233 "(b)(1) Each cemetery ~~or cemetery company~~ required to be registered by this chapter
234 shall establish and maintain an irrevocable trust fund for each cemetery owned.

235 (2) For trust funds established on or after July 1, 2000, the initial deposit to said

241 has been promised or guaranteed.

242 (3) The initial corpus of the trust fund and all subsequent required deposits shall be
243 deposited in a state bank, state savings and loan institution, savings bank, national bank,
244 or federal savings and loan institution, whose deposits are insured by the Federal Deposit

 268 an initial deposit."

 275 then 95 percent of the income from the trust fund shall be paid to the owner or receiver
 276 exclusively for covering the costs of care and maintenance of the cemetery, including

277 reasonable administrative expenses incurred in connection therewith. The income of the
278 trust fund shall be paid to the owner or receiver at intervals agreed upon by the recipient

290 monthly, quarterly, semiannual, or annual basis, as agreed upon by the cemetery ~~or~~
291 ~~cemetery company~~ and the trustee.

292 (4) The Secretary of State may limit or prohibit any distribution based on the unitrust
293 distribution method provisions in situations where investment returns and distribution
294 practices have not resulted in sufficient protection of the perpetual care trust fund's trust
295 principal based upon a ~~three~~ three-year to five-year analysis."

296 "(j) Upon a finding by a court of competent jurisdiction of failure to deposit or maintain
297 funds in the trust account as required by this chapter or of fraud, theft, or misconduct by
298 the owners of the cemetery or the officers or directors of a cemetery ~~company~~ which has
299 wasted or depleted such funds, the cemetery owners or the officers or directors of a
300 cemetery ~~company~~ may be held jointly and severally liable for any deficiencies in the trust
301 account as required in this chapter."

302 **SECTION 1-8.**

374 "(d)(1) The costs of obtaining and testing of DNA samples, including the costs of
375 disinterment and reinterment of the remains of the decedent, if necessary, as well as the
376 costs of providing the report, shall be assessed against and paid by the moving party, and

377 the court may award such costs as part of its final decree; provided, however, that the
 378 court may, in its discretion after all parties in interest have been given reasonable
 379 opportunity to be heard, cast all or part of such costs against one or more parties in
 380 interest upon entering a finding of fact that any such party has asserted in bad faith a
 381 position with respect to the kinship in controversy in a proceeding under this article or
 382 has failed unreasonably to cooperate with an order for DNA testing entered pursuant to
 383 this Code section. The costs of disinterment may include a reasonable fee for services
 384 provided by a cemetery company in connection therewith, subject to the limitation upon
 385 such charges imposed by subsection (d) of Code Section 10-14-17."

425 experts as he or she deems appropriate to provide expertise and assistance in the
426 administration and enforcement of this chapter.

427 43-6-3.

428 The Secretary of State shall have the power to regulate the issuance of licenses, to revoke
429 or suspend licenses issued under this chapter, and to censure licensees for any violation of
430 this chapter.

441 submits proof to the commission that he or she has been auctioning real property for five
442 years or more immediately prior to the date of application shall not be required to meet the
443 provisions of this subsection, but such person shall not thereby be construed to be a real
444 estate broker, associate broker, or salesperson under Chapter 40 of this title.

445 43-6-5.

446 (a) Any person desiring to act as an auctioneer shall file an application for licensure with
447 the Secretary of State. The application shall be completed and submitted upon a form and
448 in such manner as prescribed by the Secretary of State and shall be accompanied by the

449 applicable fees and evidence satisfactory to the Secretary of State that the applicant meets
450 the requirements for licensure under this chapter.

469 and authorization for the Secretary of State to perform a criminal background check
470 conducted by the Georgia Crime Information Center and the Federal Bureau of
471 Investigation. Each applicant who submits an application to the Secretary of State for
472 licensure agrees to provide any and all information necessary to run a criminal background
473 check, including, but not limited to, classifiable sets of fingerprints. The applicant shall be
474 responsible for all fees associated with the performance of such background check.

475 (d) The Secretary of State shall have the authority to approve auctioneer education
476 programs and schools that are accredited by a recognized accrediting body or otherwise
477 deemed eligible by the Secretary of State to meet the education requirements of this
478 chapter. The Secretary of State may establish standards, criteria, and procedures by rule for
479 such approval or eligibility determinations.

480 43-6-6.

481 (a) All licenses issued under this chapter shall be renewable biennially at such time as may
482 be designated by the division director, as defined in Code Section 43-1-1, and shall expire
483 as provided in Code Section 43-1-4. Applications for renewal shall be filed with the
484 Secretary of State prior to the expiration date and shall be accompanied by the renewal fee

488 (b) Each licensee shall be responsible for the timely renewal of his or her license and shall
489 notify the Secretary of State, in a manner prescribed by the Secretary of State, of any
490 change in mailing address or contact information.

491 (c) Failure to renew a license shall result in forfeiture of the license, which shall have no
492 force or effect unless and until reinstated in accordance with this Code section.

493 (1) A forfeited license may be reinstated within one year of the expiration date upon
494 submission of an application and payment of all required renewal and restoration fees,
495 in such manner as prescribed by the Secretary of State.

496 (2) A license that has been forfeited for more than one year but less than two years may
497 be reinstated at the discretion of the Secretary of State upon submission of an application,
498 payment of the required fees, and compliance with any continuing education
499 requirements established pursuant to this chapter.

500 (d) Failure to restore a forfeited license within two years of the expiration date shall result
501 in automatic termination of the license, and the Secretary of State may require the
502 individual to reapply for licensure as a new applicant.

503 43-6-7.

504 (a) The Secretary of State shall be authorized to require persons seeking renewal of an
505 auctioneer's license under this chapter to complete approved continuing education of not
506 more than eight hours biennially.

507 (b) The Secretary of State shall be authorized to waive the continuing education
508 requirement in cases of hardship, disability, or illness or under such other circumstances
509 as the Secretary of State deems appropriate.

511 implement and ensure compliance with the requirements of this Code section.

512 43-6-8.

513 (a) Any resident of another state who holds a current license as an auctioneer under the
514 laws of any other state having requirements similar to those in this chapter may, at the
515 discretion of the Secretary of State, be issued a license to practice as an auctioneer in this
516 state without written examination upon the payment of the fees as required by the Secretary
517 of State.

518 (b) Any resident of another state which does not have a law regulating the licensing of
519 auctioneers but who holds a current and valid license in a state which has a reciprocal
520 licensing agreement with Georgia may, at the discretion of the Secretary of State, be issued
521 a license to practice as an auctioneer in this state without examination upon the payment
522 of a fee as required by the Secretary of State.

523 (c) By applying for or engaging in the business of auctioning in this state pursuant to this
524 Code section, a nonresident auctioneer shall be deemed to have appointed the Secretary of

525 State as the auctioneer's lawful agent for service of process in any civil action or legal
526 proceeding arising out of or related to the auctioneer's business of auctioning in this state.
527 Service of process upon the Secretary of State pursuant to this subsection shall be of the
528 same legal force and effect as personal service upon the auctioneer. Upon receipt of such
529 process, the Secretary of State shall forward a copy thereof to the auctioneer at the
530 auctioneer's last known address on file with the Secretary of State.

531 43-6-9.

532 (a) Every licensed auctioneer shall maintain an active escrow or trustee account at a
533 financial institution for the receipt, holding, and disbursement of funds belonging to others
534 arising from auction activities.

535 (b) All auction proceeds received by an auctioneer shall be deposited into an escrow or
536 trustee account not later than 48 hours or the next business day after receipt, unless
537 settlement is made within 24 hours.

538 (c) Funds belonging to others shall not be commingled with the auctioneer's personal funds
539 or with any general operating account and shall be held in the escrow or trustee account
540 until properly disbursed to the appropriate parties.

541 (d) Every licensed auctioneer shall provide to the Secretary of State information
542 identifying the escrow or trustee account, including the name of the financial institution
543 and the account number, together with authorization permitting examination of such
544 account by the Secretary of State or his or her designee.

545 (e) Every licensed auctioneer shall notify the Secretary of State of any change in the name
546 or location of the escrow or trustee account or any other material change affecting
547 compliance with this Code section, in such manner as prescribed by the Secretary of State.

548 (f) The Secretary of State may adopt rules governing escrow or trustee account
549 requirements, reporting, recordkeeping, and examination as necessary to administer and
550 enforce this Code section.

551 43-6-10.

552 The Secretary of State shall prepare and deliver a pocket card certifying that the person
553 whose name appears thereon is a licensed auctioneer, as the case may be, stating the period
554 of time for which fees have been paid.

555 (b) A Georgia auctioneer's license identification card, or an electronic or digital version
556 thereof approved by the Secretary of State, shall be carried on the auctioneer's person when
557 participating in the business of auctioning in any capacity.

558 (c) Should the auctioneer change his or her place of business, he or she shall notify the
559 Secretary of State in writing within ten days of such change, and thereupon a new pocket
560 card shall be granted to the auctioneer.

561 43-6-11.

562 (a) Where an applicant has been convicted of forgery, embezzlement, obtaining money
563 under false pretenses, larceny, extortion, conspiracy to defraud, or other like offense or
564 offenses or has been convicted of any other crime in a court of competent jurisdiction of
565 this or any other state, district, or territory of the United States or of a foreign country, such
566 untrustworthiness of the applicant and the conviction, in itself, may be a sufficient ground
567 for refusal of a license.

568 (b) Where an applicant has made a false statement of material fact on his or her
569 application, such false statement, in itself, may be sufficient ground for refusal of a license.

570 (c) Grounds for suspension or revocation of a license, as provided for by this chapter, shall
571 also be grounds for refusal to grant a license.

572 43-6-12.

573 The refusal to grant a license as provided in this chapter shall not be considered to be a
574 contested case within the meaning of Chapter 13 of Title 50, the 'Georgia Administrative
575 Procedure Act,' and notice and hearing as provided in such chapter shall not be required

576 in connection with such refusal. Notice of refusal to grant a license shall be sent by
577 registered mail or statutory overnight delivery or personal service setting forth the
578 particular reasons for the refusal. The written notice shall be sent to the applicant's address
579 of record with the Secretary of State, and the applicant shall be allowed to appear before
580 the Secretary of State, or their designee, if the applicant requests to do so in writing.

581 43-6-13.

582 The Secretary of State shall have the authority to investigate the actions of any auctioneer
583 and shall have power to censure such licensee or to revoke or suspend any license issued
584 under this chapter whenever such license has been obtained by false or fraudulent
585 representation or the licensee has been found guilty of any unfair trade practices, including,
586 but not limited to:

587 (1) Making any substantial misrepresentation while describing any property, real or
588 personal; using any false, deceptive, misleading, or untruthful advertising; or making any
589 statements, whether in person or through advertising, which may create false or
590 unjustified expectations of the services to be performed;

591 (2) Engaging in a continued and flagrant course of misrepresentation, making false
592 promises through an agent, or advertising an auction to be an absolute auction while
593 conducting the auction with reserve or otherwise inconsistently with such representation;

594 (3) Failing to account for or remit, within 30 days unless otherwise provided by contract,
595 any money belonging to others that comes into his or her possession, commingling funds
596 of others with his or her own, or failing to keep such funds of others in an escrow or
597 trustee account;

598 (4) Conviction by a court of competent jurisdiction in this state or any other state of a
599 felony or a crime involving moral turpitude;

600 (5) Violation of this chapter, any rule or regulation, or code of ethics promulgated by the
601 Secretary of State;

602 (6) Engaging in conduct demonstrating bad faith, dishonesty, fraud, incompetence, or
603 untruthfulness in connection with the business of auctioning;

604 (7) Having had any license to practice a business or profession revoked, suspended,
605 annulled, or sanctioned, or otherwise having had any disciplinary action taken by any
606 other licensing authority in this or any other state; or

607 (8) Knowingly making any misleading, false, or deceptive statement on any application
608 for a licensure or renewal under this chapter.

609 (b) The Secretary of State may discipline, suspend, revoke, or refuse to renew a license
610 only after proper notice and an opportunity for a hearing.

611 (c) Except as otherwise provided, the provisions of Chapter 13 of Title 50, the 'Georgia
612 Administrative Procedure Act,' shall be applicable to the provisions of this chapter and to
613 the Secretary of State in carrying out the provisions of this chapter.

614 43-6-14.

615 Whenever, in the judgment of the Secretary of State, any person has engaged in any acts
616 or practices which constitute a violation of this chapter, the Attorney General may bring
617 an action in the name of the state in the superior court of the county in which venue is
618 proper, to abate and temporarily and permanently to enjoin such acts and practices and to
619 enforce compliance with this chapter. The plaintiff shall not be required to give any bond.

620 43-6-15.

621 Except as otherwise provided in this chapter, this chapter shall not apply to:

622 (1) Any person acting as a receiver, trustee in bankruptcy, administrator, executor, or any
623 such person acting under order of any court;

624 (2) Any nonprofit organization conducting an auction where the funds are to be used in
625 a way as to benefit persons with physical or mental disabilities or disorders or for
626 research related to cures or prevention of such disabilities or disorders, nor shall this

627 chapter apply to any auction conducted by a nonprofit organization where the funds are
628 to be used for the preservation of wildlife or its habitats whether conducted by a licensed
629 auctioneer or nonlicensed auctioneer;

630 (3) Any person acting as an auctioneer in the auction of livestock, forest products, or
631 farm products in an auction facility which is licensed and bonded under the provisions
632 of Article 3 of Chapter 6 of Title 4 or in an auction facility which is licensed under Code
633 Section 10-4-101 or to any youth livestock auction, sponsored by a 4-H Club or the
634 Future Farmers of America;

635 (4) Any students of approved auctioneering schools during the term of their course of
636 study;

637 (5) Any person conducting a public sale of personal property pursuant to the provisions
638 of Code Section 10-4-213; or

639 (6) Ringpersons as defined in Code Section 43-6-1.

640 43-6-16.

641 Any person acting as an auctioneer as provided in this chapter without a license and any
642 person who violates this chapter shall be guilty of a misdemeanor and, upon conviction
643 thereof, shall be punished by a fine not to exceed \$1,000.00, by imprisonment for a term
644 not to exceed 90 days, or both.

645 43-6-17.

646 Nothing in this chapter shall prohibit any lawful regulation or licensing of auctioneers by
647 any municipality, county, or other political subdivision of this state; provided, however,
648 that no such political subdivision shall license any auctioneer required to be licensed by
649 this chapter unless such auctioneer has been approved for licensure by the Secretary of
650 State as required in this chapter.

651 43-6-18.

652 (a) Effective July 1, 2026, the Georgia Auctioneers Commission shall stand dissolved.
653 Notwithstanding such dissolution, the auctioneers education, research, and recovery fund
654 established pursuant to the former provisions of Code Section 43-6-22.1 as such provisions
655 existed prior to July 1, 2026, shall remain in existence solely for the purpose of
656 administering, defending, and paying claims arising from acts, representations,
657 transactions, or conduct of a licensee and to fund continuing education for auctioneers.

658 (b) On and after July 1, 2026, the Secretary of State shall serve as the successor
659 administrator to the Georgia Auctioneers Commission for all matters arising under this
660 Code section, including the receipt of notices, the defense of actions, the processing of
661 claims, and the payment of court ordered damages from the fund. Any person, except
662 bonding companies when they are not principals in an auction transaction, aggrieved by an
663 act, representation, transaction, or conduct of an individual licensed under this chapter
664 which is in violation of the current or former provisions of this chapter or of the rules and
665 regulations promulgated pursuant to such, may recover, by order of any court having
666 competent jurisdiction, actual or compensatory damages, not including interests and costs
667 sustained by the act, representation, transaction, or conduct, provided that nothing shall be
668 construed to obligate the fund for more than \$10,000.00 per transaction regardless of the
669 number of persons aggrieved or parcels of real estate or lots of personal property involved
670 in such transaction. In addition:

671 (1) The liability of the fund for the acts of an individual licensed under this chapter,
672 when acting as such, is terminated upon the issuance of court orders authorizing
673 payments from the fund for judgments, or any unsatisfied portion of judgments, in an
674 aggregate amount of \$20,000.00 on behalf of such licensee;

675 (2) A licensee acting as a principal or agent in an auction transaction has no claim
676 against the fund;

677 (3) No person who establishes a proper claim or claims under this Code section shall
678 ever obtain more than \$10,000.00 from the fund; and

679 (4) The fund shall not pay out for any wrongdoing by an auction company if the
680 wrongdoing occurred on or after July 1, 2026.

681 (c)(1) No action for a judgment which subsequently results in an order for collection
682 from the fund shall be started later than two years from the accrual of the cause of action
683 thereon. When any aggrieved person commences action for a judgment which may result
684 in collection from the fund, the aggrieved person shall notify the Secretary of State in
685 writing, by certified mail or statutory overnight delivery, return receipt requested, to this
686 effect at the time of the commencement of such action. The Secretary of State shall have
687 the right to intervene in and defend any such action.

688 (2) When any aggrieved person recovers a valid judgment in any court of competent
689 jurisdiction against any individual licensed under the provisions of this chapter for any
690 act, representation, transaction, or conduct which is in violation of this chapter or of the
691 regulations promulgated pursuant to this chapter, or which is in violation of Chapter 47
692 of this title or of the regulations promulgated pursuant to Chapter 47 of this title, which
693 act occurred on or after January 1, 1992, the aggrieved person may, upon termination of
694 all proceedings, including reviews and appeals in connection with the judgment, file a
695 verified claim in the court in which the judgment was entered and, upon ten days' written
696 notice to the Secretary of State, may apply to the court for an order directing payment out
697 of the fund of the amount unpaid upon the judgment, subject to the limitations stated in
698 this Code section.

699 (3) The court shall proceed upon such application in a summary manner and, upon the
700 hearing thereof, the aggrieved person shall be required to show:

701 (A) That he or she is not a spouse of the judgment debtor or the personal representative
702 of such spouse;

703 (B) That he or she has complied with all the requirements of this Code section;

704 (C) That he or she has obtained a judgment, as set out in paragraph (2) of this
705 subsection, stating the amount thereof and the amount owing thereon at the date of the
706 application; and that, in such action, he or she had joined any and all bonding
707 companies which issued corporate surety bonds to the judgment debtors as principals
708 and all other necessary parties;

709 (D) That he or she has caused to be issued a writ of execution upon such judgment and
710 the officer executing the same has made a return showing that no personal or real
711 property of the judgment debtor liable to be levied upon in satisfaction of the judgment
712 could be found or that the amount realized on the sale of them as were found, under
713 such execution, was insufficient to satisfy the judgment, stating the amount so realized
714 and the balance remaining due to the judgment after application thereon of the amount
715 realized;

716 (E) That he or she has caused the judgment debtor to make discovery under oath
717 concerning his or her property in accordance with Chapter 11 of Title 9, the 'Georgia
718 Civil Practice Act';

719 (F) That he or she has made all reasonable searches and inquiries to ascertain whether
720 the judgment debtor is possessed of real or personal property or other assets liable to
721 be sold or applied in satisfaction of the judgment;

722 (G) That by such search he or she has discovered no personal or real property or other
723 assets liable to be sold or applied or that he or she has discovered certain of them,
724 describing them, owned by the judgment debtor and liable to be so applied and that he
725 or she has taken all necessary action and proceedings for the realization thereof and that
726 the amount thereby realized was insufficient to satisfy the judgment, stating the amount
727 so realized and the balance remaining due on the judgment after application of the
728 amount realized; and

729 (H) That the following items, if any, as recovered by him or her have been applied to
730 the actual or compensatory damages awarded by the court:

731 (i) Any amount recovered from the judgment debtor or debtors;
732 (ii) Any amount recovered from the bonding company or companies; or
733 (iii) Any amount recovered in out-of-court settlements as to particular defendants.
734 (4) Whenever the aggrieved person satisfies the court that it is not practical to comply
735 with one or more of the requirements enumerated in subparagraphs (D), (E), (F), (G), or
736 (H) of paragraph (3) of this subsection and that the aggrieved person has taken all
737 reasonable steps to collect the amount of the judgment or the unsatisfied part thereof and
738 has been unable to collect the same, the court may, in its discretion, dispense with the
739 necessity for complying with such requirements.
740 (5) The court shall make an order directed to the Secretary of State requiring payment
741 from the fund of whatever sum it shall find to be payable upon the claim, pursuant to the
742 provisions of and in accordance with the limitations contained in this Code section, if the
743 court is satisfied, upon the hearing, of the truth of all matters required to be shown by the
744 aggrieved person by paragraph (3) of this subsection and is satisfied that the aggrieved
745 person has fully pursued and exhausted all remedies available to him or her for
746 recovering the amount awarded by the judgment of the court.
747 (6) If, at any time, the money deposited in the fund is insufficient to satisfy any duly
748 authorized claim or portion thereof, the Secretary of State, as successor administrator to
749 the Georgia Auctioneers Commission, shall satisfy such unpaid claims or portions thereof
750 in the order that such claims or portions thereof were originally filed, plus accumulated
751 interest at the rate of 4 percent per annum. In no event shall the state, the Secretary of
752 State, the former Georgia Auctioneers Commission, or any member or employee thereof
753 be liable to any person for any deficiency in payment under this Code section.
754 (d)(1) On and after July 1, 2026, the fund shall continue to be held in trust for the
755 payment of claims, and the Secretary of State shall administer only the balance existing
756 on such date and any earnings thereon.

757 (2) On December 31 of each year, the fund balance shall be assessed and, if the balance
758 is below \$10,000.00, any remaining moneys shall be transferred to the general fund of
759 the state treasury, and the fund shall stand abolished. Until such date, such moneys may
760 be invested in any investments which are legal for domestic insurance companies under
761 Articles 1 and 3 of Chapter 11 of Title 33, and the interest from these investments shall
762 be deposited to the credit of the fund. Revenue generated by the annual compounding
763 interest from the date of the fund's inception may be dispensed by the Secretary of State
764 or his or her designee to fund continuing education for auctioneers.

765 (e) It shall be unlawful for any person or his or her agent to file with the commission any
766 notice, statement, or other document required under this Code section which is false,
767 untrue, or contains any material misstatement of fact and shall, upon conviction, be
768 punishable as a misdemeanor.

769 (f) When the Secretary of State receives notice, as provided in subsection (c) of this Code
770 section, the Secretary of State may enter an appearance, file an answer, appear at the court
771 hearing, defend the action, or take whatever other action he or she may deem appropriate
772 on behalf of and in the name of the defendant and take recourse through any appropriate

774 (g) When, upon the order of the court, the Secretary of State has paid from the fund any
775 sum to the judgment creditor, the Secretary of State shall be subrogated to all of the rights
776 of the judgment creditor. The judgment creditor shall assign all its right, title, and interest
777 in the judgment to the Secretary of State before any payment is made from the fund, and
778 any amount and interest so recovered by the Secretary of State on the judgment shall be
779 deposited in the fund. If the total amount collected on the judgment by the Secretary of
780 State exceeds the amount paid from the fund to the original judgment creditor plus interest
781 and the cost of collection, the Secretary of State may elect to pay any overage collected to
782 the original judgment creditor or reassign the remaining interest in the judgment to the
783 original judgment creditor. The payment or reassignment to the original judgment creditor

784 shall not subject the fund to further liability for payment to the original judgment creditor
 785 based on that transaction or judgment. Any costs incurred by the Secretary of State's
 786 attempt to collect assigned judgments shall be paid from the fund.
 787 (h) The failure of an aggrieved person to comply with all of the provisions of this Code
 788 section shall constitute a waiver of any rights under this Code section."

789 **SECTION 2-2.**

790 Said title is further amended in Code Section 43-47-10, relating to investigation of licensees
 791 by board, suspension or revocation of license, and other sanctions, by revising
 792 division (1)(P)(iii) as follows:

793 "(iii) A violation of this subparagraph shall also be grounds for suspension or censure
 794 of a license under Code Section ~~43-6-18~~ 43-6-13, and any auction violating this
 795 subparagraph may be required by the board to surrender its master tag;"

796 **PART III**

797 **SECTION 3-1.**

798 Said title is further amended by repealing Chapter 19, relating to geologists, and enacting a
 799 new Chapter 19 to read as follows:

800 "CHAPTER 19

801 43-19-1.

802 This chapter shall be known and may be cited as the 'Registration of Professional
 803 Geologists Act' and is enacted to safeguard life, health, and property and to promote the
 804 public welfare.

805 43-19-2.

806 As used in this chapter, the term:

807 (1) 'Geologist' means a person registered under this chapter to engage in the practice of
808 geology.

809 (2) 'Geology' means that science which treats of the earth in general; investigation of the

817 exempted by this chapter. A person shall be construed to practice publicly or offer to
818 practice publicly geology, within the meaning and intent of this chapter, who practices
819 any branch of the profession of geology; or who by verbal claim, sign, advertisement,
820 letterhead, card, or in any other way represents themselves to be a geologist; or through
821 the use of some other title implies that he or she is a geologist; or that he or she is
822 registered under this chapter; or who holds themselves out as able to perform or who does
823 perform any geological services or work recognized as geology.

824 (4) 'Registered professional geologist' means a person who is registered as a geologist
825 under this chapter.

826 (5) 'Responsible charge of work' means the independent control and direction, by the use

833 of work.

834 43-19-3.

835 In carrying out the duties and responsibilities under this chapter, the Secretary of State shall
836 seek the advice and counsel of industry representatives, stakeholders, or subject matter
837 experts to provide expertise and assistance in the administration and enforcement of this
838 chapter.

839 43-19-4.

840 By engaging in the public practice of geology in this state, a nonresident individual
841 appoints the Secretary of State as the individual's agent for service of process in any civil
842 action in this state related to the individual's public practice of geology in this state.

843 43-19-5.

844 (a) Except as otherwise provided in subsection (e) of this Code section, an individual shall
845 not engage in the public practice of geology in this state without holding a certificate of
846 registration under this chapter.

847 (b) It shall be unlawful for any person other than a registered professional geologist or a
848 subordinate under his or her direction to prepare any geologic plans, reports, or documents
849 in which the performance is related to the public welfare or safeguarding of life, health,
850 property, or the environment.

851 (c) It shall be unlawful for any person other than a registered professional geologist to
852 stamp or seal any plans, plats, reports, or other documents with the seal or stamp of a
853 registered professional geologist or to use in any manner the title 'registered professional
854 geologist.'

855 (d) It shall be unlawful for any person to affix his or her signature or to stamp or seal any
856 plans, plats, reports or other documents after the certification of the registrant named
857 thereon has expired or has been suspended or revoked, unless the certificate has been
858 renewed or reissued.

859 (e) The provisions of this chapter shall not apply to any individual who is:

860 (1) Engaged in the practice of any profession or trade for which a license is required
861 under any other law of this state, including, without limitation, licensed professional
862 engineers lawfully practicing soil mechanics, foundation engineering, and other
863 professional engineering as provided in this title; or licensed architects lawfully
864 practicing architecture as provided in this title;

865 (2) Engaged solely in teaching the science of geology or engaged in nonpublic geologic
866 research in this state;

867 (3) An officer or employee of the United States or this state practicing geology solely as
868 such officer or employee; and

869 (4) A subordinate to a geologist registered under this chapter, insofar as he or she acts
870 solely in such capacity; provided, however, that this paragraph shall not be construed to
871 permit any such subordinate to practice geology for others in his or her own right or use
872 the title 'registered professional geologist.'

873 (f) The right to engage in the practice of geology shall be deemed a personal right, based
874 on the qualifications of the individual as evidenced by his or her certificate of registration,
875 and shall not be transferable.

876 43-19-6.

877 (a) The Secretary of State shall issue a certificate of registration as a professional geologist
878 to an applicant when such applicant has completed and submitted an application upon a
879 form and in such manner as the Secretary of State prescribes, accompanied by applicable
880 fees and evidence satisfactory to the Secretary of State that:

881 (1) The applicant has graduated from an accredited college or university with a
882 bachelor's degree or higher in geology, engineering geology, geological engineering, or
883 a comparable earth or environmental science or engineering focused discipline; or has
884 completed 45 quarter hours or the equivalent in geological science courses leading to a
885 major in geology, of which at least 36 quarter hours or the equivalent were taken in the
886 third or fourth year or in graduate courses;

887 (2) The applicant has at least seven years of professional geological work, including a
888 minimum of three years under the supervision of a registered professional geologist or
889 a registered civil engineer, or another individual who is legally authorized to practice
890 geology. For purposes of calculating an applicant's years of professional geological
891 work:

892 (A) Each year of undergraduate study in geological sciences counts as one-half year
893 of training, up to a maximum of two years, and each year of graduate study counts as
894 one full year of training. Credit for undergraduate study, graduate study, and graduate
895 courses, individually or combined, shall not exceed four years toward the required
896 seven years of professional geological work;

897 (B) Professional geological work or geological research performed by full-time faculty
898 at an accredited college or university shall count toward the required seven years when
899 the work or research involves activities that fall within the definition of geology as
900 defined under this chapter; and

901 (C) An applicant's years of professional geological work used to satisfy the required
902 seven years shall meet the following criteria:

903 (i) The professional geological work shall consist of geological tasks included within
904 the statutory definition of the public practice of geology;

905 (ii) Only professional geological work performed in a position with assigned
906 professional responsibility for geological work shall be counted; and

907 (iii) Documentation of supervision and experience shall be submitted in the format
908 prescribed by the Secretary of State;

909 (3) The applicant has successfully passed such examinations endorsed by the National
910 Association of State Boards of Geology as are required by the Secretary of State;

911 (4) The applicant is in good standing based on a review of the applicant's licensure
912 history in any other jurisdiction, including a review of any prior disciplinary action,
913 alleged misconduct, or negligence in the practice of geology and the applicant has not
914 been previously denied a certificate of registration under this chapter, unless the Secretary
915 of State determines that the grounds for such denial no longer apply; and

916 (5) The applicant provides at least one secure and verifiable document, as defined in
917 Code Section 50-36-2, establishing the applicant's identity, and submits an affidavit
918 verifying lawful presence in the United States pursuant to Code Section 50-36-1, together
919 with any required immigration documentation for non-citizen applicants.

920 (b) An application for a certificate of registration under this Code section shall constitute
921 express consent and authorization for the Secretary of State to perform a criminal
922 background check conducted by the Georgia Crime Information Center and the Federal
923 Bureau of Investigation. Each applicant who submits an application to the Secretary of
924 State for a certificate of registration agrees to provide any and all information necessary to
925 run a criminal background check, including, but not limited to, classifiable sets of
926 fingerprints. The applicant shall be responsible for all fees associated with the performance
927 of such background check.

928 43-19-7.

929 A person holding a certificate of registration to engage in the public practice of geology,
930 on the basis of comparable licensing requirements issued to him or her by a proper
931 authority of a state, territory, or possession of the United States or the District of Columbia,
932 and who, in the opinion of the Secretary of State, otherwise meets the requirements of this

933 chapter based on verified evidence may be registered, upon application, without further
934 examination.

935 43-19-8.

936 (a) Except as otherwise provided in subsection (b) of this Code section, the Secretary of
937 State shall issue a certificate of registration to an individual who complies with Code
938 Section 43-19-6.

939 (b) The Secretary of State may refuse to issue a certificate of registration if it is determined
940 that the applicant has engaged in conduct that has a significant adverse effect on the
941 applicant's fitness to engage in the public practice of geology. In making the
942 determination, the Secretary of State may consider whether the applicant has:

943 (1) Been convicted of, or entered a plea of nolo contendere to, a crime that, if committed
944 in this state, would constitute a felony or a crime involving moral turpitude, including any
945 offense reasonably related to the applicant's fitness to engage in the public practice of
946 geology. A record of conviction, plea, or a certified copy thereof shall be conclusive
947 evidence of such conviction or plea;

948 (2) Made a material false, misleading, deceptive, or fraudulent representation in the
949 application or as a geologist;

950 (3) Engaged in conduct prohibited by this chapter or regulation adopted pursuant to this
951 chapter; or

952 (4) Had a registration or licensure as a geologist suspended, revoked, or denied or been
953 refused renewal of registration or licensure as a geologist in any state.

954 (c) The refusal to grant a registration as provided in this Code section shall not be
955 considered to be a contested case within the meaning of Chapter 13 of Title 50, the
956 'Georgia Administrative Procedure Act,' and notice and hearing within the meaning of such
957 chapter shall not be required in connection with such refusal. Notice of refusal to grant a
958 registration shall be sent by registered mail or statutory overnight delivery or personal

959 service setting forth the particular reasons for the refusal. The written notice shall be sent
960 to the applicant's address of record with the Secretary of State, and the applicant shall be
961 allowed to appear before the Secretary of State if the applicant requests to do so in writing.

962 43-19-9.

963 (a) The Secretary of State may suspend, revoke, or refuse to renew a registration or may
964 discipline an individual registered under this chapter for conduct that would have justified
965 denial of registration under Code Section 43-19-8.

966 (b) The Secretary of State may discipline, suspend, revoke, or refuse to renew a certificate
967 of registration only after proper notice and an opportunity for a hearing.

968 (c) Except as otherwise provided, the provisions of Chapter 13 of Title 50, the 'Georgia
969 Administrative Procedure Act,' shall be applicable to the provisions of this chapter and to
970 the Secretary of State in carrying out the provisions of this chapter.

971 43-19-10.

972 (a) All certificates shall be renewable biennially at such time as may be designated by the
973 Secretary of State. All applications for renewal shall be filed with the Secretary of State
974 prior to the expiration date, accompanied by the renewal fee prescribed by the Secretary
975 of State. A certificate which has expired for failure to renew may only be restored after
976 application and payment of the prescribed restoration fee.

977 (b) Each person shall be responsible for timely renewal of his or her certificate of
978 registration and shall notify the Secretary of State, in a manner prescribed by the Secretary
979 of State, of any change in his or her mailing address or contact information.

980 (c) Failure to renew a certificate of registration shall result in forfeiture of the certificate.
981 Certificates that have been forfeited may be restored within one year of the expiration date
982 upon payment of renewal and restoration fees. Failure to restore a forfeited certificate
983 within one year of the date of its expiration shall result in the automatic termination of the

984 certificate, and the Secretary of State may require the individual to reapply for his or her
985 certificate of registration as a new applicant.

986 43-19-11.

987 Each registrant under this chapter, upon issuance of a certificate of registration, may use
988 a seal of such design as is authorized by the Secretary of State, bearing the registrant's
989 name and the legend 'Registered Professional Geologist'. All drawings, reports, or other
990 geologic papers or documents involving the practice of geology, as defined in this chapter,
991 which shall have been prepared or approved by a registered professional geologist or a
992 subordinate employee under his or her direction for the use of or for delivery to any person
993 or for public record within this state shall be signed by him or her and impressed with the
994 seal provided for in this Code section or the seal of a nonresident practicing under this
995 chapter, either of which shall indicate his or her responsibility for them.

996 43-19-12.

997 The Secretary of State may assess a civil penalty against a geologist not to exceed
998 \$10,000.00 for a violation of this chapter.

999 43-19-13.

1000 This state and its political subdivisions, such as a county, a municipality, or a legally
1001 constituted board, district, commission, or authority, shall contract for geological services
1002 only with persons registered under this chapter or with a firm employing a registered
1003 professional geologist.

1004 43-19-14.

1005 (a) This chapter does not prohibit one or more geologists from practicing through the
1006 medium of a sole proprietorship, partnership, limited liability company, or corporation. In

1007 a partnership, limited liability company, or corporation whose primary activity consists of
1008 geological services, at least one partner, member, or officer shall be a registered
1009 professional geologist.

1010 (b) This chapter does not prevent or prohibit an individual, firm, company, association, or
1011 corporation whose principal business is other than the public practice of geology from
1012 employing a nonregistered geologist to perform nonpublic geological services necessary
1013 to the conduct of its business.

1014 (c) This chapter shall not be construed to prevent or to affect:

1015 (1) The practice of any profession or trade for which a license is required under any other
1016 law of this state; the practice of registered professional engineers from lawfully practicing
1017 soils mechanics, foundation engineering, and other professional engineering as provided
1018 in this title; or licensed architects from lawfully practicing architecture as provided in this
1019 title; or

1020 (2) The practice of a person who is not a resident of and has no established place of
1021 business in this state or who has recently become a resident hereof practicing or offering
1022 to practice the profession of geology herein for more than 90 days in any calendar year
1023 if the person shall have filed with the Secretary of State an application for a certificate of
1024 registration and shall have paid the fee required by this chapter. Such practice shall
1025 continue only for such time as the Secretary of State requires for the consideration of the
1026 applicant for registration.

1027 43-19-15.

1028 Any person who engages in the public practice of geology or publicly offers to engage in
1029 the public practice of geology for others in this state without being registered in accordance
1030 with this chapter; any person presenting or attempting to use as his or her own the
1031 certificate of registration or the seal of another; any person who gives any false or forged
1032 evidence of any kind to the Secretary of State in obtaining a certificate of registration; any

1033 person who falsely impersonates any other registrant of like or different name; or any
1034 person who attempts to use an expired or revoked certificate of registration or who attempts
1035 to practice at any time during a period when the Secretary of State has suspended or
1036 revoked his or her certificate of registration shall, upon conviction, be sentenced as for a
1037 misdemeanor."

1038 SECTION 3-2.

1039 Code Section 12-8-107 of the Official Code of Georgia Annotated, relating to submission of
1040 voluntary investigation and remediation plan, enrollment, proof of assurance, termination,
1041 and compliance status, is amended by revising subsection (a) as follows:

1042 "(a) In order to enroll any qualifying property in the voluntary remediation program
1043 described in this part, an applicant shall submit to the director a voluntary investigation and
1044 remediation plan prepared by a registered professional engineer or a registered professional

1048 releases. The voluntary investigation and remediation plan shall be in such streamlined
1049 form as may be prescribed by the director; provided, however, that the plan shall, at
1050 minimum, enumerate and describe those actions planned to bring the qualifying property
1051 into compliance with the applicable cleanup standards, with one or more registered
1052 professionals to be retained by the applicant at its sole cost to oversee the investigation and
1053 remediation described in the plan; all in accordance with the provisions, purposes,
1054 standards, and policies of the voluntary remediation program. The voluntary investigation
1055 and remediation plan shall be considered an application for enrollment in the voluntary
1056 remediation program, and a nonrefundable application fee of \$5,000.00 shall be submitted
1057 with the application. The director may, at any time, invoice the participant for any costs
1058 to the division in reviewing the application or subsequent document that exceed the initial

1059 application review fee, including reasonably detailed itemization and justification of the
1060 costs. Failure to remit payment within 60 days of receipt of such invoice may cause
1061 rejection of the participant from the voluntary remediation program. The director may not
1062 issue a written concurrence with a certification of compliance if there is an outstanding fee
1063 to be paid by the participant."

1375 'clinic,' 'clinical audiologists,' 'state licensed clinic,' 'state registered,' 'state certified,'
1376 'state approved,' or any other term, abbreviation, or symbol when it would falsely give
1377 the impression that an individual is being treated medically or that the licensee's or
1378 permit holder's service has been recommended by the state;

1379 (C) Representing or implying that a prescription hearing aid is or will be 'custom
1380 made,' 'made to order,' 'prescription made,' or in any other sense specially fabricated for
1381 an individual person when it is not;

1401 may renew such license by submitting a renewal application in a form prescribed by the
1402 board, paying all required fees, and providing verification that the licensee has successfully
1403 completed 20 hours of continuing education approved by the board. A renewal application
1404 filed pursuant to this subsection shall be a public record.

1405 (b) Each licensee shall be responsible for timely renewal of such license and shall notify
1406 the board, in a manner prescribed by the board, of any change in the licensee's mailing

1449 acknowledgment shall be maintained by the licensee or permit holder for a period of not
1450 less than six years following delivery of the prescription hearing aid.

1451 (d) The board may require such additional information on the receipt or bill of sale as he
1452 or she determines to be necessary in the public interest.

1453 43-44-50.

1454 (a) This article shall not apply to a person who is a physician licensed to practice medicine
1455 in this state or to a person who is licensed as an audiologist under this chapter.

1456 (b) This article shall not apply to a person while he or she is working as an employee of
