SECTION 2.

15
16 Subpart 2 of Part 1 of Article 16 of Chapter 2 of Title 20 of the Official Code of Georgia
17 Annotated, relating to compulsory attendance, is amended by adding a new Code section to
18 read as follows:

19 "20-2-692.5.

20 (a) As used in this Code section, the term:

21 (1) 'Local education agency' shall have the same meaning as in Code Section 20-2-167.1.

22 (2) 'Released time course' means a course in religious moral instruction provided by an
23 individual or organization independently of a public school.

24 (b) By August 1, 2026, each local education agency shall adopt a policy that permits all
25 students to be excused from school to attend a released time course for at least one hour per
26 school week. Such policy shall require that:

27 (1) The student's parent or legal guardian gives written consent for the student to attend
28 the released time course;

29 (2) The individual or organization providing the released time course maintains
30 attendance records and makes such records available to the officials of the school in
31 which the student is enrolled;

32 (3)(A) If the released time course is not held on the property of the public school in
33 which the student is enrolled, transportation to and from the location of the released
34 time course, including transportation for students with disabilities, is the responsibility
35 of the student or his or her parent or legal guardian; and

36 (B) If the individual or organization providing the released time course is to provide
37 student transportation from school, appropriate consent shall be provided by the
38 student's parent or legal guardian;

39 (4) The individual or organization providing the released time course verifies to the local
40 education agency that such individual or organization assumes full responsibility for the
41 student at all times such student is participating in a released time course activity,

42 including, but not limited to, transportation provided by such individual or organization
43 to and from such activity;

44 (5) Except as necessary to award academic credit for the completion of a released time
45 course, as provided for in subsection (d) of this Code section, no local education agency
46 funds except de minimis administrative costs are expended in providing or
47 accommodating the released time course;

48 (6) A local education agency may permit released time courses to be held on public
49 school property under a neutral policy of equal access opening such public school
50 property for use by community groups; and

51 (7) The student assumes responsibility for any missed school work.

52 (c) The policy adopted by a local education agency under subsection (b) of this Code
53 section shall include a requirement for a criminal records check of individuals providing

57 to award for completion of such course, the local education agency shall evaluate the
58 course based exclusively on secular criteria that are substantially the same criteria used to
59 evaluate similar courses for purposes of determining the academic credit to award for such
60 courses. The decision to award academic credit for a released time course shall be neutral
61 to, and shall not involve any test for, religious content or denominational affiliation. Such

67 (4) The qualifications of the released time course instructor.

68 (e) No local education agency or official or employee thereof shall be liable in any civil
69 action for injury allegedly arising from a student's transit to or from a released time course
70 when private transportation is used under a released time course policy adopted under
71 subsection (b) of this Code section.

72 (f) While in attendance in a released time course, a student shall not be considered absent
73 from school.

74 (g)(1) The Department of Education is authorized and directed to take all steps
75 reasonably necessary to maximize the amounts of state and federal funding local
76 education agencies receive regardless of the number of students who participate in a
77 released time course.

78 (2) The Department of Education shall promulgate model policies and procedures
79 consistent with this Code section to be available for use by local education agencies."
