68 insurance premium taxes collected annually and remitted to the department pursuant to
69 Code Section 33-8-4 be appropriated each year to the Peace Officers' Annuity and Benefit
70 Fund."

79 one-twelfth of the amount paid per month for each additional year of service credit shall
80 be paid for each month of additional service credit, provided that the member either has
81 at least ten years of membership service, or 15 years of membership service for
82 individuals who became members on or after July 1, 2010, and is at least 55 years of age
83 or has at least 30 years of creditable service, regardless of age. Such monthly benefit
84 payment shall be paid on each full year and additional full months of creditable service
85 up to a maximum of 30 years of total service.

86 (2)(A) As used in this paragraph, the term 'funded ratio' means the actuarial value of
87 plan assets divided by the actuarial accrued liability of such plan as of the most recent

91 provided that any increase in the benefit multiplier is for an amount not less than \$1.00
92 and that any such increase does not lower the funded ratio of the system below 90
93 percent, based on the recommendation of the actuary of the board."
