

## Senate Resolution 978

By: Senators Burns of the 23rd, Hickman of the 4th, Hufstetler of the 52nd, Orrock of the 36th, Howard of the 35th and others

## A RESOLUTION

- 1 Creating the Senate Study Committee on Higher Education Funding; and for other purposes.
- 2 WHEREAS, state funding for the University System of Georgia and the Technical College  
3 System of Georgia is appropriated in lump sums to be allocated among institutions of the  
4 university system and units of the technical college system by the Board of Regents of the  
5 University System of Georgia and the State Board of the Technical College System of  
6 Georgia, respectively; and
- 7 WHEREAS, the amount of such funding is determined based on funding formulas that are  
8 decades old and rely heavily on student enrollment; and
- 9 WHEREAS, the funding formulas' reliance on student enrollment rather than student  
10 outcomes, such as graduation, could incentivize practices that are not in the best interests of  
11 students; and
- 12 WHEREAS, since the implementation of the funding formulas for the University System of  
13 Georgia and the Technical College System of Georgia, higher education has changed in  
14 significant ways, in particular with the advent and proliferation of education technology and

15 virtual instruction, and more changes in higher education are expected in the coming years;  
16 and

17 WHEREAS, such changes may not be adequately accounted for in the current funding  
18 formulas and projected declining enrollment could result in insufficient funding in the future;  
19 and

20 WHEREAS, for the reasons mentioned above, it is in the best interests of the citizens of this  
21 state for the General Assembly to review and evaluate the efficacy and sufficiency of these  
22 funding formulas and to explore alternative funding formulas and how to best transition to  
23 a new funding formula.
