21 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

22 **SECTION 1.**

23 Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to elementary and
24 secondary education, is amended in Part 3 of Article 6, relating to educational programs
25 under the "Quality Basic Education Act," by adding a new Code section to read as follows:
26 "20-2-154.4.

27 (a)(1) By July 1, 2027, the State Board of Education shall establish definitions, rules,
28 regulations, policies, and procedures to govern the operation of nontraditional education
29 programs and services, including, but not limited to:

30 (A) Dropout prevention and academic intervention programs;

31 (B) Programs for high school credit recovery; and

32 (C) Opportunities for students to schedule classes outside of the traditional school day,
33 school week, and school year.

34 (2) The definitions, rules, regulations, policies, and procedures provided for under
35 paragraph (1) of this subsection shall require that a nontraditional education program or
36 school provide an explanation of:

37 (A) The special education services to be provided pursuant to Code Section 20-2-152,
38 the remedial education program services to be provided pursuant to Code
39 Section 20-2-154, and other nontraditional education programs and services to be
40 provided;

41 (B) The measurable objective performance standards in the areas of academic
42 achievement, student growth, and student retention to be established, monitored,
43 evaluated, and reported; and

44 (C) The monitoring, evaluating, and reporting procedures in meeting such performance
 45 standards.

46 (b) In the annual report required by paragraph (2) of subsection (a) of Code
 47 Section 20-14-27, the Office of Student Achievement shall separately report on the
 48 performance of nontraditional education programs and services in local school systems."

49 **SECTION 2.**

50 Said chapter is further amended in Part 14 of Article 6, relating to other educational programs
 51 under the "Quality Basic Education Act," by revising Code Section 20-2-319.6, relating to
 52 home study student participation in resident school system extracurricular and interscholastic
 53 activities, short title, definitions, requirements for participation, impact of student
 54 withdrawal, and reporting requirements, as follows:

55 "20-2-319.6.

56 (a) This Code section shall be known and may be cited as the 'Dexter Mosely Act.'

57 (b) As used in this Code section, the term:

58 (1) 'Athletic association' means any association of schools or any other similar
 59 organization which acts as an organizing, sanctioning, scheduling, or rule-making body
 60 for interscholastic activities in which public schools in this state participate.

61 (2) 'Extracurricular activities' means ~~public school-sponsored~~ school sponsored activities
 62 in which students take part on a voluntary basis; which do not offer or provide school or
 63 course credits; which are generally conducted outside regular school hours or, if
 64 conducted in whole or in part during regular school hours, at times agreed to by the
 65 participants and approved by a school official; and which are managed and operated
 66 under the guidance of a teacher, other school employee, or other adult approved by a
 67 school official. Examples of extracurricular activities include but are not limited to
 68 intramural and interscholastic athletics; band, chorus, and other musical activities; drama

69 and other theatrical activities; and clubs and organizations as defined in subsection (a) of
70 Code Section 20-2-705.

76 governing body, including but not limited to an athletic association.

77 (5) 'Qualifying course' means a course facilitated by the home study student's resident
78 school system:

79 (A) By applying one or more of the mechanisms provided for in paragraphs (1)
80 through (4) of subsection (b) of Code Section 20-2-319.4;

81 (B) By way of a dual credit course as provided for in Code Section 20-2-161.3; or

82 (C) By way of an on-site course required for participation in designated extracurricular
83 and interscholastic activities.

84 (6) 'Qualifying virtual school' means a public school in this state that provides solely
85 virtual instruction and that does not offer to students enrolled in grades six through 12
86 one or more school sponsored interscholastic athletic programs or other school sponsored
87 programs that are sanctioned or supported by a state-wide interscholastic activities
88 governing body.

89 ~~(6)~~(7) 'Resident school' means the public school in which a home study student or virtual
90 school student would be enrolled based on his or her residence.

91 ~~(7)~~(8) 'Resident school system' means the public school system in which a home study
92 student or virtual school student would be enrolled based on his or her residence.

93 (9) 'Virtual school student' means a student in grades six through 12 enrolled full-time
94 in a qualifying virtual school.

95 (c) A home study student shall be eligible to participate in extracurricular activities and
96 interscholastic activities under the sponsorship, direction, and control of the resident school
97 or resident school system, provided that each of the following requirements is met:

98 (1) At least 30 calendar days before the first school day of the semester in which a home
99 study student will enroll in a qualifying course as provided in paragraph (2) of this
100 subsection, a parent or guardian of the home study student provides to the principal of the
101 resident school and the superintendent of the resident school system:

102 (A) Written notice that the home study student intends to participate in one or more
103 specified extracurricular or interscholastic activities as a representative of the resident
104 school or resident school system; and

105 (B) A copy of the home study student's most recent annual progress assessment report,
106 as provided for in paragraph (8) of subsection (c) of Code Section 20-2-690, along with
107 written verification by the home study program instructor that the home study student
108 is currently receiving a passing grade in each home study program course, is
109 maintaining satisfactory progress toward advancement, and meets the requirements for
110 participation in the specified extracurricular or interscholastic activity;

111 (2) For each semester of the regular school year during any part of which the home study
112 student participates in an extracurricular or interscholastic activity, the home study
113 student enrolls in and attempts to complete one qualifying course;

114 (3) The home study student meets established age, academic, behavioral, conduct,
115 disciplinary, residence, zoning, and other rules and requirements applicable to all students
116 for participation in the specified extracurricular or interscholastic activity and provides
117 any supporting documentation required by the resident school;

118 (4) The home study student abides by the same student code of conduct and disciplinary
119 measures and transportation policies as students enrolled at the resident school who are
120 participating in the same extracurricular or interscholastic activity as the home study
121 student;

122 (5) The home study student completes the tryout process or the equivalent for
123 participation in the specified extracurricular or interscholastic activity applicable to all
124 students for participation in the specified extracurricular or interscholastic activity and
125 provides any supporting documentation required by the resident school; and

126 (6) For an extracurricular or interscholastic activity which involves a competitive
127 selection process, the home study student is selected.

128 (c.1) Beginning with the 2027-2028 school year, a virtual school student shall be eligible
129 to participate in extracurricular activities and interscholastic activities under the
130 sponsorship, direction, and control of the resident school or resident school system,
131 provided that each of the following requirements is met:

132 (1) At least 30 calendar days before the first school day of the semester in which a virtual
133 school student intends to participate in one or more extracurricular or interscholastic
134 activities, a parent or guardian of the virtual school student provides to the principal of
135 the resident school and the superintendent of the resident school system:

136 (A) Written notice that the virtual school student intends to participate in one or more
137 specified extracurricular or interscholastic activities as a representative of the resident
138 school or resident school system; and

139 (B) A copy of the virtual school student's most recent report card or its equivalent,
140 along with written verification by the virtual school that the virtual school student is
141 currently receiving a passing grade in each course and meets the requirements for
142 participation in the specified extracurricular or interscholastic activity;

143 (2) The virtual school student meets established age, academic, behavioral, conduct,
144 disciplinary, residence, zoning, and other rules and requirements applicable to all students
145 for participation in the specified extracurricular or interscholastic activity and provides
146 any supporting documentation required by the resident school;

147 (3) The virtual school student abides by the same student code of conduct and
148 disciplinary measures and transportation policies as students enrolled at the resident

149 school who are participating in the same extracurricular or interscholastic activity as the
150 virtual school student;

151 (4) The virtual school student completes the tryout process or the equivalent for
152 participation in the specified extracurricular or interscholastic activity applicable to all
153 students for participation in the specified extracurricular or interscholastic activity and
154 provides any supporting documentation required by the resident school; and

155 (5) For an extracurricular or interscholastic activity which involves a competitive
156 selection process, the virtual school student is selected.

157 (d) A student who withdraws from a public school to participate in a home study program
158 or enroll in a qualifying virtual school shall be ineligible for participation in any
159 extracurricular or interscholastic activity for 12 months from the date of the declaration of
160 intent to utilize a home study program provided to the Department of Education as
161 provided under paragraph (2) of subsection (c) of Code Section 20-2-690 or enrollment in
162 the qualifying virtual school.

163 (e) For purposes of this Code section, participation in an extracurricular or interscholastic
164 activity includes participation in the following ~~school-sponsored~~ school sponsored
165 activities related to the extracurricular or interscholastic activity: tryouts; off-season
166 practice, rehearsal, or conditioning; summer and holiday practice, rehearsal, or
167 conditioning; in-season practice, rehearsal, or conditioning; and all exhibitions, contests,
168 and competitions, including scrimmage, preseason, regular season, postseason, and
169 invitational.

170 (f) A resident school, a resident school system, or an athletic association shall not deny a
171 home study student or a virtual school student the opportunity to try out and participate if
172 selected in any extracurricular or interscholastic activities available at the resident school
173 or in the resident school system if the student meets the requirements contained in
174 subsection (c) or (c.1) of this Code section, respectively, and is not ineligible under
175 subsection (d) of this Code section.

176 (g) No public high school which receives funding under this article shall participate in,
 177 sponsor, or provide coaching staff for interscholastic activities which are conducted under
 178 the authority of, conducted under the rules of, or scheduled by any athletic association that
 179 does not deem eligible for participation a home study student or virtual school student who
 180 meets the requirements contained in subsection (c) or (c.1) of this Code section,
 181 respectively, and is not ineligible under subsection (d) of this Code section.

182 (h) Home study students and virtual school students shall participate in extracurricular or
 183 interscholastic activities, as authorized under this Code section, on behalf of such ~~home~~
 184 ~~study~~ student's resident school.

185 (i) The specific assigned program of each home study student enrolled in a qualifying
 186 course shall be included for a one-sixth segment of the school day, or the block scheduling
 187 equivalent, by the home study student's resident school system in reports made to the
 188 Department of Education as provided in subsection (a) of Code Section 20-2-160.

189 (j) The provisions of this Code section relating to qualifying virtual schools and virtual
 190 school students shall apply beginning with the 2027-2028 school year."

191 **SECTION 3.**

192 Said chapter is further amended in Article 19, relating to instructional materials and content,

196 (1) 'Break/fix rate' means the number of school technology devices reported as
 197 malfunctioning or needing repair prior to the end of the device's life cycle as stated by the
 198 manufacturer due to physical damage, hardware failure, or other breakage incidents
 199 which are not covered by insurance or a policy plan period during a school year divided
 200 by the total number of school technology devices in operation during the same school
 201 year.

202 (2) 'Department' means the Department of Education.

203 (3) 'School technology device' or 'device' means electronic or computerized equipment
204 greater than \$100.00 in value provided for educational purposes in a public school,
205 including, but not limited to, computers, tablets, and interactive whiteboards, and
206 associated hardware, software, and technical equipment.

207 (b) When purchasing school technology devices, each local board of education and other
208 public school governing body shall take into consideration the following factors:

209 (1) The long-term cost of ownership of such devices, including the costs of repairs;

210 (2) The flexibility for innovation during the life of such devices; and

211 (3) The anticipated resale or salvage value of such devices compared to the initial
212 purchase cost of such devices.

213 (c) Beginning in 2027, no later than October 15 of each year, each local board of education
214 and other public school governing body shall submit a report to the department which
215 includes the following information for the respective local school system or public school
216 for the preceding school year:

217 (1) The total number of school technology devices in operation;

218 (2) The break/fix rate of school technology devices;

219 (3) The total number of school technology devices which required repair and the number
220 of such devices that underwent repair or were out of service; and

221 (4) The total amount spent to repair or replace school technology devices.

222 (d) Beginning in 2027, no later than December 31 each year, the department shall submit
223 a report to the Governor, the President of the Senate, the Speaker of the House of
224 Representatives, and the chairpersons of the House Committee on Education and the Senate
225 Education and Youth Committee which shall include the information provided to the
226 department pursuant to subsection (c) of this Code section."

227 **SECTION 4.**

228 Said chapter is further amended in Article 31, the "Charter Schools Act of 1998," by adding
229 a new paragraph to Code Section 20-2-2062, relating to definitions, to read as follows:

230 "(4.01)(A) 'Dropout recovery charter school' means a charter school authorized by a
231 local board of education and the State Board of Education that enrolls students in any
232 of grades six through 12 and provides:

233 (i) Special education services as provided for in Code Section 20-2-152;

234 (ii) Remedial education program services as provided for in Code Section 20-2-154;
235 and

236 (iii) Nontraditional education programs and services, including, but not limited to:

237 (I) Dropout prevention and academic intervention programs;

238 (II) Programs for high school credit recovery; and

239 (III) Opportunities for students to schedule classes outside of the traditional school
240 day, school week, and school year.

241 (B) Such term shall not include a school that serves students in any of grades
242 kindergarten through five."

243 **SECTION 5.**

244 Said article is further amended in Code Section 20-2-2063, relating to charter petitions, by
245 adding a new subsection to read as follows:

246 "(e)(1) The State Board of Education shall establish rules, regulations, policies, and
247 procedures to govern the contents of a charter petition for a dropout recovery charter
248 school.

249 (2) The State Board of Education shall establish rules, regulations, policies, and
250 procedures to provide for charter petitions for a dropout recovery charter school. Such
251 rules, regulations, policies, and procedures shall require that a charter petition and the
252 charter contain an explanation of:

253 (A) The special education services to be provided pursuant to Code Section 20-2-152,
 254 the remedial education program services to be provided pursuant to Code
 255 Section 20-2-154, and other nontraditional education programs and services to be
 256 provided; and

257 (B) The measurable objective performance standards in the areas of academic
 258 achievement, student growth, and student retention that will be established, monitored,
 259 evaluated, and reported.

260 (3) The State Board of Education shall establish policies, rules, and regulations to
 261 provide for an existing charter school to convert its current charter to a dropout recovery
 262 charter school charter, which shall be subject to the initial term restriction provided for
 263 in subsection (b) of Code Section 20-2-2067.1."

264 **SECTION 6.**

265 Said article is further amended in Code Section 20-2-2063.3, relating to code of principles
 266 and standards for charter school authorizers, by revising subsection (a) as follows:

267 "(a)(1) The State Board of Education and the State Charter Schools Commission shall
 268 jointly establish a code of principles and standards of charter school authorizing to guide
 269 local boards of education, the state board, and the State Charter Schools Commission in
 270 meeting high-quality authorizing practices. The principles and standards established by
 271 the state board and the State Charter Schools Commission shall, as applicable, include:

272 ~~(1)~~(A) Maintaining high standards for approving charter petitions;

273 ~~(2)~~(B) Establishing high academic, financial, and operational performance standards
 274 for charter schools;

275 ~~(3)~~(C) Annually monitoring, evaluating, and reporting charter school progress in
 276 meeting academic, financial, and operational performance standards, including ensuring
 277 that a local school system has not been designated as a high-risk local school system
 278 by the Department of Audits and Accounts pursuant to Code Section 20-2-67, or if it

279 has been designated as a high-risk local school system, that it has a written corrective
280 action plan in place and that local school system board members and appropriate
281 personnel participate in required training to address the deficiencies;
282 ~~(4)(D)~~ Upholding charter school autonomy in school governance, instructional
283 program implementation, personnel, and budgeting;
284 ~~(5)(E)~~ Protecting students and holding charter schools accountable for their obligations
285 to all students; and
286 ~~(6)(F)~~ Protecting the public interest and holding charter schools accountable for their
287 obligations of governance, management, and oversight of public funds.
288 (2) Notwithstanding any provision of paragraph (1) of this subsection to the contrary, the
289 principles and standards established by the state board and the State Charter Schools
290 Commission shall establish separate principles and standards for dropout recovery charter
291 schools, which may include the same or similar principles and standards provided for in
292 paragraph (1) of this subsection, but which shall include provisions for:
293 (A) Establishing measurable objective performance standards in the areas of academic
294 achievement, student growth, and student retention; and
295 (B) Monitoring, evaluating, and reporting progress in meeting such performance
296 standards.
297 (3) In the annual report required by paragraph (2) of subsection (a) of Code
298 Section 20-14-27, the Office of Student Achievement shall separately report on the
299 performance of dropout recovery charter schools."

300 **SECTION 7.**

301 Said article is further amended by revising Code Section 20-2-2064.2, relating to promotion
302 of approval of new local charter school petitions and incentive grants, as follows:

303 "20-2-2064.2.

304 (a) ~~The State Board of Education~~ state board, in collaboration with the ~~State Charter~~
305 ~~Schools Commission~~ Office of Charter School Compliance, shall establish a program for
306 the purposes of promoting and supporting the approval of new local charter school petitions
307 by local boards of education and to provide incentive grants to local boards of education
308 that approve new local charter school petitions. ~~The State Charter Schools Commission~~
309 state board shall promulgate such rules and regulations as it deems necessary to carry out
310 the provisions and intent of this Code section.

311 (b)(1) Subject to appropriations, for each new local charter school petition approved by
312 a local board of education after June 30, 2025, such local board of education shall receive
313 an incentive grant of \$250,000.00 by ~~August 1~~ September 1 of each of the first three
314 years of such local charter school's operation following such approval, provided that such
315 local charter school remains authorized by such local board of education. In the event
316 that available appropriations are not sufficient to cover the total amount of ~~such~~ the
317 incentive grants provided for in this subsection, the amount of each such grant shall be
318 reduced proportionally, providing incentive grants in equal amounts to each such local
319 board of education.

320 (2) Incentive grants provided for in paragraph (1) of this subsection shall be provided
321 only for the approval of new local charter school petitions and not for the approval or
322 renewal of an existing local charter school.

323 (3) The total amount of incentive grants provided under this subsection shall not
324 exceed \$2.25 million in any fiscal year.

325 (c) Incentive grants awarded pursuant to subsection (b) of this Code section may be used
326 by the receiving local board of education for expenses incurred by the local board of
327 education in its role as a local charter school authorizer, which may include, but shall not
328 be limited to, hiring qualified personnel and providing for oversight, compliance
329 monitoring, and professional development related to local charter school authorization.

- 330 (d) The Department of Education shall ~~implement and administer~~ distribute the incentive
 331 ~~grant program provided for in~~ grants authorized pursuant to subsection (b) of this Code
 332 section and the Office of Charter School Compliance shall provide any technical assistance
 333 necessary to local school systems ~~in to support of~~ compliance with the requirements of this
 334 Code section.
- 335 (e) This Code section shall stand automatically repealed on July 1, 2035."

336 **SECTION 8.**

337 Said article is further amended by revising paragraph (4) of subsection (b) of Code
 338 Section 20-2-2065, relating to waiver of provisions of this title, requirements for operating,
 339 and control and management, as follows:

340 "(4) Organized and operated as a nonprofit corporation or company under the laws of this
 341 state; provided, however, that this paragraph shall not apply to any charter petitioner that
 342 is a local school, local school system, or state or local public entity;"

343 **SECTION 9.**

344 Said article is further amended by revising subsection (a) of Code Section 20-2-2069, relating
 345 to the Office of Charter School Compliance and Office of District Flexibility, as follows:

346 "(a) There is established within the State Charter Schools Commission an Office of Charter
 347 School Compliance, which shall be staffed with personnel as provided for in
 348 subsection (d.1) of Code Section 20-2-2082; who shall report directly to the ~~State Board~~
 349 ~~of Education~~ state board for purposes of this subsection. The responsibilities of such office
 350 shall be to:

- 351 (1) Prepare charter school guidelines to be approved by the state board;
 352 (2) Distribute charter school petition information to inquiring parties;

- 353 (3) Process all charter school petitions and coordinate with the Charter Advisory
354 Committee established pursuant to Code Section 20-2-2063.1 to facilitate its such
355 committee's review and recommendations to the state board;
- 356 (4) Administer ~~any state or federal~~ charter school ~~implementation grant program~~ grant
357 programs;
- 358 (5) Contract with an independent party to evaluate the performance of charter schools,
359 as such performance relates to fulfilling the terms of their charters;
- 360 (6) Compile information necessary to produce the annual report required by Code
361 Section 20-2-2070, which shall include, but shall not be limited to, information regarding
362 the effectiveness of the ~~incentives~~ incentive grants and the adherence of local school
363 systems to the requirements provided for in Code Sections 20-2-2064 and 20-2-2064.2;
- 364 (7) Prepare guidelines for local boards of education for the evaluation of charter school
365 petitions. Such guidelines shall be published on the ~~public~~ website of the Department of
366 Education and shall include:
- 367 (A) Criteria for evaluating the academic, operational, and financial plans of the charter
368 petitioner;
- 369 (B) Best practices for conducting a thorough and objective review of charter petitions;
- 370 (C) Procedures for public hearings and community input on charter petitions; and
- 371 (D) A standardized evaluation rubric for use by local boards of education during the
372 evaluation of charter petitions; and
- 373 (8) Provide technical assistance to local school systems as charter school authorizers,
374 support local school systems as needed to implement best practices in charter school
375 authorization, and regularly engage with local school systems to promote charter school
376 authorization at the local level."

377 **SECTION 10.**

378 Said chapter is further amended in Article 31A, relating to state charter schools, by revising
379 paragraph (4) of Code Section 20-2-2081, relating to definitions, as follows:

380 "(4) 'Governing board' means the governing board of the nonprofit organization, or the
381 parent corporation of such nonprofit organization if such parent corporation is the sole
382 member of such nonprofit organization, which is the charter petitioner for a state charter
383 school and which is the same as the governing board of the state charter school which is
384 involved in ~~school-level~~ school level governance of the state charter school."

385 **SECTION 11.**

386 Said chapter is further amended in said article by revising Code Section 20-2-2085, relating
387 to petitions by existing charter schools, as follows:

388 "20-2-2085.

389 A petition may be submitted pursuant to this Code section by an existing charter school
390 approved by a local board of education or the State Board of Education, provided that the
391 obligations of its charter with the local board of education or State Board of Education will
392 expire prior to entering into a new charter with the commission. The commission shall not
393 act on a petition submitted pursuant to this Code section unless the local board of education
394 that authorizes the charter school has voted to terminate or nonrenew the charter contract
395 or otherwise fails to renew the charter contract by a date established by the State Board of
396 Education. Upon the existing charter school's request, a local board of education or the
397 State Board of Education in the case of a state chartered special school may agree to
398 rescind or waive the obligations of a current charter to allow a petition to be submitted by
399 an existing charter school pursuant to this Code section. An existing charter school that is
400 established as a state charter school pursuant to this Code section shall be allowed to
401 continue the use of all facilities, equipment, and other assets it used prior to the expiration
402 or rescission of its charter with a local board of education; provided, however, that the local

403 board of education shall be authorized to charge or continue to charge a reasonable fee for
404 use of the facilities."

405 **SECTION 12.**

406 Said chapter is further amended in said article by revising subsection (b) of Code
407 Section 20-2-2088.1, relating to ownership and maintenance of state charter school records,
408 as follows:

409 "(b) In the event that a state charter school ceases operations for any reason, including, but
410 not limited to, the termination, nonrenewal, or abandonment of the state charter school's
411 charter, the nonprofit entity which held the charter contract shall retain ownership,
412 including all incumbent responsibilities of an operational state charter school, of all records
413 for a period of ~~one year~~ 180 days from the later of the date the charter contract expired, the
414 date the charter contract was terminated, or the date the state charter school ceased
415 operations. Incumbent responsibilities include, but are not limited to, transferring student
416 records to public or private schools, schools operated by the Department of Juvenile
417 Justice, and the local school system or schools from which the records are requested. After
418 the ~~one-year~~ 180 day period, the nonprofit entity which held the charter contract shall
419 transfer all records, including student records, to the commission in the format and manner
420 specified by the commission."

421 **SECTION 13.**

422 This Act shall become effective on July 1, 2026.

423 **SECTION 14.**

424 All laws and parts of laws in conflict with this Act are repealed.
