

House Resolution 2121

By: Representative Jones of the 25th

A RESOLUTION

1 Recognizing and commending the transformative impact of blockchain technology; and for
2 other purposes.

3 WHEREAS, blockchain technology represents one of the most significant technological
4 innovations of the 21st century, introducing decentralized, secure, and transparent
5 computational frameworks for recording and verifying transactions; and

6 WHEREAS, blockchain systems enhance data integrity by utilizing distributed ledger
7 mechanisms that reduce the risk of tampering, fraud, and unauthorized alteration; and

8 WHEREAS, the adoption of blockchain technology has revolutionized the manner in which
9 digital information is stored, shared, and authenticated, promoting efficiency, reliability, and
10 trust across modern and classic industries; and

11 WHEREAS, blockchain-driven solutions have demonstrated substantial advancements in
12 financial feasibility by lowering transaction costs, reducing intermediaries, and enabling
13 faster, more accessible global exchanges; and

14 WHEREAS, the transparency inherent in blockchain networks promotes accountability,
15 fosters economic trust, and strengthens the credibility of financial and operational systems;
16 and

17 WHEREAS, blockchain technology has provided innovative tools for improving economic
18 accessibility, regulatory compliance, and auditability in both public and private sectors; and

19 WHEREAS, industries of all sizes, including finance, healthcare, logistics, governance,
20 cybersecurity and others, have increasingly leveraged blockchain applications to enhance
21 digital security, ensure regulatory compliance, streamline processes, and improve
22 recordkeeping; and

23 WHEREAS, the continued exploration and responsible implementation of blockchain
24 technologies may yield further benefits, including quantum proof data protection, limitless
25 system operational capacities, and equitable access to digital technologies.

26 NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that
27 the members of this body recognize and commend the benefits of blockchain technology,
28 which have positively impacted millions of people across the State of Georgia, the United
29 States, and all other parts of the world.

30 BE IT FURTHER RESOLVED that the Clerk of the House of Representatives is authorized
31 and directed to make appropriate copies of this resolution available for distribution to the
32 public and the press.
