

House Resolution 1051 (AS PASSED HOUSE AND SENATE)

By: Representatives Greene of the 154th, Dunahoo of the 31st, Beckles of the 96th, Buckner of the 137th, and Flourney of the 74th

A RESOLUTION

1 Authorizing the granting of non-exclusive easements for the construction, operation and
2 maintenance of facilities, utilities, roads, and ingress and egress in, on, over, under, upon,
3 across, or through property owned by the State of Georgia in Baldwin, Bartow, Bulloch,
4 Camden, Catoosa, Chatham, Chattooga, Clayton, Colquitt, DeKalb, Emanuel, Glynn,
5 Habersham, Hall, Laurens, Long, McDuffie, Morgan, Muscogee, Oconee, Paulding, Peach,
6 Talbot, Tift, and Walton Counties, Georgia and Hamilton County, Tennessee; to provide for
7 related matters; to provide for an effective date; to repeal conflicting laws; and for other
8 purposes.

9 WHEREAS, the State of Georgia is the owner of certain real property located in Baldwin,
10 Bartow, Bulloch, Camden, Catoosa, Chatham, Chattooga, Clayton, Colquitt, DeKalb,
11 Emanuel, Glynn, Habersham, Hall, Laurens, Long, McDuffie, Morgan, Muscogee, Oconee,
12 Paulding, Peach, Talbot, Tift, and Walton Counties, Georgia and Hamilton County,
13 Tennessee; and

14 WHEREAS, AT&T Enterprises, LLC, Atlantic Waste Services, City of Kingsland, City of
15 Moultrie, City of Summerville, Chatham County, Georgia, Excelsior Electric Membership
16 Corporation, Flint Electric Membership Corporation, HIC Altama, LLC, Jefferson Energy
17 Cooperative, Little Ocmulgee Electric Membership Cooperative, Marathon Realty Corp.,

18 Georgia Department of Transportation, Georgia Power Company, Southern Natural Gas
19 Company, Tennessee Department of Transportation, Timberlands II, LLC, and Walton
20 Electric Membership Corporation desire to operate and maintain facilities, utilities, and
21 ingress and egress in, on, over, under, upon, across, or through a portion of said property; and

22 WHEREAS, these non-exclusive easements, facilities, utilities, roads, and ingress and egress
23 in, on, over, under, upon, across, or through the above-described state property have been
24 requested or approved by the Department of Agriculture, Department of Behavioral Health
25 and Developmental Disabilities, Department of Corrections, Department of Driver Services,
26 Department of Economic Development, Department of Education, Department of Juvenile
27 Justice, Department of Natural Resources, State Properties Commission and Technical
28 College System of Georgia.

29 NOW, THEREFORE, BE IT RESOLVED AND ENACTED BY THE GENERAL
30 ASSEMBLY OF GEORGIA:

31 **ARTICLE I**

32 **SECTION 1.**

33 That the State of Georgia is the owner of the hereinafter described real property lying and
34 being in Baldwin County, Georgia, and is commonly known as Central State Hospital, and
35 the property is in the custody of the Department of Behavioral Health and Developmental
36 Disabilities which, by official action dated October 23, 2025, does not object to the granting
37 of an easement; and, in all matters relating to the easement, the State of Georgia is acting by
38 and through its State Properties Commission.

39 **SECTION 2.**

40 That the State of Georgia, acting by and through its State Properties Commission, may grant
41 to Southern Natural Gas Company, or its successors and assigns, a non-exclusive easement
42 for the construction, installation, operation, and maintenance of underground natural gas
43 distribution lines and associated equipment for its natural gas line expansion project. Said
44 easement area is located in Baldwin County, and is more particularly described as follows:
45 That approximately 3.1 acres, lying and being in Land Lots 265 and 270, 5th Land District,
46 City of Milledgeville, Baldwin County, Georgia, and that portion only as shown on an
47 engineer drawing furnished by Southern Natural Gas Company, and being on file in the
48 offices of the State Properties Commission and may be more particularly described by a plat
49 of survey prepared by a Georgia registered land surveyor and presented to the State
50 Properties Commission for approval.

51 **SECTION 3.**

52 That the above-described easement area shall be used solely for the purpose of the
53 construction, installation, operation, and maintenance of underground natural gas distribution
54 lines and associated equipment.

55 **SECTION 4.**

56 That Southern Natural Gas Company shall have the right to remove or cause to be removed
57 from said easement area only such trees and bushes as may be reasonably necessary for the
58 construction, installation, operation, and maintenance of underground natural gas distribution
59 lines and associated equipment.

60 **SECTION 5.**

61 That, after Southern Natural Gas Company has put into use the underground natural gas
62 distribution lines and associated equipment this easement is granted for, a subsequent

63 abandonment of the use thereof shall cause a reversion to the State of Georgia, or its
64 successors and assigns, of all the rights, title, privileges, powers, and easement granted
65 herein. Upon abandonment, Southern Natural Gas Company, or its successors and assigns,
66 shall have the option of removing their facilities from the easement area or leaving the same
67 in place, in which event the underground natural gas distribution lines and associated
68 equipment shall become the property of the State of Georgia, or its successors and assigns.

69 **SECTION 6.**

70 That no title shall be conveyed to Southern Natural Gas Company and, except as herein
71 specifically granted to Southern Natural Gas Company, all rights, title, and interest in and
72 to said easement area is reserved in the State of Georgia, which may make any use of said
73 easement area not inconsistent with or detrimental to the rights, privileges, and interest
74 granted to Southern Natural Gas Company.

75 **SECTION 7.**

76 That if the State of Georgia, acting by and through its State Properties Commission,
77 determines that any or all of the facilities placed on the easement area should be removed or
78 relocated to an alternate site on state-owned land in order to avoid interference with the
79 state's use or intended use of the easement area, it may grant a substantially equivalent
80 non-exclusive easement to allow placement of the removed or relocated facilities across the
81 alternate site under such terms and conditions as the State Properties Commission shall in its
82 discretion determine to be in the best interests of the State of Georgia, and Southern Natural
83 Gas Company shall remove or relocate its facilities to the alternate easement area at its sole
84 cost and expense without reimbursement by the State of Georgia unless, in advance of any
85 construction being commenced, Southern Natural Gas Company provides a written estimate
86 for the cost of such removal and relocation and the State Properties Commission determines,
87 in its sole discretion, that the removal and relocation is for the sole benefit of the State of

88 Georgia. Upon written request from Southern Natural Gas Company or any third party, the
89 State Properties Commission, in its sole discretion, may grant a substantially equivalent
90 non-exclusive easement within the property for the relocation of the facilities without cost,
91 expense or reimbursement from the State of Georgia.

92 **SECTION 8.**

93 That the easement granted to Southern Natural Gas Company shall contain such other
94 reasonable terms, conditions, and covenants as the State Properties Commission shall deem
95 in the best interest of the State of Georgia and that the State Properties Commission is
96 authorized to use a more accurate description of the easement area, so long as the description
97 utilized by the State Properties Commission describes the same easement area herein granted.

98 **SECTION 9.**

99 That this resolution does not affect and is not intended to affect any rights, powers, interest,
100 or liability of the Georgia Department of Transportation with respect to the state highway
101 system, or of a county with respect to the county road system or of a municipality with
102 respect to the city street system. Southern Natural Gas Company shall obtain any and all
103 other required permits from the appropriate governmental agencies as are necessary for its
104 lawful use of the easement area or public highway right of way and comply with all
105 applicable state and federal environmental statutes in its use of the easement area.

106 **SECTION 10.**

107 That the consideration for such easement shall be for fair market value not less than \$650.00
108 and such further consideration and provisions as the State Properties Commission may
109 determine to be in the best interest of the State of Georgia.

110 **SECTION 11.**

111 That this grant of easement shall be recorded by Southern Natural Gas Company in the
112 Superior Court of Baldwin County, and a recorded copy shall be promptly forwarded to the
113 State Properties Commission.

114 **SECTION 12.**

115 That the authorization in this resolution to grant the above-described easement to Southern
116 Natural Gas Company shall expire three years after the date that this resolution becomes
117 effective.

118 **SECTION 13.**

119 That the State Properties Commission is authorized and empowered to do all acts and things
120 necessary and proper to effect the grant of the easement.

121 **ARTICLE II**

122 **SECTION 14.**

123 That the State of Georgia is the owner of the hereinafter described real property lying and
124 being in Bartow County, Georgia, and is commonly known as the Western and Atlantic
125 Railroad, and the property is in the custody of the State Properties Commission which, does
126 not object to the granting of an easement; and, in all matters relating to the easement, the
127 State of Georgia is acting by and through its State Properties Commission.

128 **SECTION 15.**

129 That the State of Georgia, acting by and through its State Properties Commission, may grant
130 to the Georgia Department of Transportation, or its successors and assigns, a non-exclusive
131 easement for the construction, operation, and maintenance of a road improvement project
132 over the Western and Atlantic Railroad (PI0013238). Said easement area is located in
133 Bartow County, and is more particularly described as follows:

134 That approximately 0.6 of an acre, lying and being in the 5th Land District, Bartow County,
135 Georgia, and that portion only as shown on a right of way plan furnished by the Georgia
136 Department of Transportation, and being on file in the offices of the State Properties
137 Commission and may be more particularly described by a plat of survey prepared by a
138 Georgia registered land surveyor and presented to the State Properties Commission for
139 approval.

140 **SECTION 16.**

141 That the above-described easement area shall be used solely for the construction, operation,
142 and maintenance of a road improvement project.

143 **SECTION 17.**

144 Georgia Department of Transportation shall have the right to remove or cause to be removed
145 from said easement area only such trees and bushes as may be reasonably necessary for the
146 proper construction, operation, and maintenance of a road improvement project.

147 **SECTION 18.**

148 That, after the Georgia Department of Transportation has put into use the construction,
149 operation, and maintenance of a road improvement project this easement is granted for, a
150 subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
151 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
152 herein. Upon abandonment, the Georgia Department of Transportation, or its successors and
153 assigns, shall have the option of removing their facilities from the easement area or leaving
154 the same in place, in which event the road shall become the property of the State of Georgia,
155 or its successors and assigns.

156

SECTION 19.

157 That no title shall be conveyed to the Georgia Department of Transportation and, except as
158 herein specifically granted to the Georgia Department of Transportation, all rights, title, and
159 interest in and to said easement area is reserved in the State of Georgia, which may make any
160 use of said easement area not inconsistent with or detrimental to the rights, privileges, and
161 interest granted to the Georgia Department of Transportation.

162

SECTION 20.

163 That if the State of Georgia, acting by and through its State Properties Commission,
164 determines that any or all of the facilities placed on the easement area should be removed or
165 relocated to an alternate site on state-owned land in order to avoid interference with the
166 state's use or intended use of the easement area, it may grant a substantially equivalent
167 non-exclusive easement to allow placement of the removed or relocated facilities across the
168 alternate site under such terms and conditions as the State Properties Commission shall in its
169 discretion determine to be in the best interests of the State of Georgia, and the Georgia
170 Department of Transportation shall remove or relocate its facilities to the alternate easement
171 area at its sole cost and expense without reimbursement by the State of Georgia unless, in
172 advance of any construction being commenced, the Georgia Department of Transportation
173 provides a written estimate for the cost of such removal and relocation and the State
174 Properties Commission determines, in its sole discretion, that the removal and relocation is
175 for the sole benefit of the State of Georgia. Upon written request from the Georgia
176 Department of Transportation or any third party, the State Properties Commission, in its sole
177 discretion, may grant a substantially equivalent non-exclusive easement within the property
178 for the relocation of the facilities without cost, expense or reimbursement from the State of
179 Georgia.

180 **SECTION 21.**

181 That the easement granted to the Georgia Department of Transportation shall contain such
182 other reasonable terms, conditions, and covenants as the State Properties Commission shall
183 deem in the best interest of the State of Georgia and that the State Properties Commission is
184 authorized to use a more accurate description of the easement area, so long as the description
185 utilized by the State Properties Commission describes the same easement area herein granted.

186 **SECTION 22.**

187 That this resolution does not affect and is not intended to affect any rights, powers, interest,
188 or liability of the Georgia Department of Transportation with respect to the state highway
189 system, or of a county with respect to the county road system or of a municipality with
190 respect to the city street system. Georgia Department of Transportation shall obtain any and
191 all other required permits from the appropriate governmental agencies as are necessary for
192 its lawful use of the easement area or public highway right of way and comply with all
193 applicable state and federal environmental statutes in its use of the easement area.

194 **SECTION 23.**

195 That, the consideration for such easement shall be for \$23,700.00 and such further
196 consideration and provisions as the State Properties Commission may determine to be in the
197 best interest of the State of Georgia.

198 **SECTION 24.**

199 That this grant of easement shall be recorded by the Georgia Department of Transportation
200 in the Superior Court of Bartow County, and a recorded copy shall be promptly forwarded
201 to the State Properties Commission.

226 by Excelsior Electric Membership Corporation, and being on file in the offices of the State
227 Properties Commission and may be more particularly described by a plat of survey prepared
228 by a Georgia registered land surveyor and presented to the State Properties Commission for
229 approval.

230 **SECTION 29.**

231 That the above-described easement area shall be used solely for the purpose of the
232 construction, installation, operation, and maintenance of underground electrical distribution
233 lines and associated equipment.

234 **SECTION 30.**

235 That Excelsior Electric Membership Corporation shall have the right to remove or cause to
236 be removed from said easement area only such trees and bushes as may be reasonably
237 necessary for the construction, installation, operation, and maintenance of underground
238 electrical distribution lines and associated equipment.

239 **SECTION 31.**

240 That, after Excelsior Electric Membership Corporation has put into use the underground
241 electrical distribution lines and associated equipment this easement is granted for, a
242 subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
243 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
244 herein. Upon abandonment, Excelsior Electric Membership Corporation, or its successors
245 and assigns, shall have the option of removing their facilities from the easement area or
246 leaving the same in place, in which event the underground electrical distribution lines and
247 associated equipment shall become the property of the State of Georgia, or its successors and
248 assigns.

249

SECTION 32.

250 That no title shall be conveyed to Excelsior Electric Membership Corporation and, except
251 as herein specifically granted to Excelsior Electric Membership Corporation, all rights, title,
252 and interest in and to said easement area is reserved in the State of Georgia, which may make
253 any use of said easement area not inconsistent with or detrimental to the rights, privileges,
254 and interest granted Excelsior Electric Membership Corporation.

255

SECTION 33.

256 That if the State of Georgia, acting by and through its State Properties Commission,
257 determines that any or all of the facilities placed on the easement area should be removed or
258 relocated to an alternate site on state-owned land in order to avoid interference with the
259 state's use or intended use of the easement area, it may grant a substantially equivalent
260 non-exclusive easement to allow placement of the removed or relocated facilities across the
261 alternate site under such terms and conditions as the State Properties Commission shall in its
262 discretion determine to be in the best interests of the State of Georgia, and Excelsior Electric
263 Membership Corporation shall remove or relocate its facilities to the alternate easement area
264 at its sole cost and expense without reimbursement by the State of Georgia unless, in advance
265 of any construction being commenced, Excelsior Electric Membership Corporation provides
266 a written estimate for the cost of such removal and relocation and the State Properties
267 Commission determines, in its sole discretion, that the removal and relocation is for the sole
268 benefit of the State of Georgia. Upon written request from Excelsior Electric Membership
269 Corporation or any third party, the State Properties Commission, in its sole discretion, may
270 grant a substantially equivalent non-exclusive easement within the property for the relocation
271 of the facilities without cost, expense or reimbursement from the State of Georgia.

272 **SECTION 34.**

273 That the easement granted to Excelsior Electric Membership Corporation shall contain such
274 other reasonable terms, conditions, and covenants as the State Properties Commission shall
275 deem in the best interest of the State of Georgia and that the State Properties Commission is
276 authorized to use a more accurate description of the easement area, so long as the description
277 utilized by the State Properties Commission describes the same easement area herein granted.

278 **SECTION 35.**

279 That this resolution does not affect and is not intended to affect any rights, powers, interest,
280 or liability of the Georgia Department of Transportation with respect to the state highway
281 system, or of a county with respect to the county road system or of a municipality with
282 respect to the city street system. Excelsior Electric Membership Corporation shall obtain any
283 and all other required permits from the appropriate governmental agencies as are necessary
284 for its lawful use of the easement area or public highway right of way and comply with all
285 applicable state and federal environmental statutes in its use of the easement area.

286 **SECTION 36.**

287 That, given the public purpose of the project, the consideration for such easement shall be
288 \$10.00 and such further consideration and provisions as the State Properties Commission
289 may determine to be in the best interest of the State of Georgia.

290 **SECTION 37.**

291 That this grant of easement shall be recorded by Excelsior Electric Membership Corporation
292 in the Superior Court of Bulloch County, and a recorded copy shall be promptly forwarded
293 to the State Properties Commission.

294 **SECTION 38.**

295 That the authorization in this resolution to grant the above-described easement to Excelsior
296 Electric Membership Corporation shall expire three years after the date that this resolution
297 becomes effective.

298 **SECTION 39.**

299 That the State Properties Commission is authorized and empowered to do all acts and things
300 necessary and proper to effect the grant of the easement.

301 **ARTICLE IV**

302 **SECTION 40.**

303 That the State of Georgia is the owner of the hereinafter described real property lying and
304 being in Camden County, Georgia, and is commonly known as Coastal Pines Technical
305 College, and the property is in the custody of the Technical College System of Georgia
306 which, by official action dated April 3, 2025, does not object to the granting of an easement;
307 and, in all matters relating to the easement, the State of Georgia is acting by and through its
308 State Properties Commission.

309 **SECTION 41.**

310 That the State of Georgia, acting by and through its State Properties Commission, may grant
311 to the City of Kingsland, or its successors and assigns, a non-exclusive easement for the
312 construction, operation and maintenance of a road improvement project (PI0015396). Said
313 easement area is located in Camden County, and is more particularly described as follows:
314 That approximately 0.15 of an acre, lying and being in 1606th G.M.D., City of Kingsland,
315 Camden County, Georgia, and that portion only as shown on right of way plans furnished by
316 the City of Kingsland, and being on file in the offices of the State Properties Commission and

317 may be more particularly described by a plat of survey prepared by a Georgia registered land
318 surveyor and presented to the State Properties Commission for approval.

319 **SECTION 42.**

320 That the above-described easement area shall be used solely for the purpose of the
321 construction, operation, and maintenance of a road improvement project.

322 **SECTION 43.**

323 That the City of Kingsland shall have the right to remove or cause to be removed from said
324 easement area only such trees and bushes as may be reasonably necessary for the
325 construction, operation, and maintenance of a road improvement project.

326 **SECTION 44.**

327 That, after the City of Kingsland has put into use the road improvement this easement is
328 granted for, a subsequent abandonment of the use thereof shall cause a reversion to the State
329 of Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and
330 easement granted herein. Upon abandonment, the City of Kingsland, or its successors and
331 assigns, shall have the option of removing their facilities from the easement area or leaving
332 the same in place, in which event the road improvement shall become the property of the
333 State of Georgia, or its successors and assigns.

334 **SECTION 45.**

335 That no title shall be conveyed to the City of Kingsland and, except as herein specifically
336 granted to the City of Kingsland, all rights, title, and interest in and to said easement area is
337 reserved in the State of Georgia, which may make any use of said easement area not
338 inconsistent with or detrimental to the rights, privileges, and interest granted the City of
339 Kingsland.

340

SECTION 46.

341 That if the State of Georgia, acting by and through its State Properties Commission,
342 determines that any or all of the facilities placed on the easement area should be removed or
343 relocated to an alternate site on state-owned land in order to avoid interference with the
344 state's use or intended use of the easement area, it may grant a substantially equivalent
345 non-exclusive easement to allow placement of the removed or relocated facilities across the
346 alternate site under such terms and conditions as the State Properties Commission shall in its
347 discretion determine to be in the best interests of the State of Georgia, and the City of
348 Kingsland shall remove or relocate its facilities to the alternate easement area at its sole cost
349 and expense without reimbursement by the State of Georgia unless, in advance of any
350 construction being commenced, City of Kingsland provides a written estimate for the cost
351 of such removal and relocation and the State Properties Commission determines, in its sole
352 discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
353 Upon written request from the City of Kingsland or any third party, the State Properties
354 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
355 easement within the property for the relocation of the facilities without cost, expense or
356 reimbursement from the State of Georgia.

357

SECTION 47.

358 That the easement granted to the City of Kingsland shall contain such other reasonable terms,
359 conditions, and covenants as the State Properties Commission shall deem in the best interest
360 of the State of Georgia and that the State Properties Commission is authorized to use a more
361 accurate description of the easement area, so long as the description utilized by the State
362 Properties Commission describes the same easement area herein granted.

363 **SECTION 48.**

364 That this resolution does not affect and is not intended to affect any rights, powers, interest,
365 or liability of the Georgia Department of Transportation with respect to the state highway
366 system, or of a county with respect to the county road system or of a municipality with
367 respect to the city street system. The City of Kingsland shall obtain any and all other
368 required permits from the appropriate governmental agencies as are necessary for its lawful
369 use of the easement area or public highway right of way and comply with all applicable state
370 and federal environmental statutes in its use of the easement area.

371 **SECTION 49.**

372 That the consideration for such easement shall be for \$4,000.00 and such further
373 consideration and provisions as the State Properties Commission may determine to be in the
374 best interest of the State of Georgia.

375 **SECTION 50.**

376 That this grant of easement shall be recorded by the City of Kingsland in the Superior Court
377 of Camden County, and a recorded copy shall be promptly forwarded to the State Properties
378 Commission.

379 **SECTION 51.**

380 That the authorization in this resolution to grant the above-described easement to the City of
381 Kingsland shall expire three years after the date that this resolution becomes effective.

382 **SECTION 52.**

383 That the State Properties Commission is authorized and empowered to do all acts and things
384 necessary and proper to effect the grant of the easement.

385 ARTICLE V

386 SECTION 53.

387 That the State of Georgia is the owner of the hereinafter described real property lying and
388 being in Catoosa County, Georgia, and is commonly known as Georgia Northwestern
389 Technical College, and the property is in the custody of the Technical College System of
390 Georgia which, by official action dated March 5, 2024, does not object to the granting of an
391 easement; and, in all matters relating to the easement, the State of Georgia is acting by and
392 through its State Properties Commission.

393 SECTION 54.

394 That the State of Georgia, acting by and through its State Properties Commission, may grant
395 to Marathon Realty Corp., or its successors and assigns, a non-exclusive easement for the
396 construction, installation, operation and maintenance of a slope. Said easement area is
397 located in Catoosa County, and is more particularly described as follows:

398 That approximately 0.46 of an acre, lying and being in Land Lot 224, 28th Land District, 3rd
399 Section, City of Ringgold, Catoosa County, Georgia, and that portion only as shown on an
400 aerial furnished by Marathon Realty Corp., and being on file in the offices of the State
401 Properties Commission and may be more particularly described by a plat of survey prepared
402 by a Georgia registered land surveyor and presented to the State Properties Commission for
403 approval.

404 SECTION 55.

405 That the above-described easement area shall be used solely for the construction, installation,
406 operation and maintenance of a slope.

407 **SECTION 56.**

408 That Marathon Realty Corp. shall have the right to remove or cause to be removed from said
409 easement area only such trees and bushes as may be reasonably necessary for the
410 construction, installation, operation and maintenance of a slope.

411 **SECTION 57.**

412 That, after Marathon Realty Corp. has put into use the slope this easement is granted for, a
413 subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
414 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
415 herein. Upon abandonment, Marathon Realty Corp., or its successors and assigns, shall have
416 the option of removing their facilities from the easement area or leaving the same in place,
417 in which event the slope shall become the property of the State of Georgia, or its successors
418 and assigns.

419 **SECTION 58.**

420 That no title shall be conveyed to Marathon Realty Corp. and, except as herein specifically
421 granted to Marathon Realty Corp., all rights, title, and interest in and to said easement area
422 is reserved in the State of Georgia, which may make any use of said easement area not
423 inconsistent with or detrimental to the rights, privileges, and interest granted to Marathon
424 Realty Corp.

425 **SECTION 59.**

426 That if the State of Georgia, acting by and through its State Properties Commission,
427 determines that any or all of the facilities placed on the easement area should be removed or
428 relocated to an alternate site on state-owned land in order to avoid interference with the
429 state's use or intended use of the easement area, it may grant a substantially equivalent
430 non-exclusive easement to allow placement of the removed or relocated facilities across the

431 alternate site under such terms and conditions as the State Properties Commission shall in its
432 discretion determine to be in the best interests of the State of Georgia, and Marathon Realty
433 Corp. shall remove or relocate its facilities to the alternate easement area at its sole cost and
434 expense without reimbursement by the State of Georgia unless, in advance of any
435 construction being commenced, Marathon Realty Corp. provides a written estimate for the
436 cost of such removal and relocation and the State Properties Commission determines, in its
437 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
438 Upon written request from Marathon Realty Corp. or any third party, the State Properties
439 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
440 easement within the property for the relocation of the facilities without cost, expense or
441 reimbursement from the State of Georgia.

442 **SECTION 60.**

443 That the easement granted to Marathon Realty Corp. shall contain such other reasonable
444 terms, conditions, and covenants as the State Properties Commission shall deem in the best
445 interest of the State of Georgia and that the State Properties Commission is authorized to use
446 a more accurate description of the easement area, so long as the description utilized by the
447 State Properties Commission describes the same easement area herein granted.

448 **SECTION 61.**

449 That this resolution does not affect and is not intended to affect any rights, powers, interest,
450 or liability of the Georgia Department of Transportation with respect to the state highway
451 system, or of a county with respect to the county road system or of a municipality with
452 respect to the city street system. Marathon Realty Corp. shall obtain any and all other
453 required permits from the appropriate governmental agencies as are necessary for its lawful
454 use of the easement area or public highway right of way and comply with all applicable state
455 and federal environmental statutes in its use of the easement area.

456 **SECTION 62.**

457 That the consideration for such easement shall be for fair market value not less than \$650.00
458 and such further consideration and provisions as the State Properties Commission may
459 determine to be in the best interest of the State of Georgia.

460 **SECTION 63.**

461 That this grant of easement shall be recorded by the Marathon Realty Corp. in the Superior
462 Court of Catoosa County, and a recorded copy shall be promptly forwarded to the State
463 Properties Commission.

464 **SECTION 64.**

465 That the authorization in this resolution to grant the above-described easement to the
466 Marathon Realty Corp. shall expire three years after the date that this resolution becomes
467 effective.

468 **SECTION 65.**

469 That the State Properties Commission is authorized and empowered to do all acts and things
470 necessary and proper to effect the grant of the easement.

471 **ARTICLE VI**

472 **SECTION 66.**

473 That the State of Georgia is the owner of the hereinafter described real property lying and
474 being in Chatham County, Georgia, and is commonly known as the Wormsloe Historic Site,
475 and the property is in the custody of the Department of Natural Resources which, by official
476 action dated March 26, 2024, does not object to the granting of an easement; and, in all
477 matters relating to the easement, the State of Georgia is acting by and through its State
478 Properties Commission.

479 **SECTION 67.**

480 That the State of Georgia, acting by and through its State Properties Commission, may grant
481 to Chatham County, Georgia, or its successors and assigns, a non-exclusive easement for the
482 construction, installation, operation, and maintenance of stormwater drainage improvements
483 including an outlet pipe and drainage ditch at the Wormsloe Historic Site. Said easement
484 area is located in Chatham County, and is more particularly described as follows:

485 That approximately 0.5 of an acre, lying and being in Land Lots 113, 114, 115, 116, and 117,
486 City of Savannah, Chatham County, Georgia, and that portion only as shown on an aerial
487 drawing furnished by Chatham County, Georgia, and being on file in the offices of the State
488 Properties Commission and may be more particularly described by a plat of survey prepared
489 by a Georgia registered land surveyor and presented to the State Properties Commission for
490 approval.

491 **SECTION 68.**

492 That the above-described easement area shall be used solely for the purpose of the
493 construction, installation, operation, and maintenance of stormwater drainage improvements
494 including an outlet pipe and drainage ditch.

495 **SECTION 69.**

496 That Chatham County, Georgia shall have the right to remove or cause to be removed from
497 said easement area only such trees and bushes as may be reasonably necessary for the
498 construction, installation, operation, and maintenance of stormwater drainage improvements
499 including an outlet pipe and drainage ditch.

500 **SECTION 70.**

501 That, after Chatham County, Georgia has put into use the stormwater drainage improvements
502 including an outlet pipe and drainage ditch this easement is granted for, a subsequent

503 abandonment of the use thereof shall cause a reversion to the State of Georgia, or its
504 successors and assigns, of all the rights, title, privileges, powers, and easement granted
505 herein. Upon abandonment, Chatham County, Georgia, or its successors and assigns, shall
506 have the option of removing their facilities from the easement area or leaving the same in
507 place, in which event the stormwater drainage improvements including an outlet pipe and
508 drainage ditch shall become the property of the State of Georgia, or its successors and
509 assigns.

510 **SECTION 71.**

511 That no title shall be conveyed to Chatham County, Georgia and, except as herein
512 specifically granted to Chatham County, Georgia, all rights, title, and interest in and to said
513 easement area is reserved in the State of Georgia, which may make any use of said easement
514 area not inconsistent with or detrimental to the rights, privileges, and interest granted to
515 Chatham County, Georgia.

516 **SECTION 72.**

517 That if the State of Georgia, acting by and through its State Properties Commission,
518 determines that any or all of the facilities placed on the easement area should be removed or
519 relocated to an alternate site on state-owned land in order to avoid interference with the
520 state's use or intended use of the easement area, it may grant a substantially equivalent
521 non-exclusive easement to allow placement of the removed or relocated facilities across the
522 alternate site under such terms and conditions as the State Properties Commission shall in its
523 discretion determine to be in the best interests of the State of Georgia, and Chatham County,
524 Georgia shall remove or relocate its facilities to the alternate easement area at its sole cost
525 and expense without reimbursement by the State of Georgia unless, in advance of any
526 construction being commenced, Chatham County, Georgia provides a written estimate for
527 the cost of such removal and relocation and the State Properties Commission determines, in

528 its sole discretion, that the removal and relocation is for the sole benefit of the State of
529 Georgia. Upon written request from Chatham County, Georgia or any third party, the State
530 Properties Commission, in its sole discretion, may grant a substantially equivalent
531 non-exclusive easement within the property for the relocation of the facilities without cost,
532 expense or reimbursement from the State of Georgia.

533 **SECTION 73.**

534 That the easement granted to Chatham County, Georgia shall contain such other reasonable
535 terms, conditions, and covenants as the State Properties Commission shall deem in the best
536 interest of the State of Georgia and that the State Properties Commission is authorized to use
537 a more accurate description of the easement area, so long as the description utilized by the
538 State Properties Commission describes the same easement area herein granted.

539 **SECTION 74.**

540 That this resolution does not affect and is not intended to affect any rights, powers, interest,
541 or liability of the Georgia Department of Transportation with respect to the state highway
542 system, or of a county with respect to the county road system or of a municipality with
543 respect to the city street system. Chatham County, Georgia shall obtain any and all other
544 required permits from the appropriate governmental agencies as are necessary for its lawful
545 use of the easement area or public highway right of way and comply with all applicable state
546 and federal environmental statutes in its use of the easement area.

547 **SECTION 75.**

548 That, given the public purpose of the project, the consideration for such easement shall be
549 \$10.00 and such further consideration and provisions as the State Properties Commission
550 may determine to be in the best interest of the State of Georgia.

551 **SECTION 76.**

552 That this grant of easement shall be recorded by Chatham County, Georgia in the Superior
553 Court of Chatham County and a recorded copy shall be promptly forwarded to the State
554 Properties Commission.

555 **SECTION 77.**

556 That the authorization in this resolution to grant the above-described easement to Chatham
557 County, Georgia shall expire three years after the date that this resolution becomes effective.

558 **SECTION 78.**

559 That the State Properties Commission is authorized and empowered to do all acts and things
560 necessary and proper to effect the grant of the easement.

561 **ARTICLE VII**

562 **SECTION 79.**

563 That the State of Georgia is the owner of the hereinafter described real property lying and
564 being in Chattooga County, Georgia, and is commonly known as Hays State Prison, and the
565 property is in the custody of the Department of Corrections which, by official action dated
566 November 4, 2025, does not object to the granting of an easement; and, in all matters relating
567 to the easement, the State of Georgia is acting by and through its State Properties
568 Commission.

569 **SECTION 80.**

570 That the State of Georgia, acting by and through its State Properties Commission, may grant
571 to the City of Summerville, or its successors and assigns, a non-exclusive easement for the
572 construction, installation, operation, and maintenance of an underground natural gas line and

573 associated equipment to serve the ModCorr addition to Hays State Prison. Said easement
574 area is located in Chattooga County, and is more particularly described as follows:
575 That approximately 1.0 acre, lying and being in the Land Lots 96, 97, 98, and 120, 6th
576 District, 4th Section, City of Summerville, Chattooga County, Georgia, and that portion only
577 as shown on an engineer drawing furnished by the City of Summerville, and being on file in
578 the offices of the State Properties Commission and may be more particularly described by
579 a plat of survey prepared by a Georgia registered land surveyor and presented to the State
580 Properties Commission for approval.

581 **SECTION 81.**

582 That the above-described easement area shall be used solely for the purpose of the
583 construction, installation, operation, and maintenance of an underground natural gas line and
584 associated equipment.

585 **SECTION 82.**

586 That the City of Summerville shall have the right to remove or cause to be removed from
587 said easement area only such trees and bushes as may be reasonably necessary for the
588 construction, installation, operation, and maintenance of an underground natural gas line and
589 associated equipment.

590 **SECTION 83.**

591 That, after the City of Summerville has put into use the underground natural gas line and
592 associated equipment this easement is granted for, a subsequent abandonment of the use
593 thereof shall cause a reversion to the State of Georgia, or its successors and assigns, of all the
594 rights, title, privileges, powers, and easement granted herein. Upon abandonment, the City
595 of Summerville, or its successors and assigns, shall have the option of removing their
596 facilities from the easement area or leaving the same in place, in which event the

597 underground natural gas line and associated equipment shall become the property of the State
598 of Georgia, or its successors and assigns.

599 **SECTION 84.**

600 That no title shall be conveyed to the City of Summerville and, except as herein specifically
601 granted to the City of Summerville, all rights, title, and interest in and to said easement area
602 is reserved in the State of Georgia, which may make any use of said easement area not
603 inconsistent with or detrimental to the rights, privileges, and interest granted the City of
604 Summerville.

605 **SECTION 85.**

606 That if the State of Georgia, acting by and through its State Properties Commission,
607 determines that any or all of the facilities placed on the easement area should be removed or
608 relocated to an alternate site on state-owned land in order to avoid interference with the
609 state's use or intended use of the easement area, it may grant a substantially equivalent
610 non-exclusive easement to allow placement of the removed or relocated facilities across the
611 alternate site under such terms and conditions as the State Properties Commission shall in its
612 discretion determine to be in the best interests of the State of Georgia, and City of
613 Summerville shall remove or relocate its facilities to the alternate easement area at its sole
614 cost and expense without reimbursement by the State of Georgia unless, in advance of any
615 construction being commenced, City of Summerville provides a written estimate for the cost
616 of such removal and relocation and the State Properties Commission determines, in its sole
617 discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
618 Upon written request from City of Summerville or any third party, the State Properties
619 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
620 easement within the property for the relocation of the facilities without cost, expense or
621 reimbursement from the State of Georgia.

622 **SECTION 86.**

623 That the easement granted City of Summerville shall contain such other reasonable terms,
624 conditions, and covenants as the State Properties Commission shall deem in the best interest
625 of the State of Georgia and that the State Properties Commission is authorized to use a more
626 accurate description of the easement area, so long as the description utilized by the State
627 Properties Commission describes the same easement area herein granted.

628 **SECTION 87.**

629 That this resolution does not affect and is not intended to affect any rights, powers, interest,
630 or liability of the Georgia Department of Transportation with respect to the state highway
631 system, or of a county with respect to the county road system or of a municipality with
632 respect to the city street system. City of Summerville shall obtain any and all other required
633 permits from the appropriate governmental agencies as are necessary for its lawful use of the
634 easement area or public highway right of way and comply with all applicable state and
635 federal environmental statutes in its use of the easement area.

636 **SECTION 88.**

637 That, given the public purpose of the project, the consideration for such easement shall be
638 \$10.00 and such further consideration and provisions as the State Properties Commission
639 may determine to be in the best interest of the State of Georgia.

640 **SECTION 89.**

641 That this grant of easement shall be recorded by City of Summerville in the Superior Court
642 of Chattooga County, and a recorded copy shall be promptly forwarded to the State
643 Properties Commission.

644 **SECTION 90.**

645 That the authorization in this resolution to grant the above-described easement to the City of
646 Summerville shall expire three years after the date that this resolution becomes effective.

647 **SECTION 91.**

648 That the State Properties Commission is authorized and empowered to do all acts and things
649 necessary and proper to effect the grant of the easement.

650 **ARTICLE VIII**

651 **SECTION 92.**

652 That the State of Georgia is the owner of the hereinafter described real property lying and
653 being in Clayton County, Georgia, and is commonly known as the Atlanta Farmers Market,
654 and the property is in the custody of the Department of Agriculture which, by official action
655 dated November 6, 2025, does not object to the granting of an easement; and, in all matters
656 relating to the easement, the State of Georgia is acting by and through its State Properties
657 Commission.

658 **SECTION 93.**

659 That the State of Georgia, acting by and through its State Properties Commission, may grant
660 to Georgia Power Company, or its successors and assigns, a non-exclusive easement for the
661 removal and relocation of electrical infrastructures for the Atlanta Farmers Market utility
662 upgrade and repair project. Said easement area is located in Clayton County, and is more
663 particularly described as follows:

664 That approximately 1.6 acres, lying and being in Land Lots 52 and 53, 13th Land District,
665 City of Forest Park, Clayton County, Georgia, and that portion only as shown on an engineer
666 drawing furnished by Georgia Power Company, and being on file in the offices of the State
667 Properties Commission and may be more particularly described by a plat of survey prepared

668 by a Georgia registered land surveyor and presented to the State Properties Commission for
669 approval.

670 **SECTION 94.**

671 That the above-described easement area shall be used solely for the removal and relocation
672 of electrical infrastructures.

673 **SECTION 95.**

674 That Georgia Power Company shall have the right to remove or cause to be removed from
675 said easement area only such trees and bushes as may be reasonably necessary for the
676 removal and relocation of electrical infrastructures.

677 **SECTION 96.**

678 That, after Georgia Power Company has put into use the electrical infrastructures this
679 easement is granted for, a subsequent abandonment of the use thereof shall cause a reversion
680 to the State of Georgia, or its successors and assigns, of all the rights, title, privileges,
681 powers, and easement granted herein. Upon abandonment, Georgia Power Company, or its
682 successors and assigns, shall have the option of removing their equipment from the easement
683 area or leaving the same in place, in which event the electrical infrastructures shall become
684 the property of the State of Georgia, or its successors and assigns.

685 **SECTION 97.**

686 That no title shall be conveyed to the Georgia Power Company and, except as herein
687 specifically granted to the Georgia Power Company, all rights, title, and interest in and to
688 said easement area is reserved in the State of Georgia, which may make any use of said
689 easement area not inconsistent with or detrimental to the rights, privileges, and interest
690 granted to Georgia Power Company.

691

SECTION 98.

692 That if the State of Georgia, acting by and through its State Properties Commission,
693 determines that any or all of the facilities placed on the easement area should be removed or
694 relocated to an alternate site on state-owned land in order to avoid interference with the
695 state's use or intended use of the easement area, it may grant a substantially equivalent
696 non-exclusive easement to allow placement of the removed or relocated facilities across the
697 alternate site under such terms and conditions as the State Properties Commission shall in its
698 discretion determine to be in the best interests of the State of Georgia, and Georgia Power
699 Company shall remove or relocate its facilities to the alternate easement area at its sole cost
700 and expense without reimbursement by the State of Georgia unless, in advance of any
701 construction being commenced, Georgia Power Company provides a written estimate for the
702 cost of such removal and relocation and the State Properties Commission determines, in its
703 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
704 Upon written request from Georgia Power Company or any third party, the State Properties
705 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
706 easement within the property for the relocation of the facilities without cost, expense or
707 reimbursement from the State of Georgia.

708

SECTION 99.

709 That the easement granted to Georgia Power Company shall contain such other reasonable
710 terms, conditions, and covenants as the State Properties Commission shall deem in the best
711 interest of the State of Georgia and that the State Properties Commission is authorized to use
712 a more accurate description of the easement area, so long as the description utilized by the
713 State Properties Commission describes the same easement area herein granted.

714 **SECTION 100.**

715 That this resolution does not affect and is not intended to affect any rights, powers, interest,
716 or liability of the Georgia Department of Transportation with respect to the state highway
717 system, or of a county with respect to the county road system or of a municipality with
718 respect to the city street system. Georgia Power Company shall obtain any and all other
719 required permits from the appropriate governmental agencies as are necessary for its lawful
720 use of the easement area or public highway right of way and comply with all applicable state
721 and federal environmental statutes in its use of the easement area.

722 **SECTION 101.**

723 That, given the public purpose of the project, the consideration for such easement shall be
724 \$10.00 and such further consideration and provisions as the State Properties Commission
725 may determine to be in the best interest of the State of Georgia.

726 **SECTION 102.**

727 That this grant of easement shall be recorded by Georgia Power Company in the Superior
728 Court of Clayton County, and a recorded copy shall be promptly forwarded to the State
729 Properties Commission.

730 **SECTION 103.**

731 That the authorization in this resolution to grant the above-described easement to Georgia
732 Power Company shall expire three years after the date that this resolution becomes effective.

733 **SECTION 104.**

734 That the State Properties Commission is authorized and empowered to do all acts and things
735 necessary and proper to effect the grant of the easement.

736

ARTICLE IX

737

SECTION 105.

738 That the State of Georgia is the owner of the hereinafter described real property lying and
739 being in Colquitt County, Georgia, and is commonly known as Southern Regional Technical
740 College, and the property is in the custody of the Technical College System of Georgia
741 which, by official action dated June 6, 2024, does not object to the granting of an easement;
742 and, in all matters relating to the easement, the State of Georgia is acting by and through its
743 State Properties Commission.

744

SECTION 106.

745 That the State of Georgia, acting by and through its State Properties Commission, may grant
746 to the City of Moultrie, or its successors and assigns, a non-exclusive easement for the
747 construction, installation, operation, and maintenance of underground electrical and gas
748 distribution lines and associated equipment to serve the campus expansion (DTAE-73). Said
749 easement area is located in Colquitt County, and is more particularly described as follows:
750 That approximately 4.6 acres, lying and being in Land Lot 246, 8th Land District, City of
751 Moultrie, Colquitt County, Georgia, and that portion only as shown on an engineer drawing
752 furnished by the City of Moultrie, Georgia, and being on file in the offices of the State
753 Properties Commission and may be more particularly described by a plat of survey prepared
754 by a Georgia registered land surveyor and presented to the State Properties Commission for
755 approval.

756

SECTION 107.

757 That the above-described easement area shall be used solely for the construction, installation,
758 operation, and maintenance of underground electrical and gas distribution lines and
759 associated equipment.

760 **SECTION 108.**

761 That the City of Moultrie shall have the right to remove or cause to be removed from said
762 easement area only such trees and bushes as may be reasonably necessary for the proper
763 construction, installation, operation, and maintenance of underground electrical and gas
764 distribution lines and associated equipment.

765 **SECTION 109.**

766 That, after the City of Moultrie has put into use the underground electrical and gas
767 distribution lines and associated equipment this easement is granted for, a subsequent
768 abandonment of the use thereof shall cause a reversion to the State of Georgia, or its
769 successors and assigns, of all the rights, title, privileges, powers, and easement granted
770 herein. Upon abandonment, the City of Moultrie, or its successors and assigns, shall have
771 the option of removing their facilities from the easement area or leaving the same in place,
772 in which event the underground electrical and gas distribution lines and associated equipment
773 shall become the property of the State of Georgia, or its successors and assigns.

774 **SECTION 110.**

775 That no title shall be conveyed to the City of Moultrie and, except as herein specifically
776 granted to the City of Moultrie, all rights, title, and interest in and to said easement area is
777 reserved in the State of Georgia, which may make any use of said easement area not
778 inconsistent with or detrimental to the rights, privileges, and interest granted to the City of
779 Moultrie.

780 **SECTION 111.**

781 That if the State of Georgia, acting by and through its State Properties Commission,
782 determines that any or all of the facilities placed on the easement area should be removed or
783 relocated to an alternate site on state-owned land in order to avoid interference with the

784 state's use or intended use of the easement area, it may grant a substantially equivalent
785 non-exclusive easement to allow placement of the removed or relocated facilities across the
786 alternate site under such terms and conditions as the State Properties Commission shall in its
787 discretion determine to be in the best interests of the State of Georgia, and the City of
788 Moultrie shall remove or relocate its facilities to the alternate easement area at its sole cost
789 and expense without reimbursement by the State of Georgia unless, in advance of any
790 construction being commenced, the City of Moultrie provides a written estimate for the cost
791 of such removal and relocation and the State Properties Commission determines, in its sole
792 discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
793 Upon written request from the City of Moultrie or any third party, the State Properties
794 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
795 easement within the property for the relocation of the facilities without cost, expense or
796 reimbursement from the State of Georgia.

797 **SECTION 112.**

798 That the easement granted to the City of Moultrie shall contain such other reasonable terms,
799 conditions, and covenants as the State Properties Commission shall deem in the best interest
800 of the State of Georgia and that the State Properties Commission is authorized to use a more
801 accurate description of the easement area, so long as the description utilized by the State
802 Properties Commission describes the same easement area herein granted.

803 **SECTION 113.**

804 That this resolution does not affect and is not intended to affect any rights, powers, interest,
805 or liability of the Georgia Department of Transportation with respect to the state highway
806 system, or of a county with respect to the county road system or of a municipality with
807 respect to the city street system. City of Moultrie, Georgia shall obtain any and all other
808 required permits from the appropriate governmental agencies as are necessary for its lawful

809 use of the easement area or public highway right of way and comply with all applicable state
810 and federal environmental statutes in its use of the easement area.

811 **SECTION 114.**

812 That, given the public purpose of the project, the consideration for such easement shall be
813 \$10.00 and such further consideration and provisions as the State Properties Commission
814 may determine to be in the best interest of the State of Georgia.

815 **SECTION 115.**

816 That this grant of easement shall be recorded by the City of Moultrie in the Superior Court
817 of Colquitt County, and a recorded copy shall be promptly forwarded to the State Properties
818 Commission.

819 **SECTION 116.**

820 That the authorization in this resolution to grant the above-described easement to the City of
821 Moultrie shall expire three years after the date that this resolution becomes effective.

822 **SECTION 117.**

823 That the State Properties Commission is authorized and empowered to do all acts and things
824 necessary and proper to effect the grant of the easement.

825 **ARTICLE X**

826 **SECTION 118.**

827 That the State of Georgia is the owner of the hereinafter described real property lying and
828 being in DeKalb County, Georgia, and is commonly known as Georgia Piedmont Technical
829 College, and the property is in the custody of the Technical College System of Georgia
830 which, by official action dated June 5, 2025, does not object to the granting of an easement;

831 and, in all matters relating to the easement, the State of Georgia is acting by and through its
832 State Properties Commission.

833 **SECTION 119.**

834 That the State of Georgia, acting by and through its State Properties Commission, may grant
835 to the Georgia Power Company, or its successors and assigns, a non-exclusive easement for
836 the construction, installation, operation, and maintenance of two transformers, underground
837 and overhead electrical distribution lines and associated equipment to serve the new
838 commercial truck driving facility (TCSG-380). Said easement area is located in DeKalb
839 County, and is more particularly described as follows:

840 That approximately 1.4 acres, lying and being in Land Lot 134, 16th Land District, City of
841 Lithonia, DeKalb County, Georgia, and that portion only as shown on a survey furnished by
842 Georgia Power Company, and being on file in the offices of the State Properties Commission
843 and may be more particularly described by a plat of survey prepared by a Georgia registered
844 land surveyor and presented to the State Properties Commission for approval.

845 **SECTION 120.**

846 That the above-described easement area shall be used solely for the construction, installation,
847 operation, and maintenance of two transformers, underground and overhead electrical
848 distribution lines and associated equipment.

849 **SECTION 121.**

850 That Georgia Power Company shall have the right to remove or cause to be removed from
851 said easement area only such trees and bushes as may be reasonably necessary for the
852 construction, installation, operation, and maintenance of two transformers, underground and
853 overhead electrical distribution lines and associated equipment.

854 **SECTION 122.**

855 That, after Georgia Power Company has put into use the transformers, underground and
856 overhead electrical distribution lines and associated equipment this easement is granted for,
857 a subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
858 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
859 herein. Upon abandonment, Georgia Power Company, or its successors and assigns, shall
860 have the option of removing their equipment from the easement area or leaving the same in
861 place, in which event the transformers, underground and overhead electrical distribution lines
862 and associated equipment shall become the property of the State of Georgia, or its successors
863 and assigns.

864 **SECTION 123.**

865 That no title shall be conveyed to Georgia Power Company and, except as herein specifically
866 granted to Georgia Power Company, all rights, title, and interest in and to said easement area
867 is reserved in the State of Georgia, which may make any use of said easement area not
868 inconsistent with or detrimental to the rights, privileges, and interest granted to Georgia
869 Power Company.

870 **SECTION 124.**

871 That if the State of Georgia, acting by and through its State Properties Commission,
872 determines that any or all of the facilities placed on the easement area should be removed or
873 relocated to an alternate site on state-owned land in order to avoid interference with the
874 state's use or intended use of the easement area, it may grant a substantially equivalent
875 non-exclusive easement to allow placement of the removed or relocated facilities across the
876 alternate site under such terms and conditions as the State Properties Commission shall in its
877 discretion determine to be in the best interests of the State of Georgia, and Georgia Power
878 Company shall remove or relocate its facilities to the alternate easement area at its sole cost

879 and expense without reimbursement by the State of Georgia unless, in advance of any
880 construction being commenced, Georgia Power Company provides a written estimate for the
881 cost of such removal and relocation and the State Properties Commission determines, in its
882 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
883 Upon written request from Georgia Power Company or any third party, the State Properties
884 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
885 easement within the property for the relocation of the facilities without cost, expense or
886 reimbursement from the State of Georgia.

887 **SECTION 125.**

888 That the easement granted to Georgia Power Company shall contain such other reasonable
889 terms, conditions, and covenants as the State Properties Commission shall deem in the best
890 interest of the State of Georgia and that the State Properties Commission is authorized to use
891 a more accurate description of the easement area, so long as the description utilized by the
892 State Properties Commission describes the same easement area herein granted.

893 **SECTION 126.**

894 That this resolution does not affect and is not intended to affect any rights, powers, interest,
895 or liability of the Georgia Department of Transportation with respect to the state highway
896 system, or of a county with respect to the county road system or of a municipality with
897 respect to the city street system. Georgia Power Company shall obtain any and all other
898 required permits from the appropriate governmental agencies as are necessary for its lawful
899 use of the easement area or public highway right of way and comply with all applicable state
900 and federal environmental statutes in its use of the easement area.

901 **SECTION 127.**

902 That, given the public purpose of the project, the consideration for such easement shall be
903 \$10.00 and such further consideration and provisions as the State Properties Commission
904 may determine to be in the best interest of the State of Georgia.

905 **SECTION 128.**

906 That this grant of easement shall be recorded by Georgia Power Company in the Superior
907 Court of DeKalb County, and a recorded copy shall be promptly forwarded to the State
908 Properties Commission.

909 **SECTION 129.**

910 That the authorization in this resolution to grant the above-described easement to Georgia
911 Power Company shall expire three years after the date that this resolution becomes effective.

912 **SECTION 130.**

913 That the State Properties Commission is authorized and empowered to do all acts and things
914 necessary and proper to effect the grant of the easement.

915 **ARTICLE XI**

916 **SECTION 131.**

917 That the State of Georgia is the owner of the hereinafter described real property lying and
918 being in Emanuel County, Georgia, and is commonly known as George L. Smith State Park,
919 and the property is in the custody of the Department of Natural Resources which, by official
920 action dated September 23, 2025, does not object to the granting of an easement; and, in all
921 matters relating to the easement, the State of Georgia is acting by and through its State
922 Properties Commission.

923 **SECTION 132.**

924 That the State of Georgia, acting by and through its State Properties Commission, may grant
925 to Excelsior Electric Membership Corporation or its successors and assigns, a non-exclusive
926 easement for the construction, installation, operation, and maintenance of an underground
927 distribution line and associated equipment to serve the new campground. Said easement area
928 is located in Emanuel County, and is more particularly described as follows:

929 That approximately 0.5 of an acre, lying and being in 1560th G.M. Land District, Emanuel
930 County, Georgia, and that portion only as shown on an engineer drawing furnished by
931 Excelsior Electric Membership Corporation, and being on file in the offices of the State
932 Properties Commission and may be more particularly described by a plat of survey prepared
933 by a Georgia registered land surveyor and presented to the State Properties Commission for
934 approval.

935 **SECTION 133.**

936 That the above-described easement area shall be used solely for the purpose of the
937 construction, installation, operation, and maintenance of an underground distribution line and
938 associated equipment.

939 **SECTION 134.**

940 That the Excelsior Electric Membership Corporation shall have the right to remove or cause
941 to be removed from said easement area only such trees and bushes as may be reasonably
942 necessary for the construction, installation, operation, and maintenance of an underground
943 distribution line and associated equipment.

944 **SECTION 135.**

945 That, after Excelsior Electric Membership Corporation has put into use the underground
946 distribution line and associated equipment this easement is granted for, a subsequent

947 abandonment of the use thereof shall cause a reversion to the State of Georgia, or its
948 successors and assigns, of all the rights, title, privileges, powers, and easement granted
949 herein. Upon abandonment, Excelsior Electric Membership Corporation, or its successors
950 and assigns, shall have the option of removing the underground distribution line and
951 associated equipment from the easement area or leaving the same in place, in which event
952 the underground distribution line and associated equipment shall become the property of the
953 State of Georgia, or its successors and assigns.

954 **SECTION 136.**

955 That no title shall be conveyed to Excelsior Electric Membership Corporation and, except
956 as herein specifically granted to Excelsior Electric Membership Corporation, all rights, title,
957 and interest in and to said easement area is reserved in the State of Georgia, which may make
958 any use of said easement area not inconsistent with or detrimental to the rights, privileges,
959 and interest granted Excelsior Electric Membership Corporation.

960 **SECTION 137.**

961 That if the State of Georgia, acting by and through its State Properties Commission,
962 determines that any or all of the facilities placed on the easement area should be removed or
963 relocated to an alternate site on state-owned land in order to avoid interference with the
964 state's use or intended use of the easement area, it may grant a substantially equivalent
965 non-exclusive easement to allow placement of the removed or relocated facilities across the
966 alternate site under such terms and conditions as the State Properties Commission shall in its
967 discretion determine to be in the best interests of the State of Georgia, and Excelsior Electric
968 Membership Corporation shall remove or relocate its facilities to the alternate easement area
969 at its sole cost and expense without reimbursement by the State of Georgia unless, in advance
970 of any construction being commenced, Excelsior Electric Membership Corporation provides
971 a written estimate for the cost of such removal and relocation and the State Properties

972 Commission determines, in its sole discretion, that the removal and relocation is for the sole
973 benefit of the State of Georgia. Upon written request from Excelsior Electric Membership
974 Corporation or any third party, the State Properties Commission, in its sole discretion, may
975 grant a substantially equivalent non-exclusive easement within the property for the relocation
976 of the facilities without cost, expense or reimbursement from Excelsior Electric Membership
977 Corporation.

978 **SECTION 138.**

979 That the easement granted to Excelsior Electric Membership Corporation shall contain such
980 other reasonable terms, conditions, and covenants as the State Properties Commission shall
981 deem in the best interest of the State of Georgia and that the State Properties Commission is
982 authorized to use a more accurate description of the easement area, so long as the description
983 utilized by the State Properties Commission describes the same easement area herein granted.

984 **SECTION 139.**

985 That this resolution does not affect and is not intended to affect any rights, powers, interest,
986 or liability of the Georgia Department of Transportation with respect to the state highway
987 system, or of a county with respect to the county road system or of a municipality with
988 respect to the city street system. Excelsior Electric Membership Corporation shall obtain any
989 and all other required permits from the appropriate governmental agencies as are necessary
990 for its lawful use of the easement area or public highway right of way and comply with all
991 applicable state and federal environmental statutes in its use of the easement area.

992 **SECTION 140.**

993 That, given the public purpose of the project, the consideration for such easement shall be
994 \$10.00 and such further consideration and provisions as the State Properties Commission
995 may determine to be in the best interest of the State of Georgia.

996 **SECTION 141.**

997 That this grant of easement shall be recorded by Excelsior Electric Membership Corporation
998 in the Superior Court of Emanuel County, and a recorded copy shall be promptly forwarded
999 to the State Properties Commission.

1000 **SECTION 142.**

1001 That the authorization in this resolution to grant the above-described easement to Excelsior
1002 Electric Membership Corporation shall expire three years after the date that this resolution
1003 becomes effective.

1004 **SECTION 143.**

1005 That the State Properties Commission is authorized and empowered to do all acts and things
1006 necessary and proper to effect the grant of the easement.

1007 **ARTICLE XII**

1008 **SECTION 144.**

1009 That the State of Georgia is the owner of the hereinafter described real property lying and
1010 being in Glynn County, Georgia, and is commonly known as the Altama Plantation Wildlife
1011 Management Area, and the property is in the custody of the Department of Natural Resources
1012 which, by official action dated January 9, 2026 and in order to resolve a hydrological dispute,
1013 does not object to the granting of an easement; and, in all matters relating to the easement,
1014 the State of Georgia is acting by and through its State Properties Commission.

1015 **SECTION 145.**

1016 That the State of Georgia, acting by and through its State Properties Commission, may grant
1017 to HIC Altama, LLC, or its successors and assigns, a non-exclusive easement for the
1018 construction, installation, operation and maintenance of stormwater conveyance

1019 infrastructure and outfalls. Said easement area is located in Glynn County, and is more
1020 particularly described as follows:

1021 That approximately 2.5 acres, lying and being in the 1356TH G.M. District, Glynn County,
1022 Georgia, and that portion only as shown on a preliminary survey furnished by HIC Altama,
1023 LLC, and being on file in the offices of the State Properties Commission and may be more
1024 particularly described by a plat of survey prepared by a Georgia registered land surveyor and
1025 presented to the State Properties Commission for approval.

1026 **SECTION 146.**

1027 That the above-described easement area shall be used solely for the purpose of the
1028 construction, installation, operation and maintenance of stormwater conveyance
1029 infrastructure and outfalls. HIC Altama, LLC shall take all reasonable measures to minimize
1030 and avoid harm to wildlife from land-disturbing activities in the easement area, including
1031 conducting surveys to identify and, as necessary, relocating any gopher tortoises that may
1032 be impacted by such land-disturbing activities.

1033 **SECTION 147.**

1034 That HIC Altama, LLC shall have the right to remove or cause to be removed from said
1035 easement area only such trees and bushes as may be reasonably necessary for the
1036 construction, installation, operation and maintenance of stormwater conveyance
1037 infrastructure and outfalls.

1038 **SECTION 148.**

1039 That, after HIC Altama, LLC has put into use the stormwater conveyance infrastructure and
1040 outfalls this easement is granted for, a subsequent abandonment of the use thereof shall cause
1041 a reversion to the State of Georgia, or its successors and assigns, of all the rights, title,
1042 privileges, powers, and easement granted herein. Upon abandonment, HIC Altama, LLC,

1043 or its successors and assigns, shall have the option of removing their facilities from the
1044 easement area or leaving the same in place, in which event the stormwater conveyance
1045 infrastructure and outfalls shall become the property of the State of Georgia, or its successors
1046 and assigns.

1047 **SECTION 149.**

1048 That no title shall be conveyed to HIC Altama, LLC and, except as herein specifically
1049 granted to HIC Altama, LLC, all rights, title, and interest in and to said easement area is
1050 reserved in the State of Georgia, which may make any use of said easement area not
1051 inconsistent with or detrimental to the rights, privileges, and interest granted HIC Altama,
1052 LLC.

1053 **SECTION 150.**

1054 That if the State of Georgia, acting by and through its State Properties Commission,
1055 determines that any or all of the facilities placed on the easement area should be removed or
1056 relocated to an alternate site on state-owned land in order to avoid interference with the
1057 state's use or intended use of the easement area, it may grant a substantially equivalent
1058 non-exclusive easement to allow placement of the removed or relocated facilities across the
1059 alternate site under such terms and conditions as the State Properties Commission shall in its
1060 discretion determine to be in the best interests of the State of Georgia, and HIC Altama, LLC
1061 shall remove or relocate its facilities to the alternate easement area at its sole cost and
1062 expense without reimbursement by the State of Georgia unless, in advance of any
1063 construction being commenced, HIC Altama, LLC provides a written estimate for the cost
1064 of such removal and relocation and the State Properties Commission determines, in its sole
1065 discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
1066 Upon written request from HIC Altama, LLC or any third party, the State Properties
1067 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive

1068 easement within the property for the relocation of the facilities without cost, expense or
1069 reimbursement from the State of Georgia.

1070 **SECTION 151.**

1071 That the easement granted to HIC Altama, LLC shall contain such other reasonable terms,
1072 conditions, and covenants as the State Properties Commission shall deem in the best interest
1073 of the State of Georgia and that the State Properties Commission is authorized to use a more
1074 accurate description of the easement area, so long as the description utilized by the State
1075 Properties Commission describes the same easement area herein granted.

1076 **SECTION 152.**

1077 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1078 or liability of the Georgia Department of Transportation with respect to the state highway
1079 system, or of a county with respect to the county road system or of a municipality with
1080 respect to the city street system. HIC Altama, LLC shall obtain any and all other required
1081 permits from the appropriate governmental agencies as are necessary for its lawful use of the
1082 easement area or public highway right of way and comply with all applicable state and
1083 federal environmental statutes in its use of the easement area.

1084 **SECTION 153.**

1085 That, to resolve a hydrological dispute, the consideration for such easement shall be \$10.00
1086 and such further consideration and provisions as the State Properties Commission may
1087 determine to be in the best interest of the State of Georgia.

SECTION 154.

1088
1089 That this grant of easement shall be recorded by HIC Altama, LLC in the Superior Court of
1090 Glynn County, and a recorded copy shall be promptly forwarded to the State Properties
1091 Commission.

SECTION 155.

1092
1093 That the authorization in this resolution to grant the above-described easement to HIC
1094 Altama, LLC shall expire three years after the date that this resolution becomes effective.

SECTION 156.

1095
1096 That the State Properties Commission is authorized and empowered to do all acts and things
1097 necessary and proper to effect the grant of the easement.

ARTICLE XIII**SECTION 157.**

1098
1099 That the State of Georgia is the owner of the hereinafter described real property lying and
1100 being in Habersham County, Georgia, and is commonly known as North Georgia Technical
1101 College, and the property is in the custody of the Technical College System of Georgia
1102 which, by official action dated March 5, 2025, does not object to the granting of an easement;
1103 and, in all matters relating to the easement, the State of Georgia is acting by and through its
1104 State Properties Commission.
1105

SECTION 158.

1106
1107 That the State of Georgia, acting by and through its State Properties Commission, may grant
1108 to Georgia Power Company, or its successors and assigns, a non-exclusive easement for the
1109 construction, installation, operation, and maintenance of a three-phase primary underground
1110 wire, one, three-phase padmount transformer, underground electrical distribution lines and

1111 associated equipment to serve the Dr. Mark A. Ivester Center for Living and Learning
1112 (TCSG-377). Said easement area is located in Habersham County, and is more particularly
1113 described as follows:

1114 That approximately 0.24 of an acre, lying and being in Land Lots 83, 84, and 85, 11th Land
1115 District, City of Clarkesville, Habersham County, Georgia, and that portion only as shown
1116 on an engineer drawing furnished by Georgia Power Company, and being on file in the
1117 offices of the State Properties Commission and may be more particularly described by a plat
1118 of survey prepared by a Georgia registered land surveyor and presented to the State
1119 Properties Commission for approval.

1120 **SECTION 159.**

1121 That the above-described easement area shall be used solely for the construction, installation,
1122 operation, and maintenance of a three-phase primary underground wire, one, three-phase
1123 padmount transformer, underground electrical distribution lines and associated equipment.

1124 **SECTION 160.**

1125 That Georgia Power Company shall have the right to remove or cause to be removed from
1126 said easement area only such trees and bushes as may be reasonably necessary for the
1127 construction, installation, operation, and maintenance of a three-phase primary underground
1128 wire, one, three-phase padmount transformer, underground electrical distribution lines and
1129 associated equipment.

1130 **SECTION 161.**

1131 That, after Georgia Power Company has put into use the underground wire, transformer,
1132 underground electrical distribution lines and associated equipment this easement is granted
1133 for, a subsequent abandonment of the use thereof shall cause a reversion to the State of
1134 Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement

1135 granted herein. Upon abandonment, Georgia Power Company, or its successors and assigns,
1136 shall have the option of removing their equipment from the easement area or leaving the
1137 same in place, in which event underground wire, transformer, underground electrical
1138 distribution lines and associated equipment shall become the property of the State of Georgia,
1139 or its successors and assigns.

1140 **SECTION 162.**

1141 That no title shall be conveyed to Georgia Power Company and, except as herein specifically
1142 granted to Georgia Power Company, all rights, title, and interest in and to said easement area
1143 is reserved in the State of Georgia, which may make any use of said easement area not
1144 inconsistent with or detrimental to the rights, privileges, and interest granted to Georgia
1145 Power Company.

1146 **SECTION 163.**

1147 That if the State of Georgia, acting by and through its State Properties Commission,
1148 determines that any or all of the facilities placed on the easement area should be removed or
1149 relocated to an alternate site on state-owned land in order to avoid interference with the
1150 state's use or intended use of the easement area, it may grant a substantially equivalent
1151 non-exclusive easement to allow placement of the removed or relocated facilities across the
1152 alternate site under such terms and conditions as the State Properties Commission shall in its
1153 discretion determine to be in the best interests of the State of Georgia, and Georgia Power
1154 Company shall remove or relocate its facilities to the alternate easement area at its sole cost
1155 and expense without reimbursement by the State of Georgia unless, in advance of any
1156 construction being commenced, Georgia Power Company provides a written estimate for the
1157 cost of such removal and relocation and the State Properties Commission determines, in its
1158 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
1159 Upon written request from Georgia Power Company or any third party, the State Properties

1160 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
1161 easement within the property for the relocation of the facilities without cost, expense or
1162 reimbursement from the State of Georgia.

1163 **SECTION 164.**

1164 That the easement granted to Georgia Power Company shall contain such other reasonable
1165 terms, conditions, and covenants as the State Properties Commission shall deem in the best
1166 interest of the State of Georgia and that the State Properties Commission is authorized to use
1167 a more accurate description of the easement area, so long as the description utilized by the
1168 State Properties Commission describes the same easement area herein granted.

1169 **SECTION 165.**

1170 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1171 or liability of the Georgia Department of Transportation with respect to the state highway
1172 system, or of a county with respect to the county road system or of a municipality with
1173 respect to the city street system. Georgia Power Company shall obtain any and all other
1174 required permits from the appropriate governmental agencies as are necessary for its lawful
1175 use of the easement area or public highway right of way and comply with all applicable state
1176 and federal environmental statutes in its use of the easement area.

1177 **SECTION 166.**

1178 That, given the public purpose of the project, the consideration for such easement shall be
1179 \$10.00 and such further consideration and provisions as the State Properties Commission
1180 may determine to be in the best interest of the State of Georgia.

SECTION 167.

1181
1182 That this grant of easement shall be recorded by Georgia Power Company in the Superior
1183 Court of Habersham County, and a recorded copy shall be promptly forwarded to the State
1184 Properties Commission.

SECTION 168.

1185
1186 That the authorization in this resolution to grant the above-described easement to Georgia
1187 Power Company shall expire three years after the date that this resolution becomes effective.

SECTION 169.

1188
1189 That the State Properties Commission is authorized and empowered to do all acts and things
1190 necessary and proper to effect the grant of the easement.

ARTICLE XIV**SECTION 170.**

1191
1192
1193 That the State of Georgia is the owner of the hereinafter described real property lying and
1194 being in Hall County, Georgia, and is commonly known as Lanier Technical College, and
1195 the property is in the custody of the Technical College System of Georgia which, by official
1196 action dated February 6, 2025, does not object to the granting of an easement; and, in all
1197 matters relating to the easement, the State of Georgia is acting by and through its State
1198 Properties Commission.

SECTION 171.

1199
1200 That the State of Georgia, acting by and through its State Properties Commission, may grant
1201 to Georgia Power Company, or its successors and assigns, a non-exclusive easement for the
1202 relocation of a transformer, terminating cabinet, electrical distribution lines and associated

1203 equipment for a new roundabout project. Said easement area is located in Hall County, and
1204 is more particularly described as follows:

1205 That approximately 1.6 acres, lying and being in 411th G.M. District, City of Gainesville,
1206 Hall County, Georgia, and that portion only as shown on an engineer drawing furnished by
1207 Georgia Power Company, and being on file in the offices of the State Properties Commission
1208 and may be more particularly described by a plat of survey prepared by a Georgia registered
1209 land surveyor and presented to the State Properties Commission for approval.

1210 **SECTION 172.**

1211 That the above-described easement area shall be used solely for the relocation of a
1212 transformer, terminating cabinet, electrical distribution lines and associated equipment.

1213 **SECTION 173.**

1214 That Georgia Power Company shall have the right to remove or cause to be removed from
1215 said easement area only such trees and bushes as may be reasonably necessary for the
1216 relocation of a transformer, terminating cabinet, electrical distribution lines and associated
1217 equipment.

1218 **SECTION 174.**

1219 That, after Georgia Power Company has put into use the transformer, terminating cabinet,
1220 electrical distribution lines and associated equipment this easement is granted for, a
1221 subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
1222 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
1223 herein. Upon abandonment, Georgia Power Company, or its successors and assigns, shall
1224 have the option of removing their equipment from the easement area or leaving the same in
1225 place, in which event the transformer, terminating cabinet, electrical distribution lines and

1226 associated equipment shall become the property of the State of Georgia, or its successors and
1227 assigns.

1228 **SECTION 175.**

1229 That no title shall be conveyed to Georgia Power Company and, except as herein specifically
1230 granted to Georgia Power Company, all rights, title, and interest in and to said easement area
1231 is reserved in the State of Georgia, which may make any use of said easement area not
1232 inconsistent with or detrimental to the rights, privileges, and interest granted to Georgia
1233 Power Company.

1234 **SECTION 176.**

1235 That if the State of Georgia, acting by and through its State Properties Commission,
1236 determines that any or all of the facilities placed on the easement area should be removed or
1237 relocated to an alternate site on state-owned land in order to avoid interference with the
1238 state's use or intended use of the easement area, it may grant a substantially equivalent
1239 non-exclusive easement to allow placement of the removed or relocated facilities across the
1240 alternate site under such terms and conditions as the State Properties Commission shall in its
1241 discretion determine to be in the best interests of the State of Georgia, and Georgia Power
1242 Company shall remove or relocate its facilities to the alternate easement area at its sole cost
1243 and expense without reimbursement by the State of Georgia unless, in advance of any
1244 construction being commenced, Georgia Power Company provides a written estimate for the
1245 cost of such removal and relocation and the State Properties Commission determines, in its
1246 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
1247 Upon written request from Georgia Power Company or any third party, the State Properties
1248 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
1249 easement within the property for the relocation of the facilities without cost, expense or
1250 reimbursement from the State of Georgia.

SECTION 177.

1251
1252 That the easement granted to Georgia Power Company shall contain such other reasonable
1253 terms, conditions, and covenants as the State Properties Commission shall deem in the best
1254 interest of the State of Georgia and that the State Properties Commission is authorized to use
1255 a more accurate description of the easement area, so long as the description utilized by the
1256 State Properties Commission describes the same easement area herein granted.

SECTION 178.

1257
1258 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1259 or liability of the Georgia Department of Transportation with respect to the state highway
1260 system, or of a county with respect to the county road system or of a municipality with
1261 respect to the city street system. Georgia Power Company shall obtain any and all other
1262 required permits from the appropriate governmental agencies as are necessary for its lawful
1263 use of the easement area or public highway right of way and comply with all applicable state
1264 and federal environmental statutes in its use of the easement area.

SECTION 179.

1265
1266 That the consideration for such easement shall be for fair market value not less than \$650.00
1267 and such further consideration and provisions as the State Properties Commission may
1268 determine to be in the best interest of the State of Georgia.

SECTION 180.

1269
1270 That this grant of easement shall be recorded by Georgia Power Company in the Superior
1271 Court of Hall County, and a recorded copy shall be promptly forwarded to the State
1272 Properties Commission.

SECTION 181.

1273
1274 That the authorization in this resolution to grant the above described easement to Georgia
1275 Power Company shall expire three years after the date that this resolution becomes effective.

SECTION 182.

1276
1277 That the State Properties Commission is authorized and empowered to do all acts and things
1278 necessary and proper to effect the grant of the easement.

ARTICLE XV**SECTION 183.**

1279
1280
1281 That the State of Georgia is the owner of the hereinafter described real property lying and
1282 being in Laurens County, Georgia, and is commonly known as Oconee Fall Line Technical
1283 College, and the property is in the custody of the Technical College System of Georgia
1284 which, by official action dated May 1, 2025, does not object to the granting of an easement
1285 and, in all matters relating to the easement, the State of Georgia is acting by and through its
1286 State Properties Commission.

SECTION 184.

1287
1288 That the State of Georgia, acting by and through its State Properties Commission, may grant
1289 to Little Ocmulgee Electric Membership Cooperative, or its successors and assigns, a
1290 non-exclusive easement for the construction, installation, operation, and maintenance of
1291 underground electrical distribution lines and associated equipment to serve the renovation
1292 of the Stewart Building (TCSG-404). Said easement area is located in Laurens County, and
1293 is more particularly described as follows:

1294 That approximately 4.36 acres, lying and being in the Land Lot 68, 1st Land District, City
1295 of Dublin, Laurens County, Georgia, and that portion only as shown on an aerial furnished
1296 by Ocmulgee Electric Membership Cooperative, and being on file in the offices of the State

1297 Properties Commission and may be more particularly described by a plat of survey prepared
1298 by a Georgia registered land surveyor and presented to the State Properties Commission for
1299 approval.

1300 **SECTION 185.**

1301 That the above-described easement area shall be used solely for the purpose of the
1302 construction, installation, operation, and maintenance of underground electrical distribution
1303 lines and associated equipment.

1304 **SECTION 186.**

1305 That Little Ocmulgee Electric Membership Cooperative shall have the right to remove or
1306 cause to be removed from said easement area only such trees and bushes as may be
1307 reasonably necessary for the construction, installation, operation, and maintenance of
1308 underground electrical distribution lines and associated equipment.

1309 **SECTION 187.**

1310 That, after Little Ocmulgee Electric Membership Cooperative has put into use the
1311 underground electrical distribution lines and associated equipment this easement is granted
1312 for, a subsequent abandonment of the use thereof shall cause a reversion to the State of
1313 Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement
1314 granted herein. Upon abandonment, Little Ocmulgee Electric Membership Cooperative, or
1315 its successors and assigns, shall have the option of removing their facilities from the
1316 easement area or leaving the same in place, in which event the underground electrical
1317 distribution lines and associated equipment shall become the property of the State of Georgia,
1318 or its successors and assigns.

SECTION 188.

1319
1320 That no title shall be conveyed to Little Ocmulgee Electric Membership Cooperative and,
1321 except as herein specifically granted to Little Ocmulgee Electric Membership Cooperative,
1322 all rights, title, and interest in and to said easement area is reserved in the State of Georgia,
1323 which may make any use of said easement area not inconsistent with or detrimental to the
1324 rights, privileges, and interest granted Little Ocmulgee Electric Membership Cooperative.

SECTION 189.

1325
1326 That if the State of Georgia, acting by and through its State Properties Commission,
1327 determines that any or all of the facilities placed on the easement area should be removed or
1328 relocated to an alternate site on state-owned land in order to avoid interference with the
1329 state's use or intended use of the easement area, it may grant a substantially equivalent
1330 non-exclusive easement to allow placement of the removed or relocated facilities across the
1331 alternate site under such terms and conditions as the State Properties Commission shall in its
1332 discretion determine to be in the best interests of the State of Georgia, and Little Ocmulgee
1333 Electric Membership Cooperative shall remove or relocate its facilities to the alternate
1334 easement area at its sole cost and expense without reimbursement by the State of Georgia
1335 unless, in advance of any construction being commenced, Little Ocmulgee Electric
1336 Membership Cooperative provides a written estimate for the cost of such removal and
1337 relocation and the State Properties Commission determines, in its sole discretion, that the
1338 removal and relocation is for the sole benefit of the State of Georgia. Upon written request
1339 from Little Ocmulgee Electric Membership Cooperative or any third party, the State
1340 Properties Commission, in its sole discretion, may grant a substantially equivalent
1341 non-exclusive easement within the property for the relocation of the facilities without cost,
1342 expense or reimbursement from the State of Georgia.

SECTION 190.

1343
1344 That the easement granted to Little Ocmulgee Electric Membership Cooperative shall contain
1345 such other reasonable terms, conditions, and covenants as the State Properties Commission
1346 shall deem in the best interest of the State of Georgia and that the State Properties
1347 Commission is authorized to use a more accurate description of the easement area, so long
1348 as the description utilized by the State Properties Commission describes the same easement
1349 area herein granted.

SECTION 191.

1350
1351 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1352 or liability of the Georgia Department of Transportation with respect to the state highway
1353 system, or of a county with respect to the county road system or of a municipality with
1354 respect to the city street system. Little Ocmulgee Electric Membership Cooperative shall
1355 obtain any and all other required permits from the appropriate governmental agencies as are
1356 necessary for its lawful use of the easement area or public highway right of way and comply
1357 with all applicable state and federal environmental statutes in its use of the easement area.

SECTION 192.

1358
1359 That, given the public purpose of the project, the consideration for such easement shall be
1360 \$10.00 and such further consideration and provisions as the State Properties Commission
1361 may determine to be in the best interest of the State of Georgia.

SECTION 193.

1362
1363 That this grant of easement shall be recorded by Little Ocmulgee Electric Membership
1364 Cooperative in the Superior Court of Laurens County, and a recorded copy shall be promptly
1365 forwarded to the State Properties Commission.

SECTION 194.

1366

1367 That the authorization in this resolution to grant the above described easement to Little
1368 Ocmulgee Electric Membership Cooperative shall expire three years after the date that this
1369 resolution becomes effective.

SECTION 195.

1370

1371 That the State Properties Commission is authorized and empowered to do all acts and things
1372 necessary and proper to effect the grant of the easement.

ARTICLE XVI

1373

SECTION 196.

1374

1375 That the State of Georgia is the owner of the hereinafter described real property lying and
1376 being in Long County, Georgia, and is commonly known as Long State Prison, and the
1377 property is in the custody of the Department of Corrections which, by official action dated
1378 February 3, 2026, does not object to the granting of an easement; and, in all matters relating
1379 to the easement, the State of Georgia is acting by and through its State Properties
1380 Commission.

SECTION 197.

1381

1382 That the State of Georgia, acting by and through its State Properties Commission, may grant
1383 to Atlantic Waste Services, or its successors and assigns, a non-exclusive easement for the
1384 construction, installation, operation, and maintenance of a paved driveway for ingress and
1385 egress access to the Long County Development Authority's property where the waste
1386 management facility is located. Said easement area is located in Long County, and is more
1387 particularly described as follows:

1388 That approximately 0.40 of an acre, lying and being in 24th G.M.D, City of Ludowici, Long
1389 County, Georgia, and that portion only as shown on an engineer drawing furnished by
1390 Atlantic Waste Services, and being on file in the offices of the State Properties Commission
1391 and may be more particularly described by a plat of survey prepared by a Georgia registered
1392 land surveyor and presented to the State Properties Commission for approval.

1393 **SECTION 198.**

1394 That the above-described easement area shall be used solely for the purpose of the
1395 construction, installation, operation, and maintenance of a paved driveway for ingress and
1396 egress access.

1397 **SECTION 199.**

1398 That Atlantic Waste Services shall have the right to remove or cause to be removed from said
1399 easement area only such trees and bushes as may be reasonably necessary for the
1400 construction, installation, operation, and maintenance of a paved driveway for ingress and
1401 egress access.

1402 **SECTION 200.**

1403 That, after Atlantic Waste Services has put into use the paved driveway for ingress and
1404 egress access this easement is granted for, a subsequent abandonment of the use thereof shall
1405 cause a reversion to the State of Georgia, or its successors and assigns, of all the rights, title,
1406 privileges, powers, and easement granted herein. Upon abandonment, Atlantic Waste
1407 Services, or its successors and assigns, shall have the option of removing their facilities from
1408 the easement area or leaving the same in place, in which event the paved driveway for
1409 ingress and egress access shall become the property of the State of Georgia, or its successors
1410 and assigns.

SECTION 201.

1411
1412 That no title shall be conveyed to Atlantic Waste Services and, except as herein specifically
1413 granted to Atlantic Waste Services, all rights, title, and interest in and to said easement area
1414 is reserved in the State of Georgia, which may make any use of said easement area not
1415 inconsistent with or detrimental to the rights, privileges, and interest granted to Atlantic
1416 Waste Services.

SECTION 202.

1417
1418 That if the State of Georgia, acting by and through its State Properties Commission,
1419 determines that any or all of the facilities placed on the easement area should be removed or
1420 relocated to an alternate site on state-owned land in order to avoid interference with the
1421 state's use or intended use of the easement area, it may grant a substantially equivalent
1422 non-exclusive easement to allow placement of the removed or relocated facilities across the
1423 alternate site under such terms and conditions as the State Properties Commission shall in its
1424 discretion determine to be in the best interests of the State of Georgia, and Atlantic Waste
1425 Services shall remove or relocate its facilities to the alternate easement area at its sole cost
1426 and expense without reimbursement by the State of Georgia unless, in advance of any
1427 construction being commenced, Atlantic Waste Services provides a written estimate for the
1428 cost of such removal and relocation and the State Properties Commission determines, in its
1429 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
1430 Upon written request from Atlantic Waste Services or any third party, the State Properties
1431 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
1432 easement within the property for the relocation of the facilities without cost, expense or
1433 reimbursement from the State of Georgia.

SECTION 203.

1434
1435 That the easement granted to Atlantic Waste Services shall contain such other reasonable
1436 terms, conditions, and covenants as the State Properties Commission shall deem in the best
1437 interest of the State of Georgia and that the State Properties Commission is authorized to use
1438 a more accurate description of the easement area, so long as the description utilized by the
1439 State Properties Commission describes the same easement area herein granted.

SECTION 204.

1440
1441 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1442 or liability of the Georgia Department of Transportation with respect to the state highway
1443 system, or of a county with respect to the county road system or of a municipality with
1444 respect to the city street system. Atlantic Waste Services shall obtain any and all other
1445 required permits from the appropriate governmental agencies as are necessary for its lawful
1446 use of the easement area or public highway right of way and comply with all applicable state
1447 and federal environmental statutes in its use of the easement area.

SECTION 205.

1448
1449 That the consideration for such easement shall be for fair market value not less than \$650.00
1450 and such further consideration and provisions as the State Properties Commission may
1451 determine to be in the best interest of the State of Georgia.

SECTION 206.

1452
1453 That this grant of easement shall be recorded by Atlantic Waste Services in the Superior
1454 Court of Long County and a recorded copy shall be promptly forwarded to the State
1455 Properties Commission.

SECTION 207.

1456

1457 That the authorization in this resolution to grant the above-described easement to Atlantic
1458 Waste Services shall expire three years after the date that this resolution becomes effective.

SECTION 208.

1459

1460 That the State Properties Commission is authorized and empowered to do all acts and things
1461 necessary and proper to effect the grant of the easement.

ARTICLE XVII

1462

SECTION 209.

1463

1464 That the State of Georgia is the owner of the hereinafter described real property lying and
1465 being in McDuffie County, Georgia, and is commonly known as the McDuffie Public
1466 Fishing Area, and the property is in the custody of the Department of Natural Resources
1467 which, by official action dated August 26, 2025, does not object to the granting of an
1468 easement; and, in all matters relating to the easement, the State of Georgia is acting by and
1469 through its State Properties Commission.

SECTION 210.

1470

1471 That the State of Georgia, acting by and through its State Properties Commission, may grant
1472 to Jefferson Energy Cooperative, or its successors and assigns, a non-exclusive easement for
1473 the construction, installation, operation, and maintenance of underground electrical
1474 distribution lines and associated equipment to serve a new maintenance facility. Said
1475 easement area is located in McDuffie County, and is more particularly described as follows:
1476 That approximately 0.52 of an acre, lying and being in the 133rd Land District, City of
1477 Dearing, McDuffie County, Georgia, and that portion only as shown on an aerial furnished
1478 by Jefferson Energy Cooperative, and being on file in the offices of the State Properties
1479 Commission and may be more particularly described by a plat of survey prepared by a

1480 Georgia registered land surveyor and presented to the State Properties Commission for
1481 approval.

1482 **SECTION 211.**

1483 That the above-described easement area shall be used solely for the purpose of the
1484 construction, installation, operation, and maintenance of underground electrical distribution
1485 lines and associated equipment.

1486 **SECTION 212.**

1487 That Jefferson Energy Cooperative shall have the right to remove or cause to be removed
1488 from said easement area only such trees and bushes as may be reasonably necessary for the
1489 construction, installation, operation, and maintenance of underground electrical distribution
1490 lines and associated equipment.

1491 **SECTION 213.**

1492 That, after Jefferson Energy Cooperative has put into use the underground electrical
1493 distribution lines and associated equipment this easement is granted for, a subsequent
1494 abandonment of the use thereof shall cause a reversion to the State of Georgia, or its
1495 successors and assigns, of all the rights, title, privileges, powers, and easement granted
1496 herein. Upon abandonment, Jefferson Energy Cooperative, or its successors and assigns,
1497 shall have the option of removing their facilities from the easement area or leaving the same
1498 in place, in which event the underground electrical distribution lines and associated
1499 equipment shall become the property of the State of Georgia, or its successors and assigns.

SECTION 214.

1500

1501 That no title shall be conveyed to Jefferson Energy Cooperative and, except as herein
1502 specifically granted to Jefferson Energy Cooperative, all rights, title, and interest in and to
1503 said easement area is reserved in the State of Georgia, which may make any use of said
1504 easement area not inconsistent with or detrimental to the rights, privileges, and interest
1505 granted Jefferson Energy Cooperative.

SECTION 215.

1506

1507 That if the State of Georgia, acting by and through its State Properties Commission,
1508 determines that any or all of the facilities placed on the easement area should be removed or
1509 relocated to an alternate site on state-owned land in order to avoid interference with the
1510 state's use or intended use of the easement area, it may grant a substantially equivalent
1511 non-exclusive easement to allow placement of the removed or relocated facilities across the
1512 alternate site under such terms and conditions as the State Properties Commission shall in its
1513 discretion determine to be in the best interests of the State of Georgia, and Jefferson Energy
1514 Cooperative shall remove or relocate its facilities to the alternate easement area at its sole
1515 cost and expense without reimbursement by the State of Georgia unless, in advance of any
1516 construction being commenced, Jefferson Energy Cooperative provides a written estimate
1517 for the cost of such removal and relocation and the State Properties Commission determines,
1518 in its sole discretion, that the removal and relocation is for the sole benefit of the State of
1519 Georgia. Upon written request from Jefferson Energy Cooperative or any third party, the
1520 State Properties Commission, in its sole discretion, may grant a substantially equivalent
1521 non-exclusive easement within the property for the relocation of the facilities without cost,
1522 expense or reimbursement from the State of Georgia.

SECTION 216.

1523
1524 That the easement granted to Jefferson Energy Cooperative shall contain such other
1525 reasonable terms, conditions, and covenants as the State Properties Commission shall deem
1526 in the best interest of the State of Georgia and that the State Properties Commission is
1527 authorized to use a more accurate description of the easement area, so long as the description
1528 utilized by the State Properties Commission describes the same easement area herein granted.

SECTION 217.

1529
1530 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1531 or liability of the Georgia Department of Transportation with respect to the state highway
1532 system, or of a county with respect to the county road system or of a municipality with
1533 respect to the city street system. Jefferson Energy Cooperative shall obtain any and all other
1534 required permits from the appropriate governmental agencies as are necessary for its lawful
1535 use of the easement area or public highway right of way and comply with all applicable state
1536 and federal environmental statutes in its use of the easement area.

SECTION 218.

1537
1538 That, given the public purpose of the project, the consideration for such easement shall be
1539 \$10.00 and such further consideration and provisions as the State Properties Commission
1540 may determine to be in the best interest of the State of Georgia.

SECTION 219.

1541
1542 That this grant of easement shall be recorded by Jefferson Energy Cooperative in the
1543 Superior Court of McDuffie County, and a recorded copy shall be promptly forwarded to the
1544 State Properties Commission.

SECTION 220.

1545

1546 That the authorization in this resolution to grant the above-described easement to Jefferson
1547 Energy Cooperative shall expire three years after the date that this resolution becomes
1548 effective.

SECTION 221.

1549

1550 That the State Properties Commission is authorized and empowered to do all acts and things
1551 necessary and proper to effect the grant of the easement.

ARTICLE XVIII

1552

SECTION 222.

1553

1554 That the State of Georgia is the owner of the hereinafter described real property lying and
1555 being in Morgan and Walton Counties, Georgia, and is commonly known as Rivian Project
1556 Site, and the property is in the custody of the Department of Economic Development which,
1557 by official action dated November 19, 2025, does not object to the granting of an easement;
1558 and, in all matters relating to the easement, the State of Georgia is acting by and through its
1559 State Properties Commission.

SECTION 223.

1560

1561 That the State of Georgia, acting by and through its State Properties Commission, may grant
1562 to AT&T Enterprises, LLC, or its successors and assigns, a non-exclusive easement for the
1563 construction, installation, operation, maintenance, and relocation of communication lines and
1564 associated equipment to serve the Rivian Project Site. Said easement area is located in
1565 Morgan and Walton Counties, and is more particularly described as follows:

1566 That approximately 3.0 acres, lying and being in Land Lots 1-3, 14-16, and 30-34, 19th and
1567 20th Land District, 282nd G.M. District, City of Social Circle, Morgan County, and Land

1568 Lots 44, 73-76, 101-102, and 106, 1st Land District, 418th G.M. District, City of Social
1569 Circle, Walton County, Georgia and that portion only as shown on an engineer drawing
1570 furnished by AT&T Enterprises, LLC, and being on file in the offices of the State Properties
1571 Commission and may be more particularly described by a plat of survey prepared by a
1572 Georgia registered land surveyor and presented to the State Properties Commission for
1573 approval.

1574 **SECTION 224.**

1575 That the above-described easement area shall be used solely for the purpose of the
1576 construction, installation, operation, maintenance, and relocation of communication lines and
1577 associated equipment.

1578
1579 **SECTION 225.**

1580 That AT&T Enterprises, LLC shall have the right to remove or cause to be removed from
1581 said easement area only such trees and bushes as may be reasonably necessary for the
1582 construction, installation, operation, maintenance, and relocation of communication lines and
1583 associated equipment.

1584 **SECTION 226.**

1585 That, after AT&T Enterprises, LLC has put into use the communication lines and associated
1586 equipment this easement is granted for, a subsequent abandonment of the use thereof shall
1587 cause a reversion to the State of Georgia, or its successors and assigns, of all the rights, title,
1588 privileges, powers, and easement granted herein. Upon abandonment, AT&T Enterprises,
1589 LLC, or its successors and assigns, shall have the option of removing their facilities from the
1590 easement area or leaving the same in place, in which event the communication lines and
1591 associated equipment shall become the property of the State of Georgia, or its successors and
1592 assigns.

SECTION 227.

1593

1594 That no title shall be conveyed to AT&T Enterprises, LLC and, except as herein specifically
1595 granted to AT&T Enterprises, LLC, all rights, title, and interest in and to said easement area
1596 is reserved in the State of Georgia, which may make any use of said easement area not
1597 inconsistent with or detrimental to the rights, privileges, and interest granted AT&T
1598 Enterprises, LLC.

SECTION 228.

1599

1600 That if the State of Georgia, acting by and through its State Properties Commission,
1601 determines that any or all of the facilities placed on the easement area should be removed or
1602 relocated to an alternate site on state-owned land in order to avoid interference with the
1603 state's use or intended use of the easement area, it may grant a substantially equivalent
1604 non-exclusive easement to allow placement of the removed or relocated facilities across the
1605 alternate site under such terms and conditions as the State Properties Commission shall in its
1606 discretion determine to be in the best interests of the State of Georgia, and AT&T
1607 Enterprises, LLC shall remove or relocate its facilities to the alternate easement area at its
1608 sole cost and expense without reimbursement by the State of Georgia unless, in advance of
1609 any construction being commenced, AT&T Enterprises, LLC provides a written estimate for
1610 the cost of such removal and relocation and the State Properties Commission determines, in
1611 its sole discretion, that the removal and relocation is for the sole benefit of the State of
1612 Georgia. Upon written request from AT&T Enterprises, LLC or any third party, the State
1613 Properties Commission, in its sole discretion, may grant a substantially equivalent
1614 non-exclusive easement within the property for the relocation of the facilities without cost,
1615 expense or reimbursement from the State of Georgia.

SECTION 229.

1616
1617 That the easement granted to AT&T Enterprises, LLC shall contain such other reasonable
1618 terms, conditions, and covenants as the State Properties Commission shall deem in the best
1619 interest of the State of Georgia and that the State Properties Commission is authorized to use
1620 a more accurate description of the easement area, so long as the description utilized by the
1621 State Properties Commission describes the same easement area herein granted.

SECTION 230.

1622
1623 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1624 or liability of the Georgia Department of Transportation with respect to the state highway
1625 system, or of a county with respect to the county road system or of a municipality with
1626 respect to the city street system. AT&T Enterprises, LLC shall obtain any and all other
1627 required permits from the appropriate governmental agencies as are necessary for its lawful
1628 use of the easement area or public highway right of way and comply with all applicable state
1629 and federal environmental statutes in its use of the easement area.

SECTION 231.

1630
1631 That, given the public purpose of the project, the consideration for such easement shall be
1632 \$10.00 and such further consideration and provisions as the State Properties Commission
1633 may determine to be in the best interest of the State of Georgia.

SECTION 232.

1634
1635 That this grant of easement shall be recorded by AT&T Enterprises, LLC in the Superior
1636 Court of Morgan and Walton Counties, and a recorded copy shall be promptly forwarded to
1637 the State Properties Commission.

SECTION 233.

1638

1639 That the authorization in this resolution to grant the above-described easement to AT&T
1640 Enterprises, LLC shall expire three years after the date that this resolution becomes effective.

SECTION 234.

1641

1642 That the State Properties Commission is authorized and empowered to do all acts and things
1643 necessary and proper to effect the grant of the easement.

ARTICLE XIX

1644

SECTION 235.

1645

1646 That the State of Georgia is the owner of the hereinafter described real property lying and
1647 being in Muscogee County, Georgia, and is commonly known as the Muscogee Youth
1648 Detention Center, and the property is in the custody of the Department of Juvenile Justice
1649 which, by official action dated February 2, 2026, does not object to the granting of an
1650 easement; and, in all matters relating to the easement, the State of Georgia is acting by and
1651 through its State Properties Commission.

SECTION 236.

1652

1653 That the State of Georgia, acting by and through its State Properties Commission, may grant
1654 to Flint Electric Membership Corporation, or its successors and assigns, a non-exclusive
1655 easement for the construction, installation, operation, and maintenance of an underground
1656 electrical transmission line, broadband fiber cable and associated equipment for the new
1657 Muscogee Youth Detention Center. Said easement area is located in Muscogee County, and
1658 is more particularly described as follows:

1659 That approximately 0.07 of an acre, lying and being in Land Lot 92, 9th District, City of
1660 Columbus, Muscogee County, Georgia, and that portion only as shown on an engineer
1661 drawing furnished by Flint Electric Membership Corporation, and being on file in the offices

1662 of the State Properties Commission and may be more particularly described by a plat of
1663 survey prepared by a Georgia registered land surveyor and presented to the State Properties
1664 Commission for approval.

1665 **SECTION 237.**

1666 That the above-described easement area shall be used solely for the purpose of the
1667 construction, installation, operation, and maintenance of an underground electrical
1668 transmission line, broadband fiber cable and associated equipment.

1669 **SECTION 238.**

1670 That Flint Electric Membership Corporation shall have the right to remove or cause to be
1671 removed from said easement area only such trees and bushes as may be reasonably necessary
1672 for the construction, installation, operation, and maintenance of an underground electrical
1673 transmission line, broadband fiber cable and associated equipment.

1674 **SECTION 239.**

1675 That, after Flint Electric Membership Corporation has put into use the underground electrical
1676 transmission line, broadband fiber cable and associated equipment this easement is granted
1677 for, a subsequent abandonment of the use thereof shall cause a reversion to the State of
1678 Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement
1679 granted herein. Upon abandonment, Flint Electric Membership Corporation, or its successors
1680 and assigns, shall have the option of removing their facilities from the easement area or
1681 leaving the same in place, in which event the underground electrical transmission line,
1682 broadband fiber cable and associated equipment shall become the property of the State of
1683 Georgia, or its successors and assigns.

SECTION 240.

1684

1685 That no title shall be conveyed to Flint Electric Membership Corporation and, except as
1686 herein specifically granted to Flint Electric Membership Corporation, all rights, title, and
1687 interest in and to said easement area is reserved in the State of Georgia, which may make any
1688 use of said easement area not inconsistent with or detrimental to the rights, privileges, and
1689 interest granted to Flint Electric Membership Corporation.

SECTION 241.

1690

1691 That if the State of Georgia, acting by and through its State Properties Commission,
1692 determines that any or all of the facilities placed on the easement area should be removed or
1693 relocated to an alternate site on state-owned land in order to avoid interference with the
1694 state's use or intended use of the easement area, it may grant a substantially equivalent
1695 non-exclusive easement to allow placement of the removed or relocated facilities across the
1696 alternate site under such terms and conditions as the State Properties Commission shall in its
1697 discretion determine to be in the best interests of the State of Georgia, and Flint Electric
1698 Membership Corporation shall remove or relocate its facilities to the alternate easement area
1699 at its sole cost and expense without reimbursement by the State of Georgia unless, in advance
1700 of any construction being commenced, Flint Electric Membership Corporation provides a
1701 written estimate for the cost of such removal and relocation and the State Properties
1702 Commission determines, in its sole discretion, that the removal and relocation is for the sole
1703 benefit of the State of Georgia. Upon written request from Flint Electric Membership
1704 Corporation or any third party, the State Properties Commission, in its sole discretion, may
1705 grant a substantially equivalent non-exclusive easement within the property for the relocation
1706 of the facilities without cost, expense or reimbursement from the State of Georgia.

SECTION 242.

1707

1708 That the easement granted to Flint Electric Membership Corporation shall contain such other
1709 reasonable terms, conditions, and covenants as the State Properties Commission shall deem
1710 in the best interest of the State of Georgia and that the State Properties Commission is
1711 authorized to use a more accurate description of the easement area, so long as the description
1712 utilized by the State Properties Commission describes the same easement area herein granted.

SECTION 243.

1713

1714 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1715 or liability of the Georgia Department of Transportation with respect to the state highway
1716 system, or of a county with respect to the county road system or of a municipality with
1717 respect to the city street system. Flint Electric Membership Corporation shall obtain any and
1718 all other required permits from the appropriate governmental agencies as are necessary for
1719 its lawful use of the easement area or public highway right of way and comply with all
1720 applicable state and federal environmental statutes in its use of the easement area.

SECTION 244.

1721

1722 That, given the public purpose of the project, the consideration for such easement shall be
1723 \$10.00 and such further consideration and provisions as the State Properties Commission
1724 may determine to be in the best interest of the State of Georgia.

SECTION 245.

1725

1726 That this grant of easement shall be recorded by Flint Electric Membership Corporation in
1727 the Superior Court of Muscogee County and a recorded copy shall be promptly forwarded
1728 to the State Properties Commission.

SECTION 246.

1729
1730 That the authorization in this resolution to grant the above-described easement to Flint
1731 Electric Membership Corporation shall expire three years after the date that this resolution
1732 becomes effective.

SECTION 247.

1733
1734 That the State Properties Commission is authorized and empowered to do all acts and things
1735 necessary and proper to effect the grant of the easement.

ARTICLE XX**SECTION 248.**

1736
1737 That the State of Georgia is the owner of the hereinafter described real property lying and
1738 being in Oconee County, Georgia, and is commonly known as the new Department of Driver
1739 Services Customer Service Center, and the property is in the custody of the Department of
1740 Driver Services which, by official action dated November 5, 2025, does not object to the
1741 granting of an easement; and, in all matters relating to the easement, the State of Georgia is
1742 acting by and through its State Properties Commission.
1743

SECTION 249.

1744
1745 That the State of Georgia, acting by and through its State Properties Commission, may grant
1746 to Walton Electric Membership Corporation, or its successors and assigns, a non-exclusive
1747 easement for the construction, installation, operation, and maintenance of underground
1748 electrical distribution lines and associated equipment to serve a new customer service center
1749 facility. Said easement area is located in Oconee County, and is more particularly described
1750 as follows:
1751 That approximately 0.5 of an acre, lying and being in the 240th G.M. District, City of Bogart,
1752 Oconee County, Georgia, and that portion only as shown on an engineer drawing furnished

1753 by Walton Electric Membership Corporation, and being on file in the offices of the State
1754 Properties Commission and may be more particularly described by a plat of survey prepared
1755 by a Georgia registered land surveyor and presented to the State Properties Commission for
1756 approval.

1757 **SECTION 250.**

1758 That the above-described easement area shall be used solely for the purpose of the
1759 construction, installation, operation, and maintenance of underground electrical distribution
1760 lines and associated equipment.

1761 **SECTION 251.**

1762 That Walton Electric Membership Corporation shall have the right to remove or cause to be
1763 removed from said easement area only such trees and bushes as may be reasonably necessary
1764 for the construction, installation, operation, and maintenance of underground electrical
1765 distribution lines and associated equipment.

1766 **SECTION 252.**

1767 That, after Walton Electric Membership Corporation has put into use the underground
1768 electrical distribution lines and associated equipment this easement is granted for, a
1769 subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia,
1770 or its successors and assigns, of all the rights, title, privileges, powers, and easement granted
1771 herein. Upon abandonment, Walton Electric Membership Corporation, or its successors and
1772 assigns, shall have the option of removing their facilities from the easement area or leaving
1773 the same in place, in which event the underground electrical distribution lines and associated
1774 equipment shall become the property of the State of Georgia, or its successors and assigns.

SECTION 253.

1775

1776 That no title shall be conveyed to Walton Electric Membership Corporation and, except as
1777 herein specifically granted to Walton Electric Membership Corporation, all rights, title, and
1778 interest in and to said easement area is reserved in the State of Georgia, which may make any
1779 use of said easement area not inconsistent with or detrimental to the rights, privileges, and
1780 interest granted Walton Electric Membership Corporation.

SECTION 254.

1781

1782 That if the State of Georgia, acting by and through its State Properties Commission,
1783 determines that any or all of the facilities placed on the easement area should be removed or
1784 relocated to an alternate site on state-owned land in order to avoid interference with the
1785 state's use or intended use of the easement area, it may grant a substantially equivalent
1786 non-exclusive easement to allow placement of the removed or relocated facilities across the
1787 alternate site under such terms and conditions as the State Properties Commission shall in its
1788 discretion determine to be in the best interests of the State of Georgia, and Walton Electric
1789 Membership Corporation shall remove or relocate its facilities to the alternate easement area
1790 at its sole cost and expense without reimbursement by the State of Georgia unless, in advance
1791 of any construction being commenced, Walton Electric Membership Corporation provides
1792 a written estimate for the cost of such removal and relocation and the State Properties
1793 Commission determines, in its sole discretion, that the removal and relocation is for the sole
1794 benefit of the State of Georgia. Upon written request from Walton Electric Membership
1795 Corporation or any third party, the State Properties Commission, in its sole discretion, may
1796 grant a substantially equivalent non-exclusive easement within the property for the relocation
1797 of the facilities without cost, expense or reimbursement from the State of Georgia.

SECTION 255.

1798
1799 That the easement granted to Walton Electric Membership Corporation shall contain such
1800 other reasonable terms, conditions, and covenants as the State Properties Commission shall
1801 deem in the best interest of the State of Georgia and that the State Properties Commission is
1802 authorized to use a more accurate description of the easement area, so long as the description
1803 utilized by the State Properties Commission describes the same easement area herein granted.

SECTION 256.

1804
1805 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1806 or liability of the Georgia Department of Transportation with respect to the state highway
1807 system, or of a county with respect to the county road system or of a municipality with
1808 respect to the city street system. Walton Electric Membership Corporation shall obtain any
1809 and all other required permits from the appropriate governmental agencies as are necessary
1810 for its lawful use of the easement area or public highway right of way and comply with all
1811 applicable state and federal environmental statutes in its use of the easement area.

SECTION 257.

1812
1813 That, given the public purpose of the project, the consideration for such easement shall be
1814 \$10.00 and such further consideration and provisions as the State Properties Commission
1815 may determine to be in the best interest of the State of Georgia.

SECTION 258.

1816
1817 That this grant of easement shall be recorded by Walton Electric Membership Corporation
1818 in the Superior Court of Oconee County, and a recorded copy shall be promptly forwarded
1819 to the State Properties Commission.

SECTION 259.

1820
1821 That the authorization in this resolution to grant the above-described easement to Walton
1822 Electric Membership Corporation shall expire three years after the date that this resolution
1823 becomes effective.

SECTION 260.

1824
1825 That the State Properties Commission is authorized and empowered to do all acts and things
1826 necessary and proper to effect the grant of the easement.

ARTICLE XXI**SECTION 261.**

1827
1828
1829 That the State of Georgia is the owner of the hereinafter described real property lying and
1830 being in Paulding County, Georgia, and is commonly known as Chattahoochee Technical
1831 College, and the property is in the custody of the Technical College System of Georgia
1832 which, by official action dated September 4, 2025, does not object to the granting of an
1833 easement; and, in all matters relating to the easement, the State of Georgia is acting by and
1834 through its State Properties Commission.

SECTION 262.

1835
1836 That the State of Georgia, acting by and through its State Properties Commission, may grant
1837 to the Georgia Department of Transportation, or its successors and assigns, a non-exclusive
1838 easement for the construction, installation, operation, and maintenance of the road widening
1839 and reconstruction of SR61 from south of CR467/Dallas Nebo Road to US 278/SR
1840 120/Dallas Bypass project (PI0013702). Said easement area is located in Paulding County,
1841 and is more particularly described as follows:
1842 That approximately 0.283 of an acre (consisting of 0.161 of an acre permanent easement and
1843 0.122 of an acre temporary easement), lying and being in Land Lot 377, 2nd Land District,

1844 City of Dallas, Paulding County, Georgia, and that portion only as shown on that right of
1845 way plan furnished by the Georgia Department of Transportation, and being on file in the
1846 offices of the State Properties Commission and may be more particularly described by a plat
1847 of survey prepared by a Georgia registered land surveyor and presented to the State
1848 Properties Commission for approval.

1849

1850

SECTION 263.

1851 That the above-described easement area shall be used solely for the purpose of the
1852 construction, installation, operation, and maintenance of a road widening and reconstruction
1853 project.

1854

SECTION 264.

1855 That the Georgia Department of Transportation shall have the right to remove or cause to be
1856 removed from said easement area only such trees and bushes as may be reasonably necessary
1857 for the construction, installation, operation, and maintenance of a road widening and
1858 reconstruction project.

1859

SECTION 265.

1860 That, after the Georgia Department of Transportation has put into use the road widening and
1861 reconstruction project this easement is granted for, a subsequent abandonment of the use
1862 thereof shall cause a reversion to the State of Georgia, or its successors and assigns, of all the
1863 rights, title, privileges, powers, and easement granted herein. Upon abandonment, the
1864 Georgia Department of Transportation, or its successors and assigns, shall have the option
1865 of removing their facilities from the easement area or leaving the same in place, in which
1866 event the road widening and reconstruction project shall become the property of the State of
1867 Georgia, or its successors and assigns.

SECTION 266.

1868

1869 That no title shall be conveyed to the Georgia Department of Transportation and, except as
1870 herein specifically granted to the Georgia Department of Transportation, all rights, title, and
1871 interest in and to said easement area is reserved in the State of Georgia, which may make any
1872 use of said easement area not inconsistent with or detrimental to the rights, privileges, and
1873 interest granted to the Georgia Department of Transportation.

SECTION 267.

1874

1875 That if the State of Georgia, acting by and through its State Properties Commission,
1876 determines that any or all of the facilities placed on the easement area should be removed or
1877 relocated to an alternate site on state-owned land in order to avoid interference with the
1878 state's use or intended use of the easement area, it may grant a substantially equivalent
1879 non-exclusive easement to allow placement of the removed or relocated facilities across the
1880 alternate site under such terms and conditions as the State Properties Commission shall in its
1881 discretion determine to be in the best interests of the State of Georgia, and the Georgia
1882 Department of Transportation shall remove or relocate its facilities to the alternate easement
1883 area at its sole cost and expense without reimbursement by the State of Georgia unless, in
1884 advance of any construction being commenced, the Georgia Department of Transportation
1885 provides a written estimate for the cost of such removal and relocation and the State
1886 Properties Commission determines, in its sole discretion, that the removal and relocation is
1887 for the sole benefit of the State of Georgia. Upon written request from the Georgia
1888 Department of Transportation or any third party, the State Properties Commission, in its sole
1889 discretion, may grant a substantially equivalent non-exclusive easement within the property
1890 for the relocation of the facilities without cost, expense or reimbursement from the State of
1891 Georgia.

SECTION 268.

1892
1893 That the easement granted to the Georgia Department of Transportation shall contain such
1894 other reasonable terms, conditions, and covenants as the State Properties Commission shall
1895 deem in the best interest of the State of Georgia and that the State Properties Commission is
1896 authorized to use a more accurate description of the easement area, so long as the description
1897 utilized by the State Properties Commission describes the same easement area herein granted.

SECTION 269.

1898
1899 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1900 or liability of the Georgia Department of Transportation with respect to the state highway
1901 system, or of a county with respect to the county road system or of a municipality with
1902 respect to the city street system. the Georgia Department of Transportation shall obtain any
1903 and all other required permits from the appropriate governmental agencies as are necessary
1904 for its lawful use of the easement area or public highway right of way and comply with all
1905 applicable state and federal environmental statutes in its use of the easement area.

SECTION 270.

1906
1907 That the consideration for such easement shall be \$83,700.00 (\$48,300.00 for permanent
1908 easement, \$24,400.00 for temporary easement, and \$11,000.00 for site improvements) and
1909 such further consideration and provisions as the State Properties Commission may determine
1910 to be in the best interest of the State of Georgia.

SECTION 271.

1911
1912 That this grant of easement shall be recorded by the Georgia Department of Transportation
1913 in the Superior Court of Paulding County, and a recorded copy shall be promptly forwarded
1914 to the State Properties Commission.

SECTION 272.

1915
1916 That the authorization in this resolution to grant the above-described easement to the Georgia
1917 Department of Transportation shall expire three years after the date that this resolution
1918 becomes effective.

SECTION 273.

1919
1920 That the State Properties Commission is authorized and empowered to do all acts and things
1921 necessary and proper to effect the grant of the easement.

ARTICLE XXII**SECTION 274.**

1922
1923 That the State of Georgia is the owner of the hereinafter described real property lying and
1924 being in Peach County, Georgia, and is commonly known as Camp John Hope, and the
1925 property is in the custody of the Department of Education which, by official action dated
1926 February 25, 2025, does not object to the granting of an easement; and, in all matters relating
1927 to the easement, the State of Georgia is acting by and through its State Properties
1928 Commission.
1929

SECTION 275.

1930
1931 That the State of Georgia, acting by and through its State Properties Commission, may grant
1932 to Flint Electric Membership Corporation, or its successors and assigns, a non-exclusive
1933 easement for the construction, installation, operation, and maintenance of overhead electrical
1934 distribution lines and associated equipment for a relocation project for infrastructure
1935 improvements to maintain reliability at the camp. Said easement area is located in Peach
1936 County, and is more particularly described as follows:
1937 That approximately 0.2 of an acre, lying and being in Land Lots 161 and 162, 9th Land
1938 District, City of Fort Valley, Peach County, Georgia, and that portion only as shown on an

1939 engineer drawing furnished by Flint Electric Membership Corporation, and being on file in
1940 the offices of the State Properties Commission and may be more particularly described by
1941 a plat of survey prepared by a Georgia registered land surveyor and presented to the State
1942 Properties Commission for approval.

1943 **SECTION 276.**

1944 That the above-described easement area shall be used solely for the purpose of the
1945 construction, installation, operation, and maintenance of the overhead electrical distribution
1946 lines and associated equipment.

1947 **SECTION 277.**

1948 That Flint Electric Membership Corporation shall have the right to remove or cause to be
1949 removed from said easement area only such trees and bushes as may be reasonably necessary
1950 for the construction, installation, operation, and maintenance of the overhead electrical
1951 distribution lines and associated equipment.

1952 **SECTION 278.**

1953 That, after Flint Electric Membership Corporation has put into use the overhead electrical
1954 distribution lines and associated equipment this easement is granted for, a subsequent
1955 abandonment of the use thereof shall cause a reversion to the State of Georgia, or its
1956 successors and assigns, of all the rights, title, privileges, powers, and easement granted
1957 herein. Upon abandonment, Flint Electric Membership Corporation, or its successors and
1958 assigns, shall have the option of removing their facilities from the easement area or leaving
1959 the same in place, in which event the overhead electrical distribution lines and associated
1960 equipment shall become the property of the State of Georgia, or its successors and assigns.

SECTION 279.

1961
1962 That no title shall be conveyed to Flint Electric Membership Corporation and, except as
1963 herein specifically granted to Flint Electric Membership Corporation, all rights, title, and
1964 interest in and to said easement area is reserved in the State of Georgia, which may make any
1965 use of said easement area not inconsistent with or detrimental to the rights, privileges, and
1966 interest granted Flint Electric Membership Corporation.

SECTION 280.

1967
1968 That if the State of Georgia, acting by and through its State Properties Commission,
1969 determines that any or all of the facilities placed on the easement area should be removed or
1970 relocated to an alternate site on state-owned land in order to avoid interference with the
1971 state's use or intended use of the easement area, it may grant a substantially equivalent
1972 non-exclusive easement to allow placement of the removed or relocated facilities across the
1973 alternate site under such terms and conditions as the State Properties Commission shall in its
1974 discretion determine to be in the best interests of the State of Georgia, and Flint Electric
1975 Membership Corporation shall remove or relocate its facilities to the alternate easement area
1976 at its sole cost and expense without reimbursement by the State of Georgia unless, in advance
1977 of any construction being commenced, Flint Electric Membership Corporation provides a
1978 written estimate for the cost of such removal and relocation and the State Properties
1979 Commission determines, in its sole discretion, that the removal and relocation is for the sole
1980 benefit of the State of Georgia. Upon written request from Flint Electric Membership
1981 Corporation or any third party, the State Properties Commission, in its sole discretion, may
1982 grant a substantially equivalent non-exclusive easement within the property for the relocation
1983 of the facilities without cost, expense or reimbursement from the State of Georgia.

SECTION 281.

1984
1985 That the easement granted to Flint Electric Membership Corporation shall contain such other
1986 reasonable terms, conditions, and covenants as the State Properties Commission shall deem
1987 in the best interest of the State of Georgia and that the State Properties Commission is
1988 authorized to use a more accurate description of the easement area, so long as the description
1989 utilized by the State Properties Commission describes the same easement area herein granted.

SECTION 282.

1990
1991 That this resolution does not affect and is not intended to affect any rights, powers, interest,
1992 or liability of the Georgia Department of Transportation with respect to the state highway
1993 system, or of a county with respect to the county road system or of a municipality with
1994 respect to the city street system. Flint Electric Membership Corporation shall obtain any and
1995 all other required permits from the appropriate governmental agencies as are necessary for
1996 its lawful use of the easement area or public highway right of way and comply with all
1997 applicable state and federal environmental statutes in its use of the easement area.

SECTION 283.

1998
1999 That, given the public purpose of the project, the consideration for such easement shall be
2000 \$10.00 and such further consideration and provisions as the State Properties Commission
2001 may determine to be in the best interest of the State of Georgia.

SECTION 284.

2002
2003 That this grant of easement shall be recorded by Flint Electric Membership Corporation in
2004 the Superior Court of Peach County, and a recorded copy shall be promptly forwarded to the
2005 State Properties Commission.

2006 **SECTION 285.**

2007 That the authorization in this resolution to grant the above-described easement to Flint
2008 Electric Membership Corporation shall expire three years after the date that this resolution
2009 becomes effective.

2010 **SECTION 286.**

2011 That the State Properties Commission is authorized and empowered to do all acts and things
2012 necessary and proper to effect the grant of the easement.

2013 **ARTICLE XXIII**

2014 **SECTION 287.**

2015 That the State of Georgia is the owner of the hereinafter described real property lying and
2016 being in Talbot County, Georgia, and is commonly known as Upatoi Ravines, and the
2017 property is in the custody of the Department of Natural Resources which, by official action
2018 dated June 24, 2025, does not object to the granting of an easement; and, in all matters
2019 relating to the easement, the State of Georgia is acting by and through its State Properties
2020 Commission.

2021 **SECTION 288.**

2022 That the State of Georgia, acting by and through its State Properties Commission, may grant
2023 to Timberlands II, LLC, or its successors and assigns, a non-exclusive easement for ingress
2024 and egress access. Said easement area is located in Talbot County, and is more particularly
2025 described as follows:

2026 That approximately 2.0 acres, lying and being in Land Lot 73, 17th Land District, City of
2027 Box Springs, Talbot County, Georgia, and that portion only as shown on an engineer drawing
2028 furnished by Timberlands II, LLC, and being on file in the offices of the State Properties
2029 Commission and may be more particularly described by a plat of survey prepared by a

2030 Georgia registered land surveyor and presented to the State Properties Commission for
2031 approval.

2032

2033 **SECTION 289.**

2034 That the above-described easement area shall be used solely for the purpose of ingress and
2035 egress access.

2036 **SECTION 290.**

2037 That Timberlands II, LLC shall have the right to remove or cause to be removed from said
2038 easement area only such trees and bushes as may be reasonably necessary for the ingress and
2039 egress access.

2040 **SECTION 291.**

2041 That, after Timberlands II, LLC has put into use the ingress and egress access this easement
2042 is granted for, a subsequent abandonment of the use thereof shall cause a reversion to the
2043 State of Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and
2044 easement granted herein. Upon abandonment, Timberlands II, LLC, or its successors and
2045 assigns, shall have the option of removing their facilities from the easement area or leaving
2046 the same in place, in which event the ingress and egress access shall become the property of
2047 the State of Georgia, or its successors and assigns.

2048 **SECTION 292.**

2049 That no title shall be conveyed to Timberlands II, LLC and, except as herein specifically
2050 granted to Timberlands II, LLC, all rights, title, and interest in and to said easement area is
2051 reserved in the State of Georgia, which may make any use of said easement area not
2052 inconsistent with or detrimental to the rights, privileges, and interest granted to Timberlands
2053 II, LLC.

SECTION 293.

2054
2055 That if the State of Georgia, acting by and through its State Properties Commission,
2056 determines that any or all of the facilities placed on the easement area should be removed or
2057 relocated to an alternate site on state-owned land in order to avoid interference with the
2058 state's use or intended use of the easement area, it may grant a substantially equivalent
2059 non-exclusive easement to allow placement of the removed or relocated facilities across the
2060 alternate site under such terms and conditions as the State Properties Commission shall in its
2061 discretion determine to be in the best interests of the State of Georgia, and Timberlands II,
2062 LLC shall remove or relocate its facilities to the alternate easement area at its sole cost and
2063 expense without reimbursement by the State of Georgia unless, in advance of any
2064 construction being commenced, Timberlands II, LLC provides a written estimate for the cost
2065 of such removal and relocation and the State Properties Commission determines, in its sole
2066 discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
2067 Upon written request from Timberlands II, LLC or any third party, the State Properties
2068 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
2069 easement within the property for the relocation of the facilities without cost, expense or
2070 reimbursement from the State of Georgia.

SECTION 294.

2071
2072 That the easement granted to Timberlands II, LLC shall contain such other reasonable terms,
2073 conditions, and covenants as the State Properties Commission shall deem in the best interest
2074 of the State of Georgia and that the State Properties Commission is authorized to use a more
2075 accurate description of the easement area, so long as the description utilized by the State
2076 Properties Commission describes the same easement area herein granted.

SECTION 295.

2077
2078 That this resolution does not affect and is not intended to affect any rights, powers, interest,
2079 or liability of the Georgia Department of Transportation with respect to the state highway
2080 system, or of a county with respect to the county road system or of a municipality with
2081 respect to the city street system. Timberlands II, LLC shall obtain any and all other required
2082 permits from the appropriate governmental agencies as are necessary for its lawful use of the
2083 easement area or public highway right of way and comply with all applicable state and
2084 federal environmental statutes in its use of the easement area.

SECTION 296.

2085
2086 That the consideration for such easement shall be for \$650.00 and such further consideration
2087 and provisions as the State Properties Commission may determine to be in the best interest
2088 of the State of Georgia.

SECTION 297.

2089
2090 That this grant of easement shall be recorded by Timberlands II, LLC in the Superior Court
2091 of Talbot County, and a recorded copy shall be promptly forwarded to the State Properties
2092 Commission.

SECTION 298.

2093
2094 That the authorization in this resolution to grant the above-described easement to
2095 Timberlands II, LLC shall expire three years after the date that this resolution becomes
2096 effective.

SECTION 299.

2097
2098 That the State Properties Commission is authorized and empowered to do all acts and things
2099 necessary and proper to effect the grant of the easement.

ARTICLE XXIV

SECTION 300.

2100
2101
2102 That the State of Georgia is the owner of the hereinafter described real property lying and
2103 being in Tift County, Georgia, and is commonly known as the Tifton Agricultural
2104 Laboratory, and the property is in the custody of the Department of Agriculture which, by
2105 official action dated November 6, 2025, does not object to the granting of an easement; and,
2106 in all matters relating to the easement, the State of Georgia is acting by and through its State
2107 Properties Commission.

SECTION 301.

2108
2109 That the State of Georgia, acting by and through its State Properties Commission, may grant
2110 to Georgia Power Company, or its successors and assigns, a non-exclusive easement for the
2111 construction, installation, operation, maintenance, and relocation of a transformer, electrical
2112 distribution lines and associated equipment to ensure consistent and reliable power supply
2113 to the laboratory. Said easement area is located in Tift County, and is more particularly
2114 described as follows:

2115 That approximately 0.17 of an acre, lying and being in Land Lot 356, 6th G.M. Land District,
2116 City of Tifton, Tift County, Georgia, and that portion only as shown on an engineer drawing
2117 furnished by Georgia Power Company, and being on file in the offices of the State Properties
2118 Commission and may be more particularly described by a plat of survey prepared by a
2119 Georgia registered land surveyor and presented to the State Properties Commission for
2120 approval.

SECTION 302.

2121
2122 That the above-described easement area shall be used solely for the construction, installation,
2123 operation, maintenance, and relocation of a transformer, electrical distribution lines and
2124 associated equipment.

2125 **SECTION 303.**

2126 That Georgia Power Company shall have the right to remove or cause to be removed from
2127 said easement area only such trees and bushes as may be reasonably necessary for the
2128 construction, installation, operation, maintenance, and relocation of a transformer, electrical
2129 distribution lines and associated equipment.

2130 **SECTION 304.**

2131 That, after Georgia Power Company has put into use the transformer, electrical distribution
2132 lines and associated equipment this easement is granted for, a subsequent abandonment of
2133 the use thereof shall cause a reversion to the State of Georgia, or its successors and assigns,
2134 of all the rights, title, privileges, powers, and easement granted herein. Upon abandonment,
2135 Georgia Power Company, or its successors and assigns, shall have the option of removing
2136 their facilities from the easement area or leaving the same in place, in which event the
2137 transformer, electrical distribution lines and associated equipment shall become the property
2138 of the State of Georgia, or its successors and assigns.

2139 **SECTION 305.**

2140 That no title shall be conveyed to Georgia Power Company and, except as herein specifically
2141 granted to Georgia Power Company, all rights, title, and interest in and to said easement area
2142 is reserved in the State of Georgia, which may make any use of said easement area not
2143 inconsistent with or detrimental to the rights, privileges, and interest granted to Georgia
2144 Power Company.

2145 **SECTION 306.**

2146 That if the State of Georgia, acting by and through its State Properties Commission,
2147 determines that any or all of the facilities placed on the easement area should be removed or
2148 relocated to an alternate site on state-owned land in order to avoid interference with the

2149 state's use or intended use of the easement area, it may grant a substantially equivalent
2150 non-exclusive easement to allow placement of the removed or relocated facilities across the
2151 alternate site under such terms and conditions as the State Properties Commission shall in its
2152 discretion determine to be in the best interests of the State of Georgia, and Georgia Power
2153 Company shall remove or relocate its facilities to the alternate easement area at its sole cost
2154 and expense without reimbursement by the State of Georgia unless, in advance of any
2155 construction being commenced, Georgia Power Company provides a written estimate for the
2156 cost of such removal and relocation and the State Properties Commission determines, in its
2157 sole discretion, that the removal and relocation is for the sole benefit of the State of Georgia.
2158 Upon written request from Georgia Power Company or any third party, the State Properties
2159 Commission, in its sole discretion, may grant a substantially equivalent non-exclusive
2160 easement within the property for the relocation of the facilities without cost, expense or
2161 reimbursement from the State of Georgia.

2162 **SECTION 307.**

2163 That the easement granted to Georgia Power Company shall contain such other reasonable
2164 terms, conditions, and covenants as the State Properties Commission shall deem in the best
2165 interest of the State of Georgia and that the State Properties Commission is authorized to use
2166 a more accurate description of the easement area, so long as the description utilized by the
2167 State Properties Commission describes the same easement area herein granted.

2168 **SECTION 308.**

2169 That this resolution does not affect and is not intended to affect any rights, powers, interest,
2170 or liability of the Georgia Department of Transportation with respect to the state highway
2171 system, or of a county with respect to the county road system or of a municipality with
2172 respect to the city street system. Georgia Power Company shall obtain any and all other
2173 required permits from the appropriate governmental agencies as are necessary for its lawful

2174 use of the easement area or public highway right of way and comply with all applicable state
2175 and federal environmental statutes in its use of the easement area.

2176 **SECTION 309.**

2177 That, given the public purpose of the project, the consideration for such easement shall be
2178 \$10.00 and such further consideration and provisions as the State Properties Commission
2179 may determine to be in the best interest of the State of Georgia.

2180 **SECTION 310.**

2181 That this grant of easement shall be recorded by Georgia Power Company in the Superior
2182 Court of Tift County, and a recorded copy shall be promptly forwarded to the State
2183 Properties Commission.

2184 **SECTION 311.**

2185 That the authorization in this resolution to grant the above-described easement to the Georgia
2186 Power Company shall expire three years after the date that this resolution becomes effective.

2187 **SECTION 312.**

2188 That the State Properties Commission is authorized and empowered to do all acts and things
2189 necessary and proper to effect the grant of the easement.

2190 **ARTICLE XXV**

2191 **SECTION 313.**

2192 That the State of Georgia is the owner of the hereinafter described real property lying and
2193 being in Hamilton County, Tennessee, and is commonly known as the Western and Atlantic
2194 Railroad, and the property is in the custody of the State Properties Commission which, does

2195 not object to the granting of an easement; and, in all matters relating to the easement, the
2196 State of Georgia is acting by and through its State Properties Commission.

2197 **SECTION 314.**

2198 That the State of Georgia, acting by and through its State Properties Commission, may grant
2199 to the Tennessee Department of Transportation, or its successors and assigns, a non-exclusive
2200 easement for the construction, installation, operation, and maintenance of various road
2201 improvement and safety projects, identified by the following project references PIN
2202 129670.00, 133281.00 and 130545.00 over the Western and Atlantic Railroad. Said
2203 easement area is located in Hamilton County, Tennessee and is more particularly described
2204 as follows:

2205 That approximately 116 acres, lying and being in the City of Chattanooga, Hamilton County,
2206 Tennessee, and that portion only as shown on Right of Way survey furnished by the
2207 Tennessee Department of Transportation, and being on file in the offices of the State
2208 Properties Commission and may be more particularly described by a plat of survey prepared
2209 by a Georgia registered land surveyor and presented to the State Properties Commission for
2210 approval.

2211 **SECTION 315.**

2212 That the above-described easement area shall be used solely for the purpose of the
2213 construction, installation, operation, and maintenance of various road improvement projects
2214 over the Western and Atlantic Railroad.

2215 **SECTION 316.**

2216 That the Tennessee Department of Transportation shall have the right to remove or cause to
2217 be removed from said easement area only such trees and bushes as may be reasonably

2218 necessary for the construction, installation, operation, and maintenance of the road
2219 improvement projects.

2220 **SECTION 317.**

2221 That, after the Tennessee Department of Transportation has put into use the road
2222 improvements this easement is granted for, a subsequent abandonment of the use thereof
2223 shall cause a reversion to the State of Georgia, or its successors and assigns, of all the rights,
2224 title, privileges, powers, and easement granted herein. Upon abandonment, the Tennessee
2225 Department of Transportation, or its successors and assigns, shall have the option of
2226 removing their facilities from the easement area or leaving the same in place, in which event
2227 the road improvements shall become the property of the State of Georgia, or its successors
2228 and assigns.

2229 **SECTION 318.**

2230 That no title shall be conveyed to the Tennessee Department of Transportation and, except
2231 as herein specifically granted to the Tennessee Department of Transportation, all rights, title,
2232 and interest in and to said easement area is reserved in the State of Georgia, which may make
2233 any use of said easement area not inconsistent with or detrimental to the rights, privileges,
2234 and interest granted to the Tennessee Department of Transportation.

2235 **SECTION 319.**

2236 That if the State of Georgia, acting by and through its State Properties Commission,
2237 determines that any or all of the facilities placed on the easement area should be removed or
2238 relocated to an alternate site on state-owned land in order to avoid interference with the
2239 state's use or intended use of the easement area, it may grant a substantially equivalent
2240 non-exclusive easement to allow placement of the removed or relocated facilities across the
2241 alternate site under such terms and conditions as the State Properties Commission shall in its

2242 discretion determine to be in the best interests of the State of Georgia, and the Tennessee
2243 Department of Transportation shall remove or relocate its facilities to the alternate easement
2244 area at its sole cost and expense without reimbursement by the State of Georgia unless, in
2245 advance of any construction being commenced, the Tennessee Department of Transportation
2246 provides a written estimate for the cost of such removal and relocation and the State
2247 Properties Commission determines, in its sole discretion, that the removal and relocation is
2248 for the sole benefit of the State of Georgia. Upon written request from the Tennessee
2249 Department of Transportation or any third party, the State Properties Commission, in its sole
2250 discretion, may grant a substantially equivalent non-exclusive easement within the property
2251 for the relocation of the facilities without cost, expense or reimbursement from the State of
2252 Georgia.

2253 **SECTION 320.**

2254 That the easement granted to the Tennessee Department of Transportation shall contain such
2255 other reasonable terms, conditions, and covenants as the State Properties Commission shall
2256 deem in the best interest of the State of Georgia and that the State Properties Commission is
2257 authorized to use a more accurate description of the easement area, so long as the description
2258 utilized by the State Properties Commission describes the same easement area herein granted.

2259 **SECTION 321.**

2260 Tennessee Department of Transportation shall obtain any and all other required permits from
2261 the appropriate governmental agencies as are necessary for its lawful use of the easement
2262 area or public highway right of way and comply with all applicable state and federal
2263 environmental statutes in its use of the easement area.

2264 **SECTION 322.**

2265 That, given the public purpose of the project, the consideration for such easement shall be
2266 \$10.00 and such further consideration and provisions as the State Properties Commission
2267 may determine to be in the best interest of the State of Georgia.

2268 **SECTION 323.**

2269 That this grant of easement shall be recorded by Tennessee Department of Transportation in
2270 the Superior Court of Hamilton County, Tennessee, and a recorded copy shall be promptly
2271 forwarded to the State Properties Commission.

2272 **SECTION 324.**

2273 That the authorization in this resolution to grant the above-described easement to the
2274 Tennessee Department of Transportation shall expire three years after the date that this
2275 resolution becomes effective.

2276 **SECTION 325.**

2277 That the State Properties Commission is authorized and empowered to do all acts and things
2278 necessary and proper to effect the grant of the easement.

2279 **ARTICLE XXVI**

2280 **SECTION 326.**

2281 That this resolution shall become effective as law upon its approval by the Governor or upon
2282 its becoming law without such approval.

2283 **SECTION 327.**

2284 That all laws and parts of laws in conflict with this resolution are repealed.
