance, and Termination**

690 1. If the Commission determines that a Participating State has defaulted in the
691 performance of its obligations or responsibilities under this Compact or the Commission
692 Rules, the Commission shall provide written notice to the defaulting State and other
693 Participating States. The notice shall describe the default, the proposed means of curing

694 the default and any other action that the Commission may take and shall offer remedial
695 training and specific technical assistance regarding the default.

696 2. If a State in default fails to cure the default, the defaulting State may be terminated
697 from this Compact upon an affirmative vote of a majority of the delegates of the
698 Participating States, and all rights, privileges and benefits conferred by this Compact
699 upon such State may be terminated on the effective date of termination. A cure of the
700 default does not relieve the offending State of obligations or liabilities incurred during
701 the period of default.

702 3. Termination of participation in this Compact shall be imposed only after all other
703 means of securing compliance have been exhausted. Notice of intent to suspend or
704 terminate shall be given by the Commission to the governor, the majority and minority
705 leaders of the defaulting State's legislature, and to the Licensing Board(s) of each of the
706 Participating States.

707 4. A State that has been terminated is responsible for all assessments, obligations, and
708 liabilities incurred through the effective date of termination, including obligations that
709 extend beyond the effective date of termination.

710 5. The Commission shall not bear any costs related to a State that is found to be in
711 default or that has been terminated from this Compact, unless agreed upon in writing
712 between the Commission and the defaulting State.

713 6. The defaulting State may appeal its termination from the Compact by the Commission
714 by petitioning the U.S. District Court for the District of Columbia or the federal district
715 where the Commission has its principal offices. The prevailing member shall be awarded
716 all costs of such litigation, including reasonable attorney's fees.

717 7. Upon the termination of a State's participation in the Compact, the State shall
718 immediately provide notice to all Licensees within that State of such termination:

719 a. Licensees who have been granted a Compact Privilege in that State shall retain the
720 Compact Privilege for one hundred eighty (180) days following the effective date of
721 such termination.

722 b. Licensees who are licensed in that State who have been granted a Compact Privilege
723 in a Participating State shall retain the Compact Privilege for one hundred eighty (180)
724 days unless the Licensee also has a Qualifying License in a Participating State or
725 obtains a Qualifying License in a Participating State before the one hundred eighty
726 (180)-day period ends, in which case the Compact Privilege shall continue.

727 C. Dispute Resolution

728 1. Upon request by a Participating State, the Commission shall attempt to resolve
729 disputes related to this Compact that arise among Participating States and between
730 participating and non-Participating States.

731 2. The Commission shall promulgate a Rule providing for both mediation and binding
732 dispute resolution for disputes as appropriate.

733 D. Enforcement

734 1. The Commission, in the reasonable exercise of its discretion, shall enforce the
735 provisions of this Compact and Rules of the Commission.

736 2. If compliance is not secured after all means to secure compliance have been
737 exhausted, by majority vote, the Commission may initiate legal action in the United
738 States District Court for the District of Columbia or the federal district where the
739 Commission has its principal offices, against a Participating State in default to enforce
740 compliance with the provisions of this Compact and the Commission's promulgated Rules
741 and bylaws. The relief sought may include both injunctive relief and damages. In the
742 event judicial enforcement is necessary, the prevailing party shall be awarded all costs
743 of such litigation, including reasonable attorney's fees.

744 3. The remedies herein shall not be the exclusive remedies of the Commission. The
745 Commission may pursue any other remedies available under federal or State law.

746 E. Legal Action Against the Commission

747 1. A Participating State may initiate legal action against the Commission in the U.S.
748 District Court for the District of Columbia or the federal district where the Commission
749 has its principal offices to enforce compliance with the provisions of the Compact and its
750 Rules. The relief sought may include both injunctive relief and damages. In the event
751 judicial enforcement is necessary, the prevailing party shall be awarded all costs of such
752 litigation, including reasonable attorney's fees.

753 2. No person other than a Participating State shall enforce this Compact against the
754 Commission.

755 **Section 11. Date of Implementation of the PA Licensure Compact Commission**

756 A. This Compact shall come into effect on the date on which this Compact statute is
757 enacted into law in the seventh Participating State.

758 1. On or after the effective date of the Compact, the Commission shall convene and
759 review the enactment of each of the States that enacted the Compact prior to the
760 Commission convening ("Charter Participating States") to determine if the statute enacted
761 by each such Charter Participating State is materially different than the Model Compact.

762 a. A Charter Participating State whose enactment is found to be materially different
763 from the Model Compact shall be entitled to the default process set forth in
764 Section 10.B.

765 b. If any Participating State later withdraws from the Compact or its participation is
766 terminated, the Commission shall remain in existence and the Compact shall remain in
767 effect even if the number of Participating States should be less than seven.
768 Participating States enacting the Compact subsequent to the Commission convening
769 shall be subject to the process set forth in Section 7.C.21 to determine if their
770 enactments are materially different from the Model Compact and whether they qualify
771 for participation in the Compact.

772 2. Participating States enacting the Compact subsequent to the seven initial Charter
773 Participating States shall be subject to the process set forth in Section 7.C.21 to determine
774 if their enactments are materially different from the Model Compact and whether they
775 qualify for participation in the Compact.

776 3. All actions taken for the benefit of the Commission or in furtherance of the purposes
777 of the administration of the Compact prior to the effective date of the Compact or the
778 Commission coming into existence shall be considered to be actions of the Commission
779 unless specifically repudiated by the Commission.

780 B. Any State that joins this Compact shall be subject to the Commission's Rules and
781 bylaws as they exist on the date on which this Compact becomes law in that State. Any
782 Rule that has been previously adopted by the Commission shall have the full force and
783 effect of law on the day this Compact becomes law in that State.

784 C. Any Participating State may withdraw from this Compact by enacting a statute
785 repealing the same.

786 1. A Participating State's withdrawal shall not take effect until one hundred eighty (180)
787 days after enactment of the repealing statute. During this one hundred eighty (180)
788 day-period, all Compact Privileges that were in effect in the withdrawing State and were
789 granted to Licensees licensed in the withdrawing State shall remain in effect. If any
790 Licensee licensed in the withdrawing State is also licensed in another Participating State
791 or obtains a license in another Participating State within the one hundred eighty (180)
792 days, the Licensee's Compact Privileges in other Participating States shall not be affected
793 by the passage of the one hundred eighty (180) days.

794 2. Withdrawal shall not affect the continuing requirement of the State Licensing Board(s)
795 of the withdrawing State to comply with the investigative, and Adverse Action reporting
796 requirements of this Compact prior to the effective date of withdrawal.

797 3. Upon the enactment of a statute withdrawing a State from this Compact, the State shall
798 immediately provide notice of such withdrawal to all Licensees within that State. Such

799 withdrawing State shall continue to recognize all licenses granted pursuant to this
800 Compact for a minimum of one hundred eighty (180) days after the date of such notice
801 of withdrawal.

802 D. Nothing contained in this Compact shall be construed to invalidate or prevent any PA
803 licensure agreement or other cooperative arrangement between Participating States and
804 between a Participating State and non-Participating State that does not conflict with the
805 provisions of this Compact.

806 E. This Compact may be amended by the Participating States. No amendment to this
807 Compact shall become effective and binding upon any Participating State until it is enacted
808 materially in the same manner into the laws of all Participating States as determined by the
809 Commission.

810 **Section 12. Construction and Severability**

811 A. This Compact and the Commission's rulemaking authority shall be liberally construed
812 so as to effectuate the purposes, and the implementation and administration of the
813 Compact. Provisions of the Compact expressly authorizing or requiring the promulgation
814 of Rules shall not be construed to limit the Commission's rulemaking authority solely for
815 those purposes.

816 B. The provisions of this Compact shall be severable and if any phrase, clause, sentence
817 or provision of this Compact is held by a court of competent jurisdiction to be contrary to
818 the constitution of any Participating State, a State seeking participation in the Compact, or
819 of the United States, or the applicability thereof to any government, agency, person or
820 circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity
821 of the remainder of this Compact and the applicability thereof to any other government,
822 agency, person or circumstance shall not be affected thereby.

823 C. Notwithstanding subsection B or this section, the Commission may deny a State's
